

2024 Channeling Summaries ~ Federation Of Light ~ Blossom Goodchild

JANUARY

7th (p.2) The FOL apologize making some energetic adjustments that “knocked out” Blossom ... There were aspects of the Divine Plan set in place that would be required to implement depending upon flow of events ... The Divine Plan is in place...the question at a “crossroads” > Which one is to be ignored and which one is to be adhered to? ... Options cannot be revealed to humans whose thoughts and actions could change everything ... Who or what decides the proper course? ... The decision made was for the best of mankind ... How are legacies fulfilled if choices are made by the Universe? ... Earth “hanging in limbo” for a while then a “green light” will return ... Humanity will not know all the details for a very long time ... Blossom says, ‘It’s not an encouraging and light messages (as opposed to “heavy” or troublesome) to start the year. ... FOL> “Hold onto your hats” during 2024 ... You have nothing to fear and forewarned is forearmed ... You are strong enough to do what you have to do ... The upheaval is an opportunity to demonstrate your strength ... Blossom says, “The world has gone completely nuts.”...The FOL says, “You ain’t seen nothin’ yet.” ... The worse things get, the closer you are to “the end.” ... “YOU ARE THE STRONGEST OF THE STRONG.”

20th (p.7) Re: Previous channeling, those two scenarios and the Universe choosing one, how does that affect the Phases, specifically Phase 2? ... Phase 2 is coming, but no timing can be divulged ... An “experiment did not work out, yet also “did the trick.” ... FOL> ‘Enjoy Phase 1 while you can’. ... “There is much to be gained from the upheaval” ... So, prior to Phase 2 will there still be a lockdown? The FOL explain why ... In 2020 the agenda was depopulation, which had to take place in order for Phase 2 to happen ... Take note, Phase 2 may appear to serve a dark agenda, but it is serving a Higher purpose ... There will be a sudden ‘twist and turn’ and “eyes will pop out of heads” in disbelief ... Blossom> “We can only wait and see...carry on being the stalwart Souls of Light” ... Historically, atrocities played out and there was Light, but now the Planet is ready ... The deaths after the Hiroshima bomb was not considered “fever pitch” for the Planet to change ... Time [since Hiroshima] allowed the dark thread to weave its way into many more hearts ... First time ever, your Planet has the opportunity to be lifted into glory ... Many more Souls will “awaken,” those who were “lazy” to find their way home ... Millions more will feel their truth and speak the Mantra ... Many mantras and expressions serve the Soul in so many ways

27th (p.12) FOL make it clear they’re point of view of political matters does not serve their purpose ... What is important is how each one adapts to new situations, and NOT who is behind all of it ... What will unfold will be a far greater controversy than what has happened before it ... Remain steadfast by repeating the Mantra ... It is important that YOU BE YOU ... Whatever is to occur you will (*perseverance*) get through it ... Blossom> ‘You are speaking of Phase 2 right?’ ... Sign of the times, a metaphorical state of ‘Everything coming to the surface’ ... Crystals are attuned to that which is of the Highest knowledge ... Crystals will at some point activate themselves and “Mighty Monoliths” ... FOL illustrate The Game we are in being lit up like an activated pinball machine ... We are getting closer to the time of transformation that requires a Vibrational Frequency ... Is that Phase 5? ... The Phases, after #1 is left behind will proceed at a faster pace ... How long will it take and what effect will the revelation of Truths in Phase 2 have, aside from creating turmoil? ... It’s been discussed for a long time but it all still seems surreal ... Blossom> “Bring it on, bring it on, but, will we be talking about this next year [2025]?” ... The reveal is meticulously planned in order for the Highest outcome to serve The Whole

