No. 1

7 January 2024

Happy New Year, Guys. It seems so long since we communicated in 'this way'. I'm raring to go ... as are you, I feel?

Indeed, Blossom, we are. Welcome to Each One, and welcome to you, Blossom.

Suddenly I can't keep my eyes open. So much for raring to go!

Knocked out for an hour. Please be ready now ... I can't fit you in this week otherwise! Are you there and why knock me flat out like that?

Yes. We feel perhaps an apology is necessary. For although you were ready, we needed to make some adjustments to your Energetic Vibration as it was not quite in sync for us to communicate.

In what way? We don't usually have a problem. Yet, you have knocked me out before, so I wasn't worried.

For now, let us continue with our chatting and perhaps this matter will come to Light.

I have an hour ... we should just make it ... Go for it.

It is hard to describe in words sometimes, that which we feel is important to say. We do not wish to disrupt or have our words misconstrued.

Well, let's both do our best and see what happens.

It is necessary at times to speak of matters that may not be so Light filled ...

I'm listening!

IT HAS COME AROUND FOR LEGACIES TO BE FULFILLED.

It was ordained in days long, long, ago, that at a certain crossroads, decisions would be made as to the way forward depending on the trail of the path behind! Which would dictate structures to be placed in order for corrective patterns to abound.

Do you mean structures literally/physically?

We do not. We mean regarding Plans forward that will change the course of much that is taking place RIGHT NOW upon your Planet.

No wonder you knocked me out ... this feels HUGE!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Blossom, it is not that you or any other Soul on the Planet need be concerned. For as you are well aware, the DIVINE PLAN is in place ... and serves many opportunities that may be presented.

The question is ... which one is to be ignored and which one is to be adhered to.

That's only two! Sorry!

That is quite alright, Blossom. Yet, we would say now, at this particular crossroads, one could turn left or right.

Obviously metaphorically. How drastically different are the pathways?

Intensely.

I can see and feel why this is difficult and understand that you cannot tell me what lies ahead either way.

This is correct. This is not to tease, yet, as you know, if you were to KNOW things that are not correct for you to know ... your thoughts and actions on a matter could change everything.

So, who decides?

An Energetic Pull.

By whom?

The Universe at large.

Far out Brussel sprout! So, do you mean 'you, also' have to wait and see which way the wind blows, which actually wouldn't make sense considering what you have said in that decisions have to be made?

Yes, Blossom, it does. For the decision is made by the Universe.

I'm struggling to follow.

We are struggling also, to convey.

I know, my head is scrambled with thoughts of ... nothing!

Let us perhaps try another tactic ... another route.

NO MATTER WHAT IS TO TAKE PLACE IN DAYS AHEAD ...

KNOW THAT IT WAS A DECISION MADE THAT WAS BEST FOR MANKIND AS A WHOLE.

It was the best advancement in order for 'THE OUTCOME THAT HAS ALREADY BEEN DECIDED' to come to fruition.

By the best, we mean the smoothest path and yet, this is where the dilemma lies, as either path is not one of plain sailing.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, with respect ... although we know we are changing the world and moving it into a Higher Vibration, you have always said there is to be much turmoil that lies ahead ... so this isn't new news.

Correct.

And how can legacies be fulfilled if there are choices to be made by the Universe itself?

Because it was the Universe that put these legacies in place. Keep in mind, Blossom and All ... we are speaking of the UNIVERSE ITSELF having put forward these legacies in order for when the time comes ... to choose which is the correct one to be put in place ... depending on 'the state' of your world at this given time.

There is no greater intelligence than the Universe/The Divine /God ... depending on your choice of understanding.

Therefore ... in the KNOWING THIS TIME WOULD COME ... as we say ... opportunities would present and decisions would be made.

You can see, Blossom why it is so difficult to explain. For that which we are trying to get across to you, is beyond the spoken word.

The thing is ... within the energy you are bringing through ... it indeed, feels a REALLY POIGNANT matter ...

IT IS.

Yet, we cannot do anything about it, for it isn't up to us.

This is also correct. Yet, we felt the need to 'let you know' that at this time ... RIGHT NOW ... your Planet and which path it is about to embark on ... is, shall we say 'hanging in limbo!

There are a few more 'issues' Energetically, that shall determine the outcome and when they have been 'ironed out' or 'fired up' ... then the Lights will go from Amber to Green.

How will we know the decision has taken place ... if we are not allowed to know what it is?

Because the presentations that will be divulged will show you.

And presuming we will never get to know the alternative?

Not for a very long time.

Mm! To be honest ... before I began, I thought I would read over the first message of last year ... which was very encouraging and Bright. This isn't really a fun, Light, uplifting message to see us into 2024.

We cannot apologize... for this is the message we choose to convey.

It feels rather daunting.

Depending on your choice of perspective, Blossom.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We have repeatedly said that there will be a great churning within your world ... we have never denied this ... and this year, particularly, we would certainly say 'Hold on to your hats!'

You haven't said that for a very long time.

Yet, we say it now ...

Forewarned is forearmed ... as you say in your world.

Of course, it is not our nature or our desire to make you feel uncomfortable ...

YOU HAVE NOTHING TO FEAR.

YOU HAVE BEEN PREPARING FOR THIS AND YOU ARE STRONG ENOUGH TO DO WHAT YOU HAVE TO DO.

THE UPHEAVAL AHEAD WILL ALLOW YOU TO DEMONSTRATE HOW READY AND STRONG YOU ARE.

THE CHANGES THAT ARE COMING ... ON EITHER PATHWAY CHOSEN BY THE UNIVERSE ARE THE WAY FORWARD.

THEY ARE THE WAY OUT OF THE MESS THAT HAS BEEN CREATED.

HOLD ON TO THAT KNOWLEDGE.

THIS IS WHAT YOU CAME HERE FOR!

NOTHING CAN REMOVE THE LIGHT THAT IS WITHIN YOU.

NOTHING.

So ... as future days unfold ... KNOW YOU ARE DOING WHAT YOU CAME TO DO.

As much as things may appear to be completely 'out of order' ... remember that the Universe would have chosen the path that puts everything 'in order' ... once everything settles back down.

And 'LIFE' WILL settle back down.

Most of us think the world has gone completely nuts as it is!

Blossom, as you say in your world, also, 'You 'ain't seen nothin yet!'

So, I'm feeling that this is all coming about 'sooner rather than later'. Even though your soon is a million years away compared to our understanding of the word.

Yes, Blossom ... you can feel the expectancy of the matter and this is why we felt it necessary to speak of it in this introduction to the new year!

KNOW ...

NEVER FORGET ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE Madder and more unbelievable things may become ... the closer you are to the ending of the world you have known and the beginning of the new one coming about.

Well, Lordy Lord! Certainly wasn't expecting that and not sure it was necessary to zap me out for an hour!

We felt the need, Blossom ... in order for you to follow the chat through.

Ok. Well ... Thanks ... Cheers ... Happy New Year and all that!

Are you discouraged?

Actually, no. Now we have come to the end of the hour, I can feel the energy changing and recharging me and therefore many ... in the knowing you said what you had to say. It wasn't easy for you or I, yet, Trusting it was necessary that it came through in this way. I don't feel it urgent yet, certainly IMPORTANT. That said then ... onwards and upwards ... any closing words?

YOU ARE THE STRONGEST OF THE STRONG OTHERWISE YOU WOULD NOT BE HERE.

HOW WONDERFUL IT WILL BE WHEN YOU WALK INTO THE HIGHER VIBRATION IN THE KNOWING IT WAS YOU ... EACH ONE OF YOU ... THAT MADE THE DELIGHT OF THE NEW GOLDEN AGE ... HAPPEN!

WE LOVE YOU!

In Gratitude. In Loving service ... I AM.

Later that day I zonked out for another couple of hours. Go figure!

No. 2

20 January 2024

Good morning! A question deriving from your last message, if I may? If the Universe is going to choose from two possible scenarios, to play out ... how does that affect the Phases? Let's start with Phase 2. Which let's be honest ... has had us dangling by a thread for such a long time? Thank you.

A Welcoming Wave of Love to you, Blossom and to Each One. Consistently we speak of matters that will affect The Whole. Yes, indeed, in your 'terms', it seems a long while since we originally spoke of Phase 2. Yet, in our terms ... not.

It is coming. It is on the cards, so to speak.

Yet, you cannot give us a time, obviously?

We cannot. For the exact timing is not up to us. In fact, none of which is to take place on your Planet is 'up to us'. Let us make that quite clear.

We come through you, Blossom, to guide those who wish to be guided through ... what many of you now are terming, 'Insanity.'

Because it is! Yet, from what you have said, there is much more to come?

Indeed. That which took place in the last few years upon your Earth was a 'testing of the water'. The 'experiment' did not quite work out as planned and yet, at the same time 'did the trick'.

Do you mean in scaring the bejeebers out of most of the population?

That along with many 'experimental' issues regarding the workings of fearmongering through control.

There is more to come.

Many feel it is all going to spark up again this year and there certainly are 'rumours' of a new 'death threat' under the guise of the 24th letter of the alphabet! The thing is, these days we hear so many 'possibilities' of what could lead us into Phase 2 and yet, here we are, still walking freely. **Enjoy it whilst you can.**

To answer your question ...