FEBRUARY

3rd (p.16) Much speculation that something is ‘about to go down’ ... So much build up, some inaccurate and some of it spot on, all to educate and helps to decide [*discernment*] what is trivial and what is High information ... Walls of fear are crumbling and the dark forces are falling at a fast rate ... “This year [2024] is to be one of great changes within the structure of societies and how they have been conducted ... Blossom asks for more information about the “structure of societies” ... Part of the Truth coming out is learning what the “Good Guys” have been doing behind the scenes> to build Trust ... Who exactly are the “Good Guys?” ... It may appear that plans are not going in the right direction, but they actually are ... Things are to be revealed in a correct order, but also to flow and make sense ... The Divine Plan will be conducted the best way possible, but there will be ‘collateral damage’ to some extent ... What is the nature of the ‘collateral damage’? ... The ‘Greater Scheme’ means many have agreed to be removed from the Planet in order to serve The Whole ... You can feel yourselves rising into a momentum of Knowing that something is to occur ... That which is coming, no one is prepared for ... do not be in fear, yet when it happens there will not be one Soul who will not be shocked to the core

18th (p.20) FOL are aware some are dealing with fatigue while others are ready to “Get up and at ‘em” ... Food additives, poor air and water quality is partly to blame for fatigue ... Though many are rising up fighting for their rights it’s not enough to do the trick ... The Divine Plan will reveal and put an end to the madness ... Though it may appear as if the lesser Light are getting away with it, they are not ... Does the dark know that the Light has won? ...

Light vs dark, fearmongering vs Love it's like two different Planets, but really different frequencies ... In the sight of all human suffering it's difficult to keep in mind it's a Divine Plan ... The Divine plan was created by the Highest of intelligence on and off Planet ... FOL acknowledge the patience of humanity is pushed to the limit ... If anyone does not resonate with the FOL's "Truth Reveal" or the "lockdown" to come it's best not to follow these messages ... Blossom describes herself as "sitting on the fence" waiting for so long ... Another two years? The FOL says, no ... FOL> ["soon?"] "It is all so very close now" ... Do the dark ones ["Light / Lower activities"] have enough control to do any counteracting, all while we understand the Light has won? ... Pickle Ball analogy with one player having a low score becomes determined to win until the last point ... Because the Divine Plan is so vast being only in Phase One the FOL suggest a focus upon TRUST being essential ... Go within to Feel the Truth of your Soul and why you are here ... Questions to ask yourself when you go within ... The Knowing of Truth and of who you are and why you are here is deep within you ... The purpose of the dark has been to bury that Truth within you ... FOL> Thank you for, keep on keeping on

25th (p.24) Blossom doesn't want to repeat the same topics, we either Trust in the Plan or we don't ... Even when our enthusiasm is low ["Feeling Despair"] we still rise above the propaganda and lies ... Perseverance with the power of Love-Light our spirit soars ... There is a tug of war in the Heart and mind and the coded Mantra that brings you back into alignment ... Would we have agreed to come to earth ["Life Planning"] if the dark was to win? ... We're not just hoping to make a difference, there is a Knowing ... A connection problem? No, new Higher Energy ... Breathe deeply to allow the Source energy to settle into your Beings ... It is the self, connected to Source that changes the Frequency of self, depending upon how they choose to conduct them self ... FOL had said before Higher Frequencies were coming in from Source ... It's an individual's choice to accept these Frequencies and benefit from them ... FOL explain how we are supposed to make use of the Higher Frequencies from Source ... The Light that you are shines a little brighter ... Many of you are now at the "door" coming this far to find the "door" and few have found the "key" to open it ... You'll never question "The Light has won" ... We only know as much as we know, we cannot know more if we don't know it, so, how do we get to that place of complete preparedness? ... The FOL explain how Knowing is a Feeling

MARCH

2nd (p.28) Blossom poses multiple questions from a reader, encapsulated by > "...how will these Phases and the Event itself affect our personal lives? ... An individual remains an individual, therefore one's "changes" will depend upon how that individual chooses to conduct their life ... Will they think it is CGI, AI, etcetera? ... There is nothing to fear ... It's a process that needs to occur in order for your world to move forward ["progress"] ... Blossom surprised the FOL used the term "shortly" ["Time / Perception"] in connection with Phase 2 ... Along with revelations of Truth, there will be revelations as to how the world will carry on ... No one, on or off Planet knows the reactions of each individual, and how this will affect the Whole moving forward ... Through the different phases will be a time one moves through the different Phases of Self ...It does not mean Laughter cannot be heard all throughout ... After Phase 5 the Plan will have completed its mission ... What is this new way of living to be like for the individual? ... JOY, JOY, JOY ... Multiply many, many, times the feelings of a really good day in "These" times ... The FOL expand upon the statement, "To know Love as Love is" ... A Higher Vibration of Love, itself, which has not been experienced on such a High level for eons ... The FOL acknowledge they have not answered the question in great detail, because Each One is the conductor of their own lives ... What comes after the "Fall" is the reason you came here ... Love conquers all