WHICH EVER 'PULL' THE UNIVERSE IS STEERED TOWARDS, WILL BE THE HIGHEST DECISION FOR THE BETTERMENT OF MANKIND ... AT THIS TIME.

It is not that one is of a pleasanter ride than the other. For in order for clearance of all that must cease to be ... there has to be the surmountable turmoil that we have spoken of.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I felt the need to check 'surmountable' ... 'To overcome /manageable.' I like that. Yet, why? Why can't we just watch the downfall of those of lesser Light on our tv's? Eating popcorn and flying flags? Why must we go through such a massive disturbance? As it seems, that which you have prepared us for WILL be massive. **BLOSSOM, IN ORDER FOR ONE TO COME OUT THE OTHER SIDE ... ONE FIRST HAS TO GO THROUGH IT.**

THERE IS SO MUCH TO BE GAINED FROM THE UPHEAVEL THAT IS TO BE PRESENTED.

KEEP THAT AT THE FOREFRONT OF YOUR MIND.

WHEN IT IS LEAST LOOKING LIKE IT IS ALL GOING WELL, IT IS THE TIME WHEN IT ACTUALLY IS!

So, are you still forecasting Phase 2 to be another lockdown? Many have let go of that thought and quite rightly so. Many say they wouldn't stand for it again.

THE FACT IS, BLOSSOM ... THERE HAS TO BE ONE.

THERE NEEDS TO BE ONE ... FOR PROTOCOL AND SAFETY OF THE MASSES.

Let us tell a story ...

Once upon a time ...

The situation that occurred at the beginning of your 2020 was planned by those who have the desire to depopulate. It had to be played out ... in order for it to do all that it did. The consequences were dia, from many perspectives.

However, and we do not say this insensitively ... if this had not played out ... it would not be possible for Phase 2 and the next 'incarceration' to take place ...

AND IT NEEDS TO TAKE PLACE.

It may seem that it has been organised, once again, by those who do not have your best interest at Heart. Yet ... perhaps this is not the case? Or, maybe it is? Yet, behind the scenes there is a much more sinister undertaking that those who think they are in control have masterminded.

We must be careful with our words here from a safety point of view.

Yet, behind the scenes of behind the scenes ... there is the Divine Plan!

Oh Phew! I'm glad you clarified that, as when the word 'sinister' came through ... I had to question where the rest of the sentence was heading.

So, perhaps the story continues in the FLOW OF KNOWING that although Phase 2 may look like it is under control by those who seek the demise of the human race ... it is serving a much Higher purpose that will become apparent once the plan is underway.

So, you are saying Phase 2 is a good thing and necessary?

Yes. We are. For the path it shall take will take a sudden 'twist and turn' and in doing so, one's eye's will almost pop out of their heads in disbelief.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

In this you mean ... Truths being told, as you have said before?

Correct. Yet, as we have also said before ... that which is to be told will be of a much greater deception than one assumes they know of.

Hold on here. Let's double check on that. To clarify ... You are meaning that we will be told of a huge deception that has been going on? Not that what we are going to be told will be of great deception ... if that make sense?

Correct again, Blossom.

I sort of feel this is on the cards and the cards are on the table. It feels close as I type, yet, is that just because I can feel the Energy of its reality?

We would say that these possibilities go hand in hand.

Well, you know me ... with respect, taking this with a pinch of salt regarding the timing. As for the rest ... so often it all seems so farfetched. Yet, so would our last three years, if we had been told that five years ago. We can only 'wait and see' ... and in the waiting, carry on being the stalwart Souls of Light that we are.

AND YOU ARE.

The thing is when you look back throughout history, assuming 'some of it' is true ... there have been continual catastrophic goings on, involving the lack of respect for human life. In those times ... were there not Souls like us? Light anchors? Doing the same thing to bring in the Light with the intention of changing the Vibration of the Planet?

Blossom, you and many millions of others have been 'alive and well' during atrocities that have played out over time ... and yes, indeed, BEING LIGHT ... yet ...

THIS IS DIFFERENT.

VERY DIFFERENT.

In those past days it was not the time ... the Planet was not ready to do what it is about to do.

Goings on, on your Planet had not reached fever pitch.

Yet, 220 odd thousand could be killed by the Hiroshima bomb in one hit ... is that not considered fever pitch?

Incredibly ... no it is not.

The dark thread has weaved its way into a great many more hearts. Many have been sucked into the web of evil. Many who had no desire to do so, yet, found their way into fame and fortune this way ... and then it became too late for escape. Temptations of luxurious lifestyles lured many into the web and once trapped, they had no escape.

THIS CLEANSING THAT IS TO COME WILL CHANGE EVERYTHING.

IT IS THE FIRST TIME EVER, THAT YOUR PLANET HAS THE OPPORTUNITY TO BE LIFTED INTO GLORY, ONCE AGAIN.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THIS CAN ONLY HAPPEN BECAUSE OF EACH ONE OF YOU.

COMING HERE TO DO JUST THAT ...

CHANGE THE ENTIRE VIBRATION OF THE POPULATION.

Not everyone is ready for that.

THEY WILL BE. THEY WILL HAVE NO CHOICE.

FOR THAT WHICH IS TO UNFOLD WILL BE SUCH A SHAKE UP ... SUCH A WAKEUP CALL ... THAT THE AFTERMATH ... THE OVERALL OUTCOME WILL BE FOR EACH ONE TO WALK INTO THE LIGHT ... AND THE LIGHT TO FOLLOW WILL BE SO BRIGHT THAT EVEN THOSE WHO HAVE BEEN 'LAZY' UNTIL THIS TIME ... WILL CHANGE THEIR ATTITUDE ENTIRELY.

Explain 'lazy'?

Those that have been sitting either behind or on the fence. Those who have not taking action for themselves. By this we mean ... those who have been slow to 'find the way home'.

Yet, isn't it that each one has the right to walk their journey as slow or as fast as they choose, in order to gain what they need to?

We are not condemning this 'sleepiness', Blossom ... we are just saying that in order for EVERYTHING to change, there will be many MASSIVE wake up calls, so that it would be nigh on impossible for Souls to remain asleep.

When they awoken to the Truths ... and the same goes for those who are already awake ... there is to be such a surge ... such an input of Determination and Strength to march forward and bring your World back into balance.

WHAT IS TO COME ... WILL BRING SUCH A REALISATION OF WHAT HAS BEEN ... THAT THE STIRRING WITHIN THE HEARTS AND MINDS OF SOULS ON YOUR PLANET WILL BE SO POWERFUL ... SO UNITED ... THAT THERE IS NOTHING THAT WILL STOP EACH ONE FROM STANDING IN THEIR TRUTH.

You speak of gatherings of your TRIBES.

So many now are finding their Tribe ... in a way as never before.

Yet, each of these Tribes belong to the ONE TRIBE.

THE TRIBE OF LIGHT ...

Can you imagine when millions more of you KNOW YOUR LIGHT?

When millions more of you feel your Truth and speak the Mantra?

I AM THE LIGHT.

I AM THE LOVE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I AM THE TRUTH.

I AM.

It's a wonderful thing to imagine. Really? Will millions more be saying this Mantra?

Yes, Blossom.

Really? That is amazing. Really? Or, do you just mean ... words to that effect?

We mean 'Those exact words'.

As many of you know ... the Power that lies within this phrase 'changes your Vibration' instantly.

Therefore, the more this Mantra spreads, the quicker the Vibration of the Planet lifts.

I assume there will be many other Mantra's that do the same?

Indeed, Blossom.

We are not saying that the I AM mantra is an exclusive, members only club ... and only those who know of it shall have the benefit.

FOR INDEED, MANY MANTRAS AND EXPRESSIONS SERVE THE SOUL IN SO MANY WAYS.

We are simply stating that this particular 'I AM Mantra' that we bring through ... has the potential to reach more Souls, that you, Blossom, could ever have imagined.

Well, how Lovley! I will add it to my list of 'Lets wait and see's'. Thank you, as always chaps! Meanwhile, life goes on ... and 'We Warriors of Great Light' keep doing our thing the best we can ... as we change the world.

And Each One must KNOW this as TRUTH.

For it is within that KNOWING OF TRUTH ... that the process accelerates.

WE HONOUR EACH ONE.

WE LOVE EACH ONE.

In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 3

27 January 2024

Hi Guys. How's it going? What shall be our topic for today?

Welcome, Blossom, Welcome, All. We could say the World is our oyster, yet, that is not the case, for there are many subjects that we do not wish to speak of, for varied reasons.

We do not enter into political views or surmises. We do not consider this to be of benefit, even though we look upon all that is going on within the political system as part of The Plan ... it does not serve for us to put our point of views across, as it is for Each One to follow their Heart in these matters.

I am not able to comprehend politics. I could not hold a debate about them if my life was at stake. It just does not compute for me, so that could be another reason you don't talk about it.

No, Blossom, it is not. It is simply our choice to remain silent on such matters. We do not feel that to speak of such things holds the Vibration that we wish to transmit, and yet, it is an obvious observation, reading between the lines at times, that those in power are very much interwoven with much that we discuss.

You see, Blossom, no matter what is to take place, it isn't actually about 'who' is behind it all ... it is about YOU ... EACH ONE ... adapting to new situations that occur.

When you take into account your last few years, there was a great divide of opinion as to what was good for one to do and what was not.

It shall be the same with that which is to come. Depending on any 'news' that is given, each Soul will derive from it, that which settles or unsettles them.