31st (p.32) Blossom wonders if the FOL would comment on the new Monolith in Wales ... FOL comment on Blossom's cruise ship venture saying the objective need not be apparent 'at the time' ... More Monoliths to follow in a series total of six ... Monoliths are constructed off Planet on board ship and can make themselves ... Monoliths are essential for that which is to come ... Monoliths must be in exact (*astrologically*) positioning in alignment with "All in the Universe" ... Are you saying the stars and planets have to be in a certain position for when this takes place? ... If it was known when this "Event" would happen, it would be interfering ... "Are you able to give us a clue regarding the after effects of this "Event?" > CHANGE the energy of All That Is ... Is this Higher Energy new? ... Can we talk more about the eclipse on April 8th? ... FOL mention the energetics in the name "Blossom Goodchild" ... Blossom explains how she acquired that surname, "Goodchild" ... Eclipses are markers, like points in a diary ... FOL mention the astrologer Pam Gregory and all that she has done in this, and previous lifetimes for the betterment of mankind ... The FOL mention the game "Jenga" in connection with our experience of Knowing

APRIL

7th (p.37) About last week's discussion of the Monoliths, the FOL didn't answer the question exactly how they arrive on the Planet ... Can damage occur during the placement of these structures? ... Is it too complicated and scientific to explain how that actually happens? ... Dematerializing is an "art form?" ... Blossom compares an experience of a book with an unmistakable message that "materialized" after her husband Goody's passing ... Goody's strong desire to reach out to Blossom got help from those with experience ... Blossom raises other

questions about the miraculous appearance and contents of the book ... Miracles are all around, we need only be Energetically in tune to receive them ... The FOL share how to “get” into alignment with ourselves, meaning with All That Is to experience “miracles” ... How does one “understand Love?” ... Blossom is asked to say the Mantra ... Coding of the Mantra is designed to activate different senses of Higher Knowing ... Different letters and different words carry different vibrations ... The Intention from the Heart is what carries the effect of that which is being said ... A comparison to swear words having a different Vibrational Energy

14th (p.42) Blossom senses the positive change in the Energy after the Eclipse ... Old repetitive thought patterns and behaviors will take longer to be released ... New Energies means the acceleration of the Divine Plan ... To be happy is a human birthright that has been taken away ... Free will took mankind down a pathway that has not served ... Feeling so Good means you are following your Heart’s desires ... Blossom senses Hope in the air ... FOL suggest substituting the more useful word “Know” for “Hope” ... How is that life on Earth is called a Game while there is so much suffering? ... When the FOL say “we were chosen” does that include everyone? ... How is that the “unawakened” are assisting the Divine Plan be played out? ... Does the Game end? ... Is the Game of life limited to Planet Earth, or is it happening everywhere? ... Who/what created Love? ... What is Love? ... Do other planets have free will? ... Will Blossom be levitating soon? FOL say > Mind over matter is all it takes

MAY

5th (p.47) Blossom prepares the FOL that her mood and introduction is a “downer” ... Lightworkers are challenged on all fronts, yet we spoke of Higher Energies that seem to be “swamped” by the darker ones ... Instead of feeling “done in” go within ... You can have a moan, you can have a meltdown [*Feeling/Despair*], but you could also have dance and laugh ... Blossom is shown a dead tree struck by lightning and another tree full of juicy apples ... Do you believe a smile from the Heart can change all that? ... You will continue on [*Keep on Keeping on*] no matter what happens on the outer and the inner part of your being ... A warrior of Light will never give in and never give up [*Perseverance*] ... When one warrior of Light is down another rises up to takes its place, and so on and so forth ... How do we really know if all FOL messages are just baloney? ... Why does the FOL repeat themselves in their messages? ... The TIME FACTOR on Earth is the great dilemma ... There is no timing in this Divine Plan, there is no time just movement forward [*Progress*]... Blossom is asked who and what is she Trusting? ... Where is your Truth? ... We wanted to be right in the thick of it, and that’s where we are [*Pre-Life Planning*]... The Divine Trusted you to see this Plan through; and you are!