That which is to unfold will be far greater a controversy than what has gone before. Therefore, the conflict of opinions between Souls will differ greatly.

What YOU will benefit from is your steadfastness in LOVE.

Repeat the Mantra over and over. It anchors you in Strength. It supports you.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THERE, ONCE AGAIN, SHALL BE A GREAT DIVIDE.

There shall be those who believe that they must do as they are told ...

Those that absolutely disagree with what they are told ... and ...

Those who have no idea either way.

All one can do ... is BE within it.

YOU BE ... YOU ... within every moment of your day.

When you awaken to each new sunrise, YOU BE ... YOU.

YOU manoeuvre throughout your day, breathing and taking action with each new breath.

One phone call could change your life and you 'do what you have to do' depending on the nature of that call. You cannot not do anything, for life moves on within each of those breaths that you take.

What is to come should be 'handled' in the same way.

WHATEVER IS TO OCCUR ... YOU WILL GET THROUGH IT.

I know you cannot tell us what it is ... yet, most of us desire to just get on with it so we can move through it and come out the other side.

And you will ...

I feel we are speaking of Phase Two?

We are.

Well, rather than persiflage on about the same thing, we shall just wait. Nothing else we can do ... and when something kicks off, we can look into it more then. It seems you have said what you can about it and that's that. So, moving on. I have seen a video where quartz crystals are emerging through tarmac ... can we talk about that?

That would be pleasant to do so.

We would say it is a sign of the times. In one sense it is significant in the metaphorical state of 'Everything coming to the surface'. All that lies underneath HAS to be brought up. It has to come into the Light.

Do not look upon these Crystals ... or indeed any others, as non-thinking, non-active pieces of unique beauty.

Woah ... I know crystals hold much knowledge, yet ... non-thinking? Did we get that through correctly?

We did.

Can crystals think?? Surely not!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Crystals are of the Highest intelligence. They hold secrets of the Universe. They are attuned to that which is of the Highest Knowledge.

They have POWER within them, which when understood and activated can lift your own personal Vibration way beyond that which you thought possible.

Crystals are your friends. Many of you have your own and you charge their Energy with your Love. You feel they are charging yours. It is a two-way friendship. There is much that the majority know as common Knowledge regarding these Light holders. They become a personal tool and serve well.

However, ... to speak of Crystals that have not yet surfaced, is quite a different matter.

We have spoken in past days of the connectedness within Each One. How, when the time comes, they shall communicate with one another and create an Energy that will spark and activate, not just themselves, yet, Mighty Monoliths ... Grids that are unseen ...

WHEN 'ALL THE DOTS JOIN UP' ... THE POWER OF SUCH WILL BRING ABOUT A SURGE OF ENERGY THAT WILL SET OFF A NEW POWER GRID ... A NEW FORCE OF GOOD/GODLINESS THAT YOUR EARTH WILL BE READY FOR ... WHEN IT TAKES PLACE.

I can visualize it in my mind like a movie. Underground laser Lights running throughout the Grid, setting each Crystal it touches into motion ... when I say 'it touches', what is 'it'?

SOURCE POWER BLOSSOM.

Many times, we have spoken of 'This experiment. This Game' that you are in.

You have machines for amusement that once enough buttons have been pressed and a number has been achieved, Lights flash rapidly, bells ring ... Everything is on full alert. In a sense, it is like this. A certain point must be reached within this Game, in order for all that is waiting to be activated ... to 'go off' ...

IT IS THE TURNING POINT!

ONCE THIS TAKES PLACE, THERE IS NO TURNING BACK.

Let us confirm ...

THIS IS A GOOD THING!

You spoke of it once before and even today it feels good and very exciting ... and yet ... such a long way away.

It is indeed, in your future days, Blossom. Yet, it is important to remember that this is where your World is heading ... and with each breath, as we say ... you are getting closer and closer to such a transformation.

There has to be a Vibrational Frequency reached in order for this to happen and when it does ... it will change that Frequency, by all the activation, into a MUCH GREATER ONE.

Imagine as if the connection of all that is 'programmed' ... when it is time ... will lift the veil into a Golden

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Land.

Will this be after Phase Five? You said there were five Phases. Dear Lord, at the rate this is all playing out, even those who are being born now will have popped their clogs.

This is not so, Blossom. We have said and more than happy to say again, that once in Phase Two ... the Plan will play out at a pace that will leave Phase One in a trail of dust behind it.

Well, that's encouraging ... I think! ... and the other Phases?

We cannot give accuracy. For the following Phases ... will take place/can only take place ... when the 'outcome' of Phase Two has settled and your World is able to move forward from there.

You have said Phase Two will reveal many Truths, which will bring about much turmoil. Will that not take a very long time in order for that to settle and folk ready to move on?

Yes. Yet, the changes that shall occur due to these reveals will also bring about much stirring within Each One and within that surge, urge Souls to find their Inner Strength. To make decisions that they would have normally not had the 'Energy' to be bothered about.

These Truths will bring about such an awakening to so many, Blossom ... your World could not possibly be the same again.

The weird thing is ... even though all this is spoken of and has been for so long ... it still seems so surreal. I know I keep saying that ... yet, so much of it seems 'hearsay'. I guess one day ... it won't and we shall be 'in it' ... knee-deep.

Yes, you shall. Yet, again we reiterate ...

THAT WHICH IS TO COME IS NOT A BAD THING.

It will appear that it is ... when it all begins and yet, very quickly, one will realise that there is a 'sensible reason' behind it ... and as one moves further into it ... the rate at which things begin to amp up will ...

Blow my hat off and blow my blouse up at the same time? Oh, bring it on. Bring it on. Bring it on! My concern being ... and not wishing to be a negative Nellie ... that I still might be asking this, same time next year!

So much is unfolding at a quickened rate. So much that you are unaware of ... for it is being accumulated and categorised in a very detailed order. There is much to be presented and it needs to be done so in an order that can be understood ... so that sense can be made out of it.

One cannot be thrown to the lions, so to speak in this matter. In this we mean ... being told 'randomly' everything that has to be told.

THIS REVEAL IS METICULOUSLY PLANNED IN ORDER FOR THE HIGHEST OUTCOME TO SERVE THE WHOLE.

THE HIGHEST OF INTELLIGENCE IS INVOLVED FROM BOTH ON AND OFF PLANET ...

TAKE COMFORT IN THE FACT THAT THEY KNOW WHAT THEY ARE DOING ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

TRUST IN THAT.

IT SHALL MAKE SENCE WHEN THE TIME COMES.

Oh, I am sure it will. How pigheaded we all are really, to think/assume/ we know better. It will be ... when it will be ... and not before ... whatever 'it' is ... and ... we shall be ready, as we are now ... to fulfill our promise. Thanks, chaps! In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

3 February 2024

What Ho, Chaps! So many are speculating that something is 'about to go down'. Something big is about to take place. People are saying they can just feel it. I am wondering if this is simply because of build-up of chat, and it will all die down again, or, if ... could it be? ... Like, for real?... Something actually could take place on a scale of 'HUGE'!

Welcome, Blossom. Welcome, Each One. Consider this ... at some point ... something has to happen! So much build-up, indeed. Some of it inaccurate, some of it spot on. It is for one to educate themselves on what is trivial and unimportant and what is of High informational quality and to be adhered to.

You see, Blossom ... no matter what it is that is to occur ... you are in place ... in a position to meet it head-on, and see your way through it.

Each one of you equipped with tools to do so.

The walls of fear are crumbling as Souls rise up and say 'No more!' This is not received gladly by those who 'thought they had it covered'.

As strength from The Light Sources/Forces gathers, it is inevitable that the darker energies are falling at a fast rate.

As their dominions crumble, so too, does their grip over all that they enslaved.

The end days are here for them to endure and receive consequences.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THIS YEAR THAT YOU HAVE RECENTLY ENTERED INTO, IS TO BE ONE OF GREAT CHANGES WITHIN THE STRUCTURE OF SOCIETIES AND HOW THEY HAVE BEEN CONDUCTED.

Naturally, for these 'types' of changes ... much has to be carefully put into place, so as to cause as little upheaval and unsettlement as possible.

Can you elaborate on the 'structure of societies' bit, please?

Blossom, as so many of you have become aware of ... there has been a ruling over your people, that has kept one 'at bay' without their knowledge. Yet, as more and more souls awaken, so much of these diabolical behaviours caused to humankind are becoming more apparent.

There is to come a time ... when this shall cease to be.

When the 'Good Guys' are in place for one to see, believe, and therefore ... TRUST.

That's a pretty profound statement. We know the 'Good Guys' have been working behind the scenes, yet, I am aware we know not half of what that actually entails. Is it that you mean the same as 'Truth's coming out'?

Yes, Blossom. For these Truths have to be revealed by those who are to ... 'take charge/are in charge of ... the days that are coming.

Ok. Not sure if you feel ok to answer this, yet, I have to give it a go. Just WHO ARE THE GOOD GUYS?

That is indeed a 'loaded' question, Blossom. The 'Good Guys' are a large component of an even larger component, of an even larger component ... that are of, not only the Highest intelligence, yet, of the Highest Light of Consciousness.

The Souls involved were meticulously chosen and groomed for the greatest task that they were to be assigned.

We have spoken before of Souls on and off Planet that have devised and created a Plan that is so intricate, so incredibly complicated, so brilliant that it cannot fail.