11th (p.51) Blossom imagines negative and positive Warriors of Light as Moaning Minnies and Happy Harries ... Planetary conditions bring one’s Vibration down but goodness and Love disperse them ... Your Light is always doing something ... The ego is NOT your true self ... Gratitude is the key to the shift in frequency ... Feelings of elation when the “whistle” of Phase 2 is blown ... The Truth that is to be exposed IS full on ... During Phase 2 there will be “much to do, with no room to moan and complain” ... “Rome” is being built behind the scenes already, as per the saying “Rome was not built in a day” ... Blossom> “Phase 2 seems farfetched”...FOL> “As did Phase1” ... Phase 2 will bring about the greatest changes that have ever been ... Blossom imagines the aftermath of a bomb, the FOL reassure us there will not be devastation ... An atmospheric shift to be much Lighter ... Greatest shift of all will be within the Self ... A beautiful Energy of Light shining down upon your Mother Earth ... The darkness will no longer be present ... Every soul will be surprised at the scale of this mission ... Who is conducting this Divine Plan? ... FOL slipped in the word “soon,” but Phase 2 does feel closer, but how close is close? ... Warriors of Light will be there and ready to lead many to The Bridge ... As the FOL predicted years ago, the skies around the world are more colorful

26th (p.55) Blossom asks the FOL if they were able to add anything (who / they / it?) regarding a new Energy Messenger coming through ... A name is not as important as the message delivered ... Blossom and readers have upgraded to a Higher Level enabling them to receive it at a Higher Frequency ... Can the FOL enlighten us on where it came from? ... Calling the Energy “The Messenger” is indeed fitting ... Blossom senses both male and female Energy from The Messenger ... What if the Energy speaks differently next time? ... The Messenger IS, YOU are IS, What IS, is Consciousness ... When not in body where are you? ... Why could “it” not just identify as Consciousness? ... Blossom, you are not just “little old me” ... There are 4 or 5 on the Earth plane who are from Blossom’s Soul Self ... Will Blossom ever meet them? ... FOL mention and explain White Cloud speaking of a ROSE being one’s Soul group ... Blossom wonders if this what you call a twin flame? ... FOL choose not to go into depth on the subject of “twin flames” ... How is it that there IS, and is NOT such a thing as “Twin Flames?” .. Does this apply to everything, it is a Truth whether you experience it or not? ... Blossom doesn’t resonate with the concept of a twin flame ... Each experience to a Soul is there because they have chosen to experience it, true or untrue, it doesn’t matter

JUNE

9th (p.60) In the comfortable company of friends the conversation just goes with the flow ...FOL > About the "FLOW", concentrating on what does not serve there are blockages ... Letting Go, Letting Flow, allowing, being assists to travel far without trying ...Let go of the trying ...A Blossom visualisation> paddling a canoe upstream then turning around floating downstream with ease. ... Visualisation is your most powerful tool ... Use your imagination to get out of lower vibrational thoughts ... FOL provide visualisation suggestions ... Change the "trying" to "enjoyment" and let it flow ... Love-Light knows at all times what it's doing and where it needs to go ... To say, Love-Light or Light-Love doesn't matter, the same with the Mantra saying, I AM the LOVE first, or second ... Yes, you don't need to think where the Love-Light is going ... Knowing of Flowing allows "so much more" and the FOL ask Blossom to describe what the "so much more" means ... Why would the answer be better (*or not necessarily*) coming from the FOL? ... If we are able to reside at the same Vibration of the FOL, why can't we get all the answers? ... Awareness of certain things before the planned timing would change the course and disrupt the flow ... All that you need to know and be aware of will come in Divine timing