All meetings and gatherings that have taken place regarding the bringing down of the so-called 'elite', have been underway for many years. The planning of this Victory has involved masterminds of the Highest calibre in order for The Plan to be carried out in such a way that ... as it falls into place ... the Brilliance of it is unsurpassed, without question.

You see, Blossom, it has had to 'appear' as if your World is run by those of great darkness ... and indeed, for so long this has been the case. Yet, projects have been implemented, whereby infiltration has successfully proven to make use of that which those who think they have it all in place, have in actual fact ... been useful in providing the foundations of what is required for the Plan to move forward ... in the right direction.

I think I follow you.

Keep in mind, also, that although it may appear that plans are not going in the right direction, they actually are. There have been 'compromises' agreed upon in certain circumstances, that allow for many prominent leaders to 'play the game' to make it look like 'they are in control' and yet, behind the scenes,

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

it is they that are now the puppets ... and their strings are being pulled by the very group that are to emerge in full glory and reveal much of the masterminded Plan that is to allow for all the vast degree of changes that are to be implemented.

Woah. That's a mouthful. I feel it is too complex to go into detail and also, that you are not prepared to?

This is correct. Yet, know, Blossom, that there is only so much that can and will be revealed, in ...

Order of appearance? Is that what you want to say? Really?

Yes. Really. Yet, we do not 'necessarily' mean as a 'cast of people' ... although to a certain extent that is the case. We mean in ways of that which is to be revealed, to be done so in the correct order, for not only matters to be digested correctly ... yet, for matters to flow and make sense. This is what we mean.

There is so much many are aware of that we assume 'will' be spoken of. Yet, what we know of today covers such a vast spectrum, that in order for the uninitiated to absorb all of this and so much more ... surely, it will take years for everything to come out? Otherwise ... our brains will blow up!

Blossom, this Divine Plan that you are in ... and will continue to be part of ... will be conducted in the best way possible. It, of course, has taken into consideration every possible 'response and reaction' that one can possibly think of. There will be 'collateral damage' to an extent, that cannot be avoided.

One moment. I felt the need to confirm this ... 'Collateral damage'... forms of damage including deaths and injuries that are a result of the fighting in a war but happen to people who are not in the military. Is this right?**Yes. It cannot be avoided and yet, KNOW that this will be of the smallest 'collection'.**

What do you mean by 'collection'?

Those who in the 'Greater Scheme' have agreed to be removed from the Planet at this time, in order to Serve The Whole.

In order to move forward this has to be carried out. Yet, in comparison to how many would be removed if the Good Guys were not in control ... it is very little.

We ask that you do not give this focus. We ask, as we always do, that you focus only on the Light -Love that you are, and standing steadfast within that Light - Love, in order to assist the Good Guys in this Divine Plan that you are all part of.

It is all so intriguing. We may think we know bits of how it may unfold ... yet, I don't think we actually do.

Blossom, Dearest Souls ... many, many, great happenings have taken place on your Planet throughout its evolution. Yet, this transformation is of the most unique.

YOU ARE IN THIS TOGETHER.

YOU CAN FEEL YOURSELVES RISING INTO A MOMENTUM OF KNOWING THAT SOMETHING IS TO OCCUR.

As Each One of you becomes Brighter and Lighter in the Knowing of yourselves, you can feel the excitement rising.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

For the wise ones ... the excitement is Joy and Encouragement.

KNOWING that you are at the forefront ... leading those who are still so sleepy into their own Knowing of themselves and in doing so ... the ENERGY BEING OF YOU ... and FLOWING THROUGH YOU ... will undoubtedly help you understand that ALL THIS ... ALL THIS that you have had to endure ... all the patience you have acquired ... all the unanswered questions ... all the doubts and fears ... ALL OF THIS WHICH YOU HAVE BEEN LIVING THROUGH ... WILL HAVE REASON.

Not only will pieces of the jigsaw magnetise into place ... yet, the FEELING OF UNDERSTANDING WHY YOU HAD TO GO THROUGH ALL OF THIS ... WILL FILL YOUR BEINGS WITH SUCH PEACE, SUCH LOVE, AND SUCH ... CONFIRMATION.

That certainly sounds encouraging. So many of us are waiting patiently for it all to begin ... even though we know it has. We just feel ready to 'Get in there ... boots and all' type thing. I say once again ... 'We the ground crew are ready and reporting for duty ... Sir!'

This we know. This is why you were chosen.

PRIME YOURSELVES.

Oh, I think we have been doing that for quite a while.

Indeed. Yet, that which is coming ... no one is prepared for. This is not to be taken into a fear mongering perspective. Not at all. Yet, when it happens ... there will not be one Soul who will not be shocked to the core.

Fascinating! I think I will leave it there. Feels right to do so. These communications, usually take me an hour exactly to do ... this has taken an hour and 10mins and yet, is not the usual 4 pages. I had to sit and concentrate quite intensely awaiting for your wording to filter through. As always, your words are carefully chosen. Well, this indeed was quite an exciting chat. Thank you so much. Any departing words?

YOU KNOW THAT YOU KNOW YOU KNOW ... THAT NO MATTER WHAT TAKES PLACE ...

ALL IS DIVINELY ORDERED AS THE NEXT PHASE PROPELS YOU INTO THAT WHICH HAS BEEN UNKNOWN ... INTO THE KNOWN.

The next phase? Bring it on. In Gratitude, In Loving Service, I AM.

Hello! How are you diddling? (A colloquial expression that you may not be familiar with.) Oh dear, I thought I'd best google it and it means to wander around aimlessly, I just discovered. I was just meaning 'How's it going for you?'

Welcome, Blossom ... Welcome to All. Thank you. In that case, we are diddling well. We are aware that many are not diddling so well. Due to a number of factors. There is a general air of fatigue at times, followed by one being ready to 'Get up and at 'em' ... we believe you say. You see, Blossom, we are able to access your vocabulary, as well as use words that you yourself are unfamiliar with and do not use.

Yep. Often, I know of a word you are using yet, have to check its meaning and always, always it fits perfectly in the sentence.

The fatigue can partly be blamed on that which is being sprayed into your air and that which is within your food substances, water, etc. In fact, most things that you deal with on an everyday basis are, as most of you know, designed to dumb you down in so many ways.

Add this to the uncertainty of what lies ahead and therefore, creating unrest within, it is not surprising that many feel as they do.

Personally, I am doing well. I guess what gets me the most, if I allow it, is the absolute madness that is taking place all over the planet in so many forms, and those creating that madness get away with it because they know that the majority of folk, simply have no idea what they are doing ... and therefore, allow it to be. Sometimes, I think the only way to stop it all is for every single soul to 'Put down tools' ... go out in the street and say NO MORE. I know I too, have said this all before.

Many are willing and are carrying this out Blossom, as you know. Yet, although there is great admiration for those sticking up for their rights, it may be causing a stir, yet, not enough to do the trick.

However, we KNOW that there is a Divine Plan underway ... and it has taken all this 'madness' in its stride and we tell you this ...

IT WILL END.

IT WILL STOP.

ALL THAT IS CURRENTLY DISPLAYED WILL BE REVEALED FOR WHAT IT ACTUALLY IS!

Think of it all as part of The Plan and when All, and we mean 'All' is in place, the amber light will turn to green.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, it seems that those of lesser Light, far lesser Light, continue to display madness and are getting away with it. Again, for us down here, we wonder just how much longer they can get away with it whilst we, it seems, become more and more weary as we wait.

Yet, KNOW THIS, Blossom and All. 'They' are not getting away with it. Their end days are playing out and this they know.

Then how come it appears that they are?

A level is to be reached of much that is 'looking this way' ... in order for the Truth to come out in fullness.

Mm! Question ... how best to word it. You say the Light has won ... does the dark know this?

Yes.

So, I don't quite understand why that which is looking like the opposite, i.e. the lesser Light is in control... still continues.

You will in time.

Yet, they still continue to be getting away with murder. Literally, and metaphorically. It is not easy for us ground crew to always 'sit back, shining our Light', knowing that these atrocities continue ... and also, be privy to what is being said that lies ahead for us. So much is fearmongering, I know, yet, the more this takes place, the more fear is created by those who are unaware. Sometimes, for me and many, when we hear what is going on, on so many dark levels, it is like we are living on different Planets.

Not different Planets, Blossom, yet, certainly, different Vibrational Frequencies. This is not new to your understanding.

Though, in order to keep our vibe high, which is our job, our responsibility, to counteract the dark and the confusion ... we almost have to shut out that which we may hear of because it is just too horrendous to imagine that children and adults alike must suffer so, under the Power of the dark. Especially as we are told it is all going to end. Of course, we send Love, what else can we do ... I guess we all want to see it STOP!

As we have said ... you will. Keep in mind that this Divine Plan ... is Divine.

No offense, I get this ... yet, hard to balance the mind in that Truth when we become aware of so much that isn't!

This Plan has been created by the Highest of intelligence on and off Planet. We have spoken of this, yet, choose to reiterate many times to try and assist you in understanding.

What we CAN assure you of, is that when all is in place to 'Go' ... 'Go' it will.

There is so much hype about it all at the moment ... so much build-up once again ... and all we can say is 'Who knows?' We have been here so many times and yet, this seems different. Yet, don't we always say that!?

Your patience in this matter is, without question, being pushed to the fullest degree.