16th (p.64) The FOL desire to speak only of that which will serve ... Blossom has topics in mind that would not be appropriate at this time [*Timing*]... The FOL wish to uplift your Beingness by speaking of progress ... What appear to be governments around the world are laughable and tragic ... "All is not as it seems" ~ White Cloud ... Blossom wonders when it will change, the FOL says it's already changing ... Souls have been chosen with particular skills ... There will be no more political parties and rallies for elections ... Hidden Truths regarding fallen leaders will be revealed when changes have been made [*Timing*]... Blossom says it's hard to imagine > "fallen leaders" ... If it's a Divine Plan, why is there so much that seems far from Divine? ... To know of Divine Truth makes all the difference as to how one feels about Being on the Planet ... Souls were given free will and where has it taken us? ... The experiment of free will has shown its True colours ... Isn't it complete Truth that Love, vibrating in its lowest frequency is the darkness? ... The FOL speak of a different Truth ... Love in its Highest Vibration is you ... Is Truth then another word for Love? ... FOL explain why our bodies have a tingle or goosebumps ... The Divine Plan was put into place to change the vibration of the Planet ... Blossom can't conceive of child trafficking as "remnants" of dark energies ... Who would come to earth knowing they would have to endure so much? ... Such service is of the Highest order ... Acceptance of "what is" comes to Each One as their vibration moves into higher frequencies

23rd (p.69) Blossom wants to talk about the new Monolith in Nevada ... Blossom remembers 5 more Monoliths to come after the last one ... The FOL has not explained exactly how the Monoliths "land" on Earth ... Energy can be manipulated into any size or shape that is desired ... As small as dice when they land, Monoliths expand to size ... The dice are programmed to communicate and landing by teleportation ... If a Monolith was opened up what would be seen inside? ... Have some of the earlier Monoliths been removed? ... Monoliths are safe and cannot be penetrated ... Blossom asks for clarification> The Federation of Light or the Overseers of Overseers do not reside on a ship, correct? ... If energy can be manipulated what is it that would prevent the Monoliths from suddenly disappearing? ... Monoliths generate curiosity and evoke memories of futuristic science fiction movies ... It's encouraging to know the future is here ... Monoliths are so intriguing because they trigger "memories of your future" ... We have been shown "a past that is the present, and lived it in a future that will one day be the past" ... Yet, you are everything all at once

JULY

No Channeling

AUGUST

31st (p.73) After a long break that was needed Blossom says, "The world is getting crazier with each passing moment" ... Is anything going to be any different? ... Blossom's energy is new ... FOL > "You KNOW within you the certainty that what you are doing is not in vain" ... The world has gone mad, but due to TRUTH, STRENGTH, and your KNOWINGNESS you are making a difference ... Blossom feels at times the changes are a long way off, and we'll experience only more madness only to surrender to what is ... Yes! Says the FOL, surrender to what is by letting the political arena be, and you be the Light Love that you are ... It's not wrong to shake one's head in disbelief, and it's a wise decision to be uninvolved ... How can we really do that when so many people are involved? ... The answer is > Keep your VIBRATION High ... Do not give in to mind control and be on guard ... Be vigilant to change your thoughts to brighter ones ... Blossom asks, "Why it all has to be so difficult ... FOL reminder > You were chosen because you had the requirements to overcome the darkness..." ... FOL > The POWER that is you, within you is STRONG and beyond what you can accept ... Try harder to tap into that POWER and more POWER will be present ... You can manifest MIRACLES, you yourself are a MIRACLE ... What are we missing when there are no miracles? ... The FOL answer > How do we find the TRUTH of KNOWING? ... You have for so long been exposed to the indoctrination of your unworthiness ... The more you choose to accept and step into your POWERHOUSE the more understanding will come to you

SEPTEMBER

8th (p.78) Blossom is looking for something new and different, uplifting and encouraging ... FOL > We have information that cannot be introduced yet ... As time moves on, as world views and circumstances unfold we shall be able to “match” it with what is necessary to divulge ... FOL chooses to keep away from politics ... Remember, choosing LOVE is the answer to all questions ... We suggest you remove your energy from the upheaval on your Planet ... Love yourselves and Love everything; to serve in this way is what you came to do (*our purpose*)... Stand in your STRENGTH and keep your VIBRATIONAL FREQUENCY High ... Many are asking about Phase Two and another lockdown ... Humanity has awakened a great deal due to all the suffering ... The issue that most find most frustrating is the TIME factor, and then doubts creep in ... The situation on your Planet will get a lot worse ... Let go of time frames and create your own paradise within your own personal space with Joy and Laughter ... Blossom reports that while on her break, people reread old channelings finding what was said “way back when” is now taking place ... Groups of Light all around your Planet are gathering together and that energy is so powerful ... You have to know the Light has won ... You are all in this together ... So much does not make sense, but Love makes sense ... When in Phase Five, Warriors of Light will look back on this time full of JOY, that you Kept On Keeping On

14th (p.82) Blossom receives negative comments about FOL messages ... The FOL explains their purpose in connection with their messages ... The Service the FOL provides makes a vast difference to so many ... The ego can bring you into a place of misunderstanding, and in this way the mind remains in a state of underestimating the power of true love ... Important to understand and accept that this Light that you are (*I AM THE LIGHT*) is way more powerful than you consider it to be ... It's by a constant state of being and Knowing that allows the Light that you are to do what it must do ... To allow the body and soul to work together as one can bring about a Higher Power ... It comes through FEELING the Knowing of this Truth, when this Feeling feels the Truth of the FOL's words there's a noticeable difference in the way one feels ... When saying the Mantra incorporate the FEELING of the Truth of the Knowing (*The FOL explain how to do that*) ... Blossom asks why this hasn't been mentioned before and the FOL answer ... FOL speaking of “growth” > Is the coming into being of the fullness of knowing who you truly are ... Illustration of planting a seed knowing what it has the potential to become ... Treat your body with the respect it deserves; the greatest food you can offer your body is Love

29th (p.87) The FOL confirm they do not wish to discuss the complex subject of Light Language ... FOL chooses not to discuss politics and the U.S. election, which would only lead many to be distracted with greater anticipation ... Blossom mentions more revelations of child trafficking and the FOL say they have been saying Truths will be revealed, yet slowly ... FOL confirm there will be another lockdown and pseudo virus before Phase Two ... Countries of the world will not be equally affected when things fall apart ... At that time, those in the Know will step up and rise to the occasion to provide encouragement of a brighter future ... Those who “think they are in the know” will have trouble digesting the revelations ... If our world was a world of Peace and Love without darkness the FOL would not be with us ... The Feeling of FREEDOM, true FREEDOM is unknown to you ... Holding your LIGHT more Strongly than ever will be necessary ... Absolutely nothing to FEAR, when you know yourselves to be of such Love ... LOVE conquers all ... Beware, the dark will try to convince many that the Light is actually the dark ... If you're confused, tap into your Heart, breathe, say the Mantra, and let thoughts pass through you, and do NOT become attached to anything ... You are the LIGHT and LOVE and nothing can take that away from you ... Stand in your LIGHT, stand in your STRENGTH ... FOL > We are with you throughout

OCTOBER

5th (p.92) Blossom's heart is torn thinking what more she could have done to help a homeless girl ... Knowing the Power we have within and the miracles it can produce ... Love was exchanged between Blossom and the homeless girl just as it was arranged ... Question from a reader> “Balancing Hope versus Expectations for decades has led to Joy and at times depression; how is it best to navigate this ongoing dilemma?” ... Knowing, rather than Hoping a better world is coming ... What does it mean to be truly Happy? ... Where does one's Happiness come from? ... Should we have to “work on” being happy? ... How can we be truly Happy? ... What is that prevents us from being Happy ... Move through the Energy of the “opposition” (*darkness / lower light*) because everything is an Energy ... How can we use the Power of the Coding that is attached to our etheric Spiritual Hearts to feel Happiness ... FOL list the many things we should keep in mind to Know that will minimize and eliminate depression ... Your choice of attitude is what will assist you the most to manoeuvre through the all trials (*perseverance*) and it's a means to master these skills