Ya think?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Please KNOW that this of which we speak ... this 'TRUTH REVEAL' and upcoming 'lockdown' is to come about.

If you do not TRUST THIS DIVINE PLAN ... then with all Love and indeed, the greatest respect, we suggest that you no longer follow these messages. For if you feel they are not of Truth, it will not serve you well to do so.

It's not that many don't Trust ... well, I guess now, in these days ... many sit on the fence ... and to be honest ... to be really honest ... I sit on the fence, too ... And I am your messenger, for goodness sake! It is just that for sooooooo long ... for sooooooo, sooooooo long, we have done our very best to fight the good fight ... and we still could be waiting in two years time.

You will not be.

That's a profound statement for you, regarding timeline... which as you know always bothers me. We have lost our street cred so many times when speaking of time frames.

Dearest Blossom ... IT IS ALL SO VERY CLOSE NOW.

Yet, one must remember that with every action there CAN be a counteraction... and then that has to be dealt with.

Yet ... if the Divine Plan is going according to plan ... how can there be a counter-action for the good guys to deal with ... if the Light has already won? Surely the dark ones no longer have control to do any counteracting? Do you see my point?

We see your perspective. Let us try and help. If you were playing a game of, shall we say, Pickle Ball?

Now you've got my attention!

It may be that the score of the opposing team is so high, that it seems impossible for you to catch up and win. Yet, unless you are a defeatist ... you will keep trying your very best, with every tactic you know, in order to come out on top. Right until the last point.

Nice analogy. It helps ... sort of. I am feeling as we communicate, that the road I am pursuing today is not going to get me anywhere really. I sort of feel that this Divine plan is SO huge that until the next phase hits us in the face, we cannot really get to grips with it, because we don't know the half ... as the saying goes.

Correct. This is why we speak of the TRUSTING, Blossom. On one hand, before you came ... when Each One agreed to be 'part of it all on the ground' ... one would not possibly consider that they may not have the TRUST in this Plan. For they knew the outcome and that is why Each One volunteered. That is why Each One came.

On the other hand ... once down on the ground and memories of such erased ... the Trust can be lost and if not lost ... weakened greatly.

May we suggest that you allow yourselves right now in this moment to go within. This is not a 'woo woo' suggestion ... as some would say. This is for you, right now ... to FEEL ... FEEL THE TRUTH OF YOUR SOUL AND WHY YOU ARE HERE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Do not consider the why's, the if's, the maybe's, the maybe not's. Allow the mind to stop for a moment and FEEL ... as to whether you think that this DIVINE PLAN ... THIS TRANSFORMATION IS GOING TO HAPPEN.

DO YOU KNOW THIS?

DO YOU FEEL THIS ... DEEP INSIDE?

I have to say, for me ... yes. Let's face it ... if I didn't ... what would be the point of all this Light and strength that we know ourselves to Be?

Exactly, Blossom.

THERE IS A KNOWING OF TRUTH OF WHO YOU ARE AND WHY YOU ARE HERE.

IT LIVES DEEP WITHIN YOU.

It has been the purpose of the dark ones to bury that TRUTH, that KNOWING, under a barrage of lies and deceit. To bury that Truth so deeply, that only the smallest spark of Light could remain.

YET, NOW ... WARRIORS OF LIGHT ...

LOOK AT YOU.

YOU HAVE EMERGED FROM THAT PLACE.

YOU HAVE FOUGHT YOUR WAY THROUGH ...

AND HERE YOU STAND ... VALIANT AND BRAVE.

HERE YOU ARE ... READY TO FULFILL THE MISSION.

HERE YOU ARE ... THE STRONGEST OF THE STRONG ...

IN POSITION AND READY TO GO.

NEVER AGAIN TO BE PUSHED UNDER.

YOUR LIGHT NOW SHINES BRIGHTER THAN EVER ... BECAUSE OF WHAT YOU HAVE HAD TO ENDURE.

YOU ARE STRONGER THAN EVER BEFORE.

YOU ARE LIGHTER THAN EVER BEFORE.

BECAUSE IT IS TIME ... FOR IT ALL TO BEGIN.

I know it has begun. Yet, I know what you mean. Well, you know me ... I leave you with my usual 'let's wait and see'. Not to put a damper on this ... yet, also, knowing timing is everything and that 'our soon' is very different from yours. Yet, KNOW my friends, and I know I speak for many ... we are ready and waiting. ROGER OVER AND OUT!

Blossom Goodchild

25 February 2024

Hello there, once again. To be honest, I see little point in covering the same ground over and over regarding what may or may not take place. We either Trust what you say and carry on regardless, or we don't, and still carry on regardless. The point Being ... WE CARRY ON! We have the choice to do that with great aplomb, or, to wallow in all the negativity that we are bombarded with on a continual basis. Correct?

Welcome, Blossom, and to Each One joining us in these conversations, that bring Joy to the Soul and upliftment therefore, to your Planet.

Correct, indeed, Blossom. Even on the days when enthusiasm to do so is waning, deep within you KNOW, you can FEEL that the YOU that YOU ARE can rise above all the propaganda and lies.

The YOU THAT YOU ARE, KNOWS BETTER than to fall ... for/into ... the system designed to keep you under par ... the system designed to bring your natural state which IS JOY ... into a place of sadness and despair.

Yet, You ... Each One, through perseverance, have rediscovered the POWER OF LOVE-LIGHT that allows you to reach beyond that.

You are NOW AWARE of what is taking place, and within this awareness, you are able to let your spirit soar, no matter what is being presented.

We understand the tug of war within the Heart and mind when such things persistently challenge you. Yet, it takes nothing more than the Mantra to bring you back into alignment

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I AM.

THE POWER OF THIS CODE ASSISTS YOU IN DISPERSING THE NEGATIVE AND REPLACING WITH THE POSITIVE.

IT SURGES YOUR BEING WITH LIGHT.

IT REINFORCES WHO YOU ARE.

I have spoken with friends lately about our agreement. Our volunteering and being chosen to be here at this time. If it wasn't going to work out ... if it was that the dark was to win, then we wouldn't have agreed to come ... there would be no point, surely? So, the fact you saying THE LIGHT HAS WON, I feel is correct. We just have to hang on to that KNOWING and see it through.

Yes, Blossom. With each passing day, you can walk with your head held High, in the KNOWING that you are making a difference ... by KNOWING this. Not by hoping ... BY KNOWING.

There seems to be a connection problem ... I've been waiting a few minutes and nothing coming through. Is it me? Wanting something different from the norm?

No, we are still here, Blossom.

Why am I suddenly overheating?

NEW ENERGY.

Yours?

Yes. Yet, Higher.

In what way?

HIGHER, therefore ... STRONGER.

How does that affect our conversation?

Because your Being-ness is having to adjust to the Frequencies.

I thought something odd was happening, as it wasn't flowing so well. Are we sorted? Am I adjusted?

You are. And there shall be a 'shift' felt by those involved in this conversation, also.

It is for one to understand, that one may not always 'recognize' the unseen. One may not always understand the feeling of the unseen. Therefore, it is best to breathe deeply for a few minutes to reassemble that which may have been jolted out of position, as these new Higher Energies take place.

KNOW that the experiences you may be having of late MAY FEEL uncomfortable, yet, that is only because the upgrades need to align and settle into your Beings.

I don't suppose you can explain where that energy comes from. I just answered that myself ... Source? Right?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Indeed. Yet, you would like to know more about the how?

Yes, please.

YOU ARE ... ALL IS ... ENERGY.

We are all in agreement with that. Your own particular Frequency of self is regulated by the wants, needs, and desires of that individual. These wants, needs, and desires, depending on what they are and what they are wanted for ... carry within them ... the thought of them ... a Frequency ... that resonates within the entirety of the self.

Therefore, each Frequency of thought coming from one individual is different from another.

It is the self ... connected to Source that changes the Frequency of self ... depending on how one chooses to conduct the Heart, mind, and soul.

Yet, didn't you just say Higher frequencies were coming in from Source and also, in the past, you have said that we are affected by the Higher frequencies 'coming in' now?

Also, correct, Blossom. How one chooses to accept these Frequencies, is also, an individual's choice. Each One WILL be affected to some degree, yet, the decisions made as to how beneficial these upgrades are ... depends on how one chooses to make use of them.

What if one doesn't know they have received them?

You see, Blossom, you are surmising that you have to be told about them in order to accept them and know it as a fact. What if there was no 'Us' ... no channels at all from elsewhere, telling you these things, do you think you, therefore, would not know of them?

Well, yes, we would, because we would feel the difference in ourselves.

Exactly ...

Can you explain a little more? How are we supposed to make use of them?

By Being ... By accepting self ... By recognizing the changes within the self.

There is not one that can say they have not changed and accepted more of the self in these last years. Not one.

These changes may seem subtle as they are occurring, some hardly recognizable, until a certain situation occurs and one finds themselves dealing with it in a way they would not have been Strong enough to do so before.

THESE ARE THE HIGHER ENERGIES THAT HAVE COME IN AND YOU HAVE ALLOWED THEM TO WORK WITH YOU ... TO RISE UP TO MEET THEM ... AND TOGETHER ... THE LIGHT THAT YOU ARE ... SHINES EVER BRIGHTER.

When you KNOW ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WHEN YOU TRULY KNOW THAT THERE IS NOTHING TO FEAR ... for all is in Divine order ... then you change the Vibration, not only of yourself, yet, of all that is around you.