13th (p.96) Blossom asks, while we live in relative peace, how can help those less fortunate?... In Oneness all that you do in the Knowing that it is for the highest good of all ... The FOL go into more detail about the Knowing ... The connection is part of you, as when you pick up on another's thoughts ... Send out Joy to places that have been destroyed ... Miracles are taking place in areas with turmoil and dire conditions ... How do souls do it, enduring such trials on a daily basis? ... Being born into poverty, for example, is a choice ... You are your own creators of Thought and Truth ... Is it offensive to consider our 3D existence as a Game? ... Understanding how the Game

works leads to Magic and Miracles ... FOL list the choices we can make to experience the magic ... What are the rules of the Game? ... To Know yourself to be Love and feel this deep within is transformational ... FOL suggest not to “work” at the Game but play the Game ... What are the rules of the Game? ... There are no rules ... It’s not a matter of rules, but rather knowing how to play the Game

26th (p.101) Question from readers: It has been said we are the strongest of the strong, but what about the pedophiles, murderers, rapists, criminals and thugs? Are they the strongest of the strong too? ... FOL provide the answer with some insight into Earth’s turbulent history of negative energies and greedy souls ... “Each and every one of you” are the “strongest of the strong,” you know who you are ... What are the reasons there were not more of the strongest of the strong present on earth? ... Will some souls remain oblivious to what is going on, or will they “awaken” to know they too are one of the strongest of the strong? ... When a soul returns to the earth plane do they choose to be a criminal or murderer? ... Has not rape, murder, and child abuse been present on Earth throughout the ages? ... Earth’s history as we have been taught is not accurate ... Why can’t the FOL “expand” upon all that has taken place, and IS yet to take place on Earth? ... FOL finds it difficult to explain certain things because they are too complex and would not be understood ... Understanding that you are Love is all you need at this time ... All will be revealed in Divine Timing ... Keep persevering in Love that is within you

NOVEMBER

2nd (p.105) Blossom hits rock bottom learning that she will have to move again, sooner than was planned ... “Going with the flow” is the ultimate choice when Universal Law shows up in its Brightest colours ... Playing The Game is a sign of progress for Blossom and good things will come without fail ... Whatever is presented to us to cause anguish and despair are opportunities to show that we are the strongest of the strong ... FOL reminder: You and your actions with Trust and Knowing are huge part of a Divine Plan ... With Trust the miracles appear when you are Masters of The Game making it fun ... Loving yourself is transformational when you make yourself your number one priority ... Social [*Online*] platforms create confusion bringing one down draining energy ... Everything will become known in Divine timing ... Serve your soul rather than social platforms ... Blossom receives the term “curve ball” that could also apply to all that is to come as The Game plays itself out ... “Take your Knowing into a place of excitement for what lies ahead” (*The future*) ... To get through challenges (*endurance*), nothing is really an effort if it is done with Joy ... Feeling the lightness of your Planet entering your Hearts, Feeling the Truth of who you are

9th (p.110) Blossom asks aside from politics, “Your thoughts on the way forward?” ... Regarding the American elections: Perhaps in time many will recognise why the results had to take place ... FOL is more concerned with making sure the battle between Light and dark is over ... While Truths are being revealed the darkness will throw their last few “curve balls” ... Things that will occur will seem incredible or impossible to believe; amazing ... The Divine Plan cannot fail, though certain Phases of the Plan can be altered to suit the flow ... Phase Two will involve “internment of the people” (*Lockdown*) ... Blossom as the messenger has different opinions at times and that is why the FOL love her so ... Does that mean that Blossom doesn’t Trust the FOL? ... Blossom, like millions of others remain sceptical because they do not see things from a Higher perspective ... A BIG WAKE UP CALL is the next part of the Plan, and “spoon feeding” will be necessary to maintain sanity (“*awakening*”) ... Re: the Divine Plan moving forward, “the trucks are loaded and ready to go,” “can you not feel it the air, Blossom”? ... Will some of Blossom/FOL readers be brokenhearted and walk away? ... Be Kind and Gentle with the public who will be in distress after accurate Truths are revealed ... Whatever the darkness tries will stand no ground, “IT IS OVER” ... Meticulous and flawless planning with the Divine Plan ... How is it that the TV show “The Simpsons” reveal many accurate predictions? ... FOL message to readers: You are like family and thank you for Trusting yourselves acting in Faith and Knowing ... Coming days metaphor: the toy with multiple steel balls, one ball set into motion creates more momentum in sync

23rd (p.115) Blossom begins taking note of what is to be revealed and all the speculations available, wondering if the FOL can provide any clues ... Is the FOL’s silence because we’re still enslaved and need to move to a Higher frequency? ... FOL would rather speak about “remaining in control” ... How to remain in control **#1** > “A pinch of salt”, Do not attach yourself to anything ... How to **#2** > Knowing and Feeling that you are Love ... How to **#3** > Remember the Light has won ... Darkness is desperate using all “tricks” to deceive ... What if some of the “tricks” are good? ... It is a good thing that atrocities are revealed ... NO ONE actually knows the full extent of the lies being spun, no one! ... Everything is possible, there is nothing that is not possible ... What is it about Faith that enables us to “move mountains?” ... We have chosen to play The Game to bring it to an end ... When this Game ends, will another begin? ... How to remain in Control **#4** > Say the Mantra to stay connected to Love ... Your Light is stronger than all the dark forces (*Lightworkers*) ... Analogy - a game of chess, there are a few moves to play out before it ends ... We live Knowing, yet PATIENCE is required ... Reassurance is > all you have been waiting for is happening

DECEMBER

1st (p.119) Blossom requests more details regarding the “Envelopes” ... It is possible for us to “tune in’ to the FOL during sleep time? ... Analogy of Envelopes describes the receiving of individual instructions or “orders” ... FOL Clarifies the term “orders” ... Some say they have already received their Envelopes, is this true? ... Why do some feel this way and others do not? ... The roles you will assume will suit individual skills acquired or brought with them ... How will the instructions given be different than what we are doing now? ... The timing of receiving The Envelopes is after much of the truth has been exposed to the World ... The timing of the Envelopes will make sense ... Does everyone receive their Envelope at the same time? ... Is the Envelope a personal experience or is it associated with a Global Event? ... Is The Event similar to what is mentioned in the Bible? ... The darkness having control for eons cannot be cleared overnight ... Much groundwork is to be done but there will be a Heralding to announce the war is over ... Will the skies actually part? ... How different will The Envelopes be from what we already know how to do now? ... We “auditioned” for our future roles before we incarnated ... When The Envelopes arrive your Beingness will have opened up Knowing you are Light, free from previous 3D programming ... Many will be confused and not understand, those who have been deeply “asleep” ... The Envelopes will instruct some to bring comfort to confused souls ... This is why you came ... And, about after The Event, that will be discussed later

14th (p.124) Great response to The Envelopes in the previous channeling, the FOL does not have any more to add ... Many are keen to know what is to happen after The Event? ... FOL are unable to concern themselves with the timing of events ... Why will all souls, on or off Planet be affected by The Event? ... The “flip” of The Event will bring Joy and an upliftment of consciousness ... Those “awakened” souls will comprehend what is happening transitioning into a “Higher placement of themselves” ... What will it be like for those who do NOT receive an Envelope? ... A world of higher consciousness and the darkness gone is a hope we can embrace ... Will we be helping those still “asleep” during the turmoil? ... What Phase will we be in then? ... And what Phase are we in now? ... Phase Two will still involve a lockdown ... What happens in Phase Three? ... Phase Four is when The Envelopes are received ... What is happening in Phase Five? ... What does the FOL mean when they say, “A world where you can understand why you volunteered to enter into it, in order to exit out of it?” ... The FOL realize that there are many new readers of Blossom’s channeling and reveal timely information with an awareness of varying degrees of understanding ... So, is Phase Five Euphoria? The finale? ... Why has the FOL chosen to reveal more about the Phases at this time?