Yet, there is so much that is thrown at you on a daily basis designed to fill you with fear.

It is your reaction to such interference of the Divinity within, that allows you to 'sink or swim', as your saying go.

IF YOU REFUSE ... WHOLEHEARTEDLY AND WITHOUT QUESTION ... TO BE PULLED UNDER ... BY ANYTHING ... ANYTHING AT ALL ... YOU WILL INSTANTLY INCREASE YOUR VIBRATIONAL FREQUENCY ... JUST BY THAT REFUSAL ... ON MANY LEVELS.

There is a KNOWING ... a Strength inside of you, that you MUST become friends with ... Best friends.

When you find it ... not just the door to it ... never again shall you question whether or not the Light has actually won.

It is for you to fully KNOW IT HAS.

It is difficult to put into words ...

Many of you are now at the door ... you have come this far and have found the door ... very few have found the key to open it.

Because we are too busy looking for it ... when actually, there isn't one!

Go to the top of the class, Blossom. There is no key ...

Yet ... to wind you up ... you have spoken of the key to the door before.

Yet, you were not of the position for us to say that the key to the door, is knowing there is no key.

So ... what? We just give it a nudge and it will open by itself?

You can only do that when you ... as you ... are fully prepared to go inside.

Not sure what you mean.

When you can say in TRUTH AND KNOWING on a level as never before ...

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Yet, we can only know as much as we know ... we cannot know more ... if we don't yet know it. So, how do we get to that place of complete preparedness? Please don't say 'by KNOWING.'

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We must. For, that is the answer to your question.

Is it not, Blossom, that you have said that you now KNOW more of what we mean by KNOWING?

Yes.

Then the preparation, whilst outside the door, is simply coming to a place within yourself of KNOWING MORE OF THAT KNOWING.

That knowing is a FEELING, right?

Correct.

AS EACH ONE OF YOU KNOW YOURSELVES TO BE LOVE ... UNDERSTAND YOURSELVES TO BE LOVE ... THE MORE OF THIS YOU KNOW ... THE MORE OF YOURSELVES YOU GET TO KNOW.

AND IN ONE GIVEN MOMENT OF GLORY ... YOU WILL KNOW THAT YOU KNOW ENOUGH OF WHO YOU ARE ... AND THE DOOR WILL OPEN UNTO YOU.

ONCE YOU HAVE STEPPED IN ... THE GAME CHANGES.

You are to leave it there for today, I just got that. I look forward to knowing so much more of who I am ... the thought is very exciting. In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 7

2 March 2024

Here we are again, then. Hello. This question was asked to be asked and I thought it may be a refreshing change. I don't know if you will answer it all, or just in general. Since the light affects ALL ASPECTS of the whole, how will these Phases (and finally, The Event itself) affect our PERSONAL lives? (For example: How will our love relationships and friendships change? How will our desires and drives change? What will our work or career look like? How will our thoughts, behaviors, ideas, mindsets and attitudes toward the world change? How will our families and relatives (and our relationships with them) change, and so on and so forth? In other words, how will these things change US and our EVERYDAY lives, as opposed to things of a more 'global' scope?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Welcome, Blossom. Welcome to Each One. It is indeed something we would like to talk about with you as it involves your future selves.

Of course, an individual is an individual and therefore, one's 'changes' will depend on how that individual chooses to conduct one's life, no matter what is taking place upon your Planet. That will never change.

The Phases, of which there are Five, will take you on journeys as yet unknown ... and within the period of the time these take, many aspects of Self will morph into a Higher grade of Self ... eventually. There are to be Truths revealed that will disturb the psyche of Each One. Much confusion on many levels will incur as one tries to decipher all that is presented. There will still be those, even though evidence is presented, that will refuse to believe that which is before their very eyes.

Will they think, whatever it is, is CGI, AI etc.?

For a short while. Yet, when it is 'evident' that there is no such trickery taking place, there shall be a process of processing all that needs to be processed!

THAT WHICH IS TO COME IS INDEED, LIFE-CHANGING.

VALUES WILL CHANGE.

POINTS OF OPINION WILL CHANGE.

For quite a while, many shall sit in a numbified status not knowing what to think, believe, or, where to turn. Yet, KNOW, Dearest Souls ...

THERE IS NOTHING TO FEAR.

This is a process which has to occur in order for your world to move forward. So, as with everything ... in time ... your time ... all that has radically shocked and rocked your entire Planet, will begin to settle ...

Because ...

THE GOOD NEWS IS ...

Once the bad news has been processed ... and one recognizes that all such atrocities and lies are no longer able to rule your lives ... it is then that GREAT CHANGES will take place within the Self.

THE GOOD NEWS IS ...

When Phase Two arrives ... which it will shortly ...

WOAH! Steady Neddy! Using the term 'shortly' could get one excited. I wanted to sneakily not write that word, yet, it is not for me to 'remove', just because I don't like it!

When it arrives, one can choose to look upon it as a HUGE step in the right direction, even though everything one is seeing, hearing, and experiencing is appearing as the opposite.

Yet, we Trust many of you know better than to fall for the narrative as to the why all things are happening. Behind the scenes, preparation has been taking place on an unimaginable scale ... so that when the lid blows off ... the Divine Plan will be one of reassurance.

That's good to know, for it feels like many would not be able to cope with what is to be told, and we don't really

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

know who exactly is going to be doing the telling. So, you are saying that alongside of the Truth being revealed, there will also be revelations as to how the world carries on from there?

This is correct. Obviously, it cannot be plain sailing. No one, on or off Planet, knows how the reactions of each individual will present and therefore, one cannot gauge the Energies that will be 'in uproar' and how this may affect the WHOLE regarding moving forward.

Hindrances are to be taken into account.

THE COURSE OF ACTION WILL BE CONDUCTED ONE STEP AT A TIME, EVEN THOUGH IT IS KNOWN WHERE THE PLAN IS LEADING.

To try and keep on course with the question. It is for you to know that the 'changes in Self' ... are to be wonderous ... should one choose to follow the path that is Being offered.

Due to what has been uncovered, there will be many that remain stuck in the shock of it all, for much longer than others.

HOWEVER, AGAIN WE REITERATE THAT THERE IS NO NEED TO FEAR ... ANYTHING ... AND TO ALWAYS REMEMBER ...

NO MATTER WHAT ...

THE LIGHT HAS WON.

So, moving through the different Phases will be a time when one moves through the different Phases of Self, also. For, each Phase is a continuum from the previous one, and how one flows with the changes as each Phase arrives, will, of course, determine each individual outcome.

So, from what you are saying, it doesn't seem likely that we can simply laugh our way through all that is to come. I get the impression that we all shall be very much affected by all that is to be revealed. You have even said that it is beyond our imagination ... so, I take that to mean it is so much bigger than we think it is to be?

This is so, Blossom. Yet, it does not mean Laughter cannot be heard. Throughout all that is to take place ... you KNOW that once dealt with ... once one has come through it ... that which lies waiting for you ... was worth every moment of everything one has experienced to get there.

Which is where? Back to the question ... how will relationships, jobs, well, in a nutshell ... 'Life' be so different once it's all over? Does Phase Five mean we have reached the new way of life? Or, after Phase Five?

After. For there are no Phases to be carried out from then on. The Plan will have completed its mission ... and there will simply be a new way of living ... in a way that life upon your Beautiful Planet was designed to be lived.

We are nearly at the point of answering the question. It's making me laugh. So, what is this new way of living to be like for the individual?

JOY ... JOY ... JOY!

Imagine old programs lifted. Imagine yourself living in your Truth without the bombardment of interferences to mind, body, and soul.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

It's difficult to imagine! That's why this, so far unanswered question, is being asked!

We too, are having fun with you, Blossom.

Everything within you will have changed. It is difficult to put into words. Your KNOWING of Truth will have brought you to a place within self, that is so much more of who you are.

You desire to know of day-to-day runnings of work, of relationships ... of everything that is to be in your life?

KNOW HOW YOU FEEL ON A REALLY GOOD DAY IN 'THESE' TIMES ... then multiply that feeling many, many, times.

THIS is the place your Soul will have Vibrationally risen to... because of all that you have endured to get yourself and your Planet to that Higher Vibrational position.

IT WILL BE A PLEASURE TO WAKE UP EACH DAY AND BE ...

A PLEASURE TO LIVE IN HARMONY WITH ONE ANOTHER AND ALL LIFE.

A PLEASURE TO KNOW LOVE AS LOVE IS ...

Can I pick you up on that ... To know Love as Love is?

By this, we mean that in your present ... there is so much that has pulled down the Vibration of Love-Light on your Planet.

Yes, LOVE IS LOVE IS LOVE. Yet, on many different levels of itself, and due to the darkness dominating for so, so long, the Highest Vibrational level of Love in THIS NOW ... that feeling of really feeling at one's best ... is of a level that feels good to you ... feels wonderful ... yet, it is as if it has had a cap on it ... unable to rise Higher.

Yet, now, as you are well aware ... because the darkness has been defeated ... the level of Love Energy is able to enter into your Planet at a Higher Frequency ... which many of you are already Feeling.

As more and more Higher Vibrational Energy enters in ... you have the freedom to rise up to meet it.

It is of a Higher Energy long forgotten on your Planet ...

IN/ AS /OF ... ITSELF.

Its Vibration will continue to lift in Frequency ...

IN/ AS /OF ... ITSELF.

It carries within it ... A Higher Vibration of LOVE ... itself ... which has not been experienced on such a High level for eons of time.

IMAGINE THAT!

Yep. I Love it when I feel really good ... so, to enjoy that feeling magnified a thousandfold is not only going to blow my blouse up ... it will probably blow it off! Imagine that!

Blossom Goodchild

We are aware we have not answered the question in great detail. We cannot ... for you, Each One, are the conductors of your own lives and how you choose to live them ... whether that be of the now or of the future.

When LOVE in its Purest Highest form becomes all that you are ... there are no descriptive words to convey that Feeling.

YET, WE CAN SAY ... THAT WHAT IS TO COME ... AFTER 'THE FALL' ... IS THE REASON YOU CAME HERE TO SEE IT THROUGH ... INTO A NEW BRIGHTER WORLD ...

WHERE YOU KNOW YOURSELVES TO BE LOVE AND IN LOVE WITH ALL LIVING THINGS.

GLORIOUS DAYS AWAIT YOU.

REMEMBER THAT ... THROUGHOUT ALL THAT IS TO COME.

REMEMBER ...

LOVE CONQUERS ALL.

Well, although this chat has sort of mixed messages ... I do feel you have done very well in preparing us for what we must face. Yet, in the knowing ... that we shall all live happily ever after. Onwards ... ever onwards, troops! Many, many, thanks. In Gratitude. In Loving Service ... I AM.

Hello, my friends! The last time I chatted to you in this way seems an eternity ago, as does the cruise I had the pleasure of experiencing only last week! Time is a funny thing! On to business! Many are intrigued to know if you have any words to offer regarding the new Monolith that appeared 'out of nowhere' in Wales last week. Care to comment?

Welcome back from your travels, Blossom. You were unsure of its deeper purpose. Yet, it does not always need to be apparent 'at the time' because if it was made known, one's thoughts and actions in trying to 'make more of it' would defeat the objective. Best, in many situations of this kind to simply 'allow and let be' in the KNOWING that you did what needed to be done.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Thank you for that. I accept that and it settles well.

The new 'addition' to the already founded structures, known to you as Monoliths, is indeed, from 'out of nowhere'. It is to start off yet another 'series' of such 'matter', that are now 'in time' ready to be suitably positioned.

There shall be some 'time lapses' intermittently spaced, in order for settlement and intrigue. There are five more to 'arrive' in quite a short period of your time.

Mm. That is quite precise.

For now, that is the number we are prepared to offer, although, as your days progress, the build up of such 'monuments' shall increase, as they are an essential part of the Divine Plan.

It seems, as with the other 'authentic' structures, that there is no trace of evidence as to how they got there. Are you able to offer knowledge on this?

These structures were 'compiled' 'off world', in a particular ship that has a vast compartment that was developed specifically for the intention to create them. Their intelligence assisted in their own making.

Hold on. Are you saying they helped to make themselves?

Yes. That is exactly what we are saying.

You see, Blossom ... the 'off world' scientists designated to design such structures of intelligence, were fully aware that the 'inner workings' of these Monoliths would be able to continue certain placements of that which the scientists created, and then co-create them further ... of their own accord.

So, sort of like a Highly intelligent version of what we know as A.I.?

Sort of. Here again, Blossom, we have trouble explaining to you that which is beyond the understandings of the Human understanding.

I know! I can feel that. Let's persevere if we can.

As we have expressed before ... the role of such structures stands in High status for that which is to come. That which is planned to take place 'down the track' could not be accomplished Energetically, if it were not for these Monoliths to be in their exact positioning, at the exact alignment of 'ALL IN THE UNIVERSE.'

What? ALL IN THE UNIVERSE??

Indeed, Blossom ... for this DIVINE PLAN involves just that.

THE ENTIRE UNIVERSE TO BE IN A POSITION ... IN A SPACE OF ITSELF ... FOR ALL TO GO ACCORDING TO PLAN.

I want to say 'Go where?'

Into the Higher Dimensional stage of Earth's journey. It is destined.

THIS IS WHY WE REITERATE TIME AND TIME AGAIN, TO LET GO OF FEAR AND TO KNOW THAT THE LIGHT HAS WON.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

IT ALWAYS HAS.

IT ALWAYS WILL.

IT CANNOT LOSE ... FOR IT IS LIGHT-LOVE ... AND THERE IS NOTHING THAT EXISTS THAT IS NOT ... FROM/ OF ... IT.

Back to the Universe being in alignment. So, do you mean the stars and planets etc. ... have/are ... to be in a certain position, for when this must take place?

We do. NOTHING ... CAN INTERFERE WITH THIS!

Yet, I presume it must remain a secret as to when this takes place?

You presume correctly. If we were to say 'when' this will occur, that would cause interference and nothing is to interfere.

You once did a wonderful channeling telling us all about the Monoliths and Crystals and what would happen at their time of activation.* It was so exciting ... and to think that all the astrological plans have to be in place at the time of activation ... I find a thrilling concept.

It is indeed, extremely exciting for ... ALL THAT IS.

For ... ALL THAT IS ... plays its part in this transformation.

Are you able to give us a clue regarding the after effects of this 'event'?

CHANGE.

Down to the change in your very soil!

Why did you pick 'soil', out of all things you could have said?

Because you express soil to be 'Earth' do you not?

Yes.

SO, THE ACTIVATION, WHEN IT TAKES PLACE, WILL CHANGE THE ENERGY OF ALL THAT IS.

You are aware that Energy is made up of atoms, molecules, etc., in order for 'something' to 'Be'.

THE ACTIVATION ... CONNECTING MONOLITHS, CRYSTALS, STARS, PLANETS, GRIDS AND MUCH MORE, WILL BE SO POWERFUL ... THAT IT WILL 'SHIFT' THE ENERGY OF THAT WHICH ENERGY KNOWS ITSELF TO BE ... INTO A HIGHER DIMENSIONAL FORM OF ITSELF.

Is this Higher Energy new? In that, does it already exist elsewhere on other, more evolved planets?

Yes, it is new. In/as/of ... itself.

Indeed, many Planets and existing life are of a much Higher Vibrational level than that of your Earth plane at this present time.

Yet ... this 'part of the plan' that we are speaking of is to create a new Higher Energy ... of/for itself ... and

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

once created and activated ... it can then continue to create and activate ... surging this new Energy into a Higher position all of its own.

Thank you so much for all that information. Marvelous. Could we move on now to talk about the eclipse that is happening on the 8th April? There is much speculation about it. Me? I have a feeling that by April 10th, once again, everyone will be wondering what all the fuss was about as we always do!

Blossom Goodchild ...

Oh, how it freaks me, yet, amuses, when you say my full name.

It is to do with the Energetics within your name, that makes it appropriate for us to use it at times.

As a side note, Goody and I had to get married in order to be accepted into Australia. We both had been married before and neither of us wanted to enter into 'wedlock' again ... yet, we had to. So, we did. I KNOW now, this had to be, so I could end up with such a fab name! Not knowing of the energetics of it, at the time. EVERY SINGLE TIME someone asks my name I get a response of 'What a lovely name', or words to that effect! EVERY SINGLE TIME!

You see, Blossom ... At the time of being made to wed, you were both very dismayed. Yet, does this in itself, not show that there is reason in all things, even though one may never discover what that reasoning is?

So, Blossom Goodchild ... this coming eclipse ...

Of which I must butt in here to say, I really know little about it, other than 'speculation' that schools are going to close down and the usual fear mongering of getting extra food in etc. ... Ridiculous speculations are in circulation.

This eclipse that is to come, is known to be 'special'. We consider all eclipses to be special, as they mark moments in time in your world.

Eclipses are markers. Points in a diary, would we say. Points to take note of as they 'make a difference' in Planetary shifts and have effects on the stability of the movement of all that travels through your spacial existence.

Again, difficult to express in your language of words.

I know. I can feel and visualise what you are saying yet, words fail. I am hoping many can get 'telepathically' from you what you are saying.

Yes. Many will ... especially those who are involved in 'spreading knowledge' of the Planets and Stars. They will find a way to express it into 'your talk'.

My brain does not compute with astrology ... no matter how hard I try. Yet, there is a lady named Pam Gregory*, who I have listened to in the past and if anyone can 'translate' for you, I reckon she can!

She can ... and she does ... and will continue to do so. This lady is Highly connected with such matters and chose this position this time around, to assist many along this particular pathway, that so many find so intriguing. She, as she knows within her Being, has been known famously in other life times on such matters ... accumulating Knowledge with each life time ... to benefit The Whole. We take this opportunity to 'Honour' ALL that she offers for the betterment of mankind.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

How lovely. So ... is it a biggie, this eclipse? Is it going to blow our blouses up?

It is to be 'spectacular'. Yet, in our honest opinion, it is not going to 'Set your Planet on fire'.

Has it been said it will?

We believe so.

I hadn't heard that one!

You would be surprised what has been concocted in order to both thrill and scare.

Probably not. Not anymore. We have all become so used to the lies and propaganda. Many of us no longer are phased by it all. Just over it and wanting to move on.

And moving on you are ... always.

So, we conclude. Yes, this eclipse will be a sight in the darkness of it ... and for those who 'tune in' to it, there will be a welcome shift in Energy. Yet, we wouldn't suggest an emergency trip to stock up on food is necessary.

Good. I think too many of us have been there, done that ..., and then it all went past its sell by date!

Before we take our leave this day ... we would care to mention that many are feeling and experiencing the 'Knowing' of something building into something ...

You have a game called 'Jenga' ... we are showing you of how one must, so very carefully, take a piece from somewhere within the already compiled structure, and place it on the top ... so as to keep the tower rising higher ... yet, one false move ... and the whole thing collapses!

And you are going to leave us to work that out for ourselves, aren't you? So many scenarios can be concocted from that! Therein lies the fun. Guys ... this has been such a pleasure to be back with you today. Good info offered, for which we are all so very Grateful for the uplift.

Blossom Goodchild ... if we had faces, they would be smiling. Yet, know our Energy is expressing so much Love to Each and Everyone.

Thank you so much. In Gratitude. In Loving Service. I AM.

Hello, once again. There was great interest from last week's chat about the Monoliths. However, on reading it back, I realized you hadn't answered the question as to how they actually arrive on our Planet ... as there are no tracks or markings of any sort, surrounding them. Can you comment?

Good morning to you, Blossom. From our positioning of 'elsewhere' we welcome this conversation, along with transmitting an Energy of Loving thoughts to Each one as they read or listen to that which we have to say.

Lovely. Thank you.

As mentioned in our last conversation ... these 'devices' are constructed and created in a vast chamber. Their inner understanding of all that is involved to 'do what they have to do' is precise to the nth degree. For, they play a pivotal role in the transitional upliftment of your Planet, as we have discussed before.

In a sense ... their arrival and positioning are no more complicated than that of dematerializing and then reversing, to materialize. Of course ... the EXACT ... and we mean ... exact ... placement of these structures is key point.

Can damage occur when this takes place?

It is possible, yet highly unlikely, as 'those who are in charge of such matters' are Masters of their craft and know what they are doing.

I suppose to try and explain to us how that actually happens, is far too scientific and complicated?

Well, we can try. In the simplest and most basic of terms ...

Everything comprises of Energy, as you know. The speed in which Energy Vibrates determines that which it may become.

That in itself must be taken as 'read', as that indeed, is far too complicated to explore in these conversations.

And with my brain not being able to comprehend this kind of stuff at all.

You would be surprised! Do not limit expectations of self, Blossom. It is not that your brain is different from another's, who perhaps shows an interest in such scientific experiments ... it is just that your 'passions and pathways' to explore, lie within the artistic temperaments of this world.

Let us continue. Dematerializing is what we may describe as an 'art form'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Art form? I am surprised at that terminology.

In that, we mean ... that once a particular 'know-how' is complete ... it is then worked upon in order to ...

You are struggling to find the word and I am struggling to receive it ...

Perfect it!

Yay! We got there. Such a simple word, that we couldn't get through. Fascinating!

So, the 'fine tuning' allows the decomposing of matter ... to then reform ... in the precise Energetics from which it derived. Using coordinates to the utmost delicate precision for it to present itself ... where it has been programmed to 'sit'.

Keeping in mind that atmospherics etc. have to be taken into consideration for such a 'feat' to happen. To decompose and then compose once again, is far easier to complete 'on board' than for the structure to arrive safely and undamaged on another Planet!

I cannot begin to imagine.

We cannot explain in fullness how this takes place, for as we say ... the technical expertise is beyond the understandings of that which we could portray to you in words.

I know when Goody passed ... the next day I found a book about roses in the garage when looking for necessary paperwork. Without question, it had 'materialized'. For, in our 25 years together and moving many times ... this book was not in our keeping. We had decided that 'Roses' was our 'code' for communication. The book when picked up, opened on a chapter titled 'A rose from another world!' Such proof! I am guessing it is the same principle of 'materializing into existence' as something as huge as the Monolith.

This is correct, Blossom. Although, obviously the book is far less complicated ... yet, definitely the same principle. Your 'Goody' ...

Woah. Gets me every time! Carry on ... I am good to go!

'Your Goody' had such a Strong and Powerful desire to reach out to you ... to let you know he 'had arrived' and was in fine form ... that he was able to ... with the help of those more experienced in 'these matters' ... source that particular book on the Planet and through direct thought and understanding (by the elders') of the 'how to' ... present it on the table for you to discover.

How did he know I would have to search for the papers in order to find the book? How did it fall open on that chapter ... which the opening sentence said ... "My wife ... who was a spiritual healer' ... I mean what are the chances?

Is not 'life' and all its miracles the most spectacular thing, Blossom?

You see, when you are in alignment with yourself ... everything will flow in your favour. Goody had 'designed' that scenario to take place and because, through your Love for each other and your 'acceptance' of what is, Blossom ... Goody's desire of how it should 'all work out' fell into place.

Yet, to fall open on that page ... I mean ... that is miraculous!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Blossom, miracles are all around. One simply has to be in tune Energetically to receive them.

I feel sure, many would like you to share how we 'get' into alignment with ourselves. Do you mean with ourselves, or with all that is?

Blossom, you are ... ALL THAT IS!

I knew you were going to say that!

Being in alignment ... let us use the 'with self' explanation ... involves LOVE.

That is it. That is the answer to your question.

Let Each One, now, in this moment, ask the self ... 'How much do you Love 'me?'

Allow the self to answer ... by the feeling presented.

LOVE IS LOVE IS LOVE, BLOSSOM.

SO MANY NOW, ARE REMEMBERING MORE OF THE TRUTH OF WHO THEY ARE ...

LOVE.

WHEN YOU KNOW THAT ... THAT IS ALL YOU NEED TO KNOW.

BE THAT LOVE.

LIVE THAT LOVE.

FEEL THAT LOVE.

PRESENT THAT LOVE FROM WITHIN ... WITHOUT.

BE THE EXAMPLE OF THAT WHICH YOU KNOW LOVE TO BE.

EXUDE LOVE.

ALL WAYS.

UNDERSTAND LOVE.

Can I interrupt ... Understand Love? That is an interesting one. Can you go deeper on that one, please?

In order to understand Love ... you have to feel it.

Love does not have words ... Love is wordless.

Yet, to understand it?

BY FEELING LOVE ... on/in /of/as/through ... all levels and degrees of itself ... it gives you an

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

understanding of 'who' it is.

WHO Love is? WHO Love is? WHO IS LOVE??

You.

Silly me! I should have known that answer.

Yet, it is not only you ... it is everything.

EVERYTHING.

Breathe with us now, Blossom ...

I have just taken three deep breaths.

Now repeat ... and inwardly say ... I AM LOVE ... I AM LOVE ... I AM LOVE.

That feeling in your Heart space connects you to you ... and to the Greater part of you.

THAT FEELING IS HOW YOU UNDERSTAND LOVE.

This is why we continually remind you of the Mantra.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

It connects you immediately to your Greater Higher self.

So, is there a difference between saying 'I AM LOVE' three times and saying the Mantra?

Yes. In that, the coding of the Mantra is designed to activate different senses of Higher Knowing.

I am surprised that saying 'I AM LOVE' three times, is not as Powerful.

We did not say it is not as Powerful, Blossom. It accesses a different 'trigger' ... for want of a better word.

Please keep in mind that words are words. Each word ... each letter ... carries a different Vibration. Each different word when 'mixed' with another creates a different Energetic Vibration.

Yet, most importantly ... it is the INTENTION from the Heart that carries the effect of that which is being said.

In your world, you have created what you call 'swear words'. Which are expressed when one is perhaps, angry or surprised etc. Swear words are used incessantly and unnecessarily.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, one needs 'something' to express verbally how one feels.

This we have come to understand! However ... that same 'swear word' ... when used through surprise and Laughter ... carries a completely different Vibrational Energy ... because of the intention ... in which/of which ... it was expressed.

INTENTION ... INTENTION ... INTENTION.

MAY YOUR INTENTION ... IN/OF ... EVERY THOUGHT, WORD, ACTION, AND DEED, BE ONE COMING ... THROUGH/AS/OF ... LOVE.

When this is Mastered through diligence, vigilance, and UNDERSTANDING OF LOVE ... change within self occurs.

Imagine, Dearest Souls ... your World and all upon and within ... conducting every breath of Life in this way.

Oh, wouldn't it be lovely.

It will be.

That was a cool conversation, Guys. Thank you so much.

It is ALWAYS our DeLight, Honour, and Pleasure to Serve.

Ditto. In Gratitude. In Loving Service. I AM.

14 April 2024

Good morning! Well, although I was unable to experience the eclipse here in Australia ... I can certainly feel the change in Energy and it feels really good. I would imagine it is not just me. There seems to be a Heightened sense of 'Well Being'. Feels good!

Good morning to you, Blossom, and Each and Every One that partakes in these uplifting conversations.

Indeed, a sense of 'Well-Being' has become the order of the day and for those who are not finding this, let us assure you, it will come.

For some, it is that the older thought patterns and stuck loops of repetitive behaviours, may take a little longer to be faced and released. Yet, when we say 'faced', we simply mean to acknowledge and then set free.

Know too, Blossom, that these Higher Energies are affecting, not just the human species on your Planet, yet, ALL that resides upon and within.

This is indeed Good news, for it allows acceleration of the Divine Plan to present itself.

Consider this ... That which has gone before ... has gone.

In that ... if you so choose, you can wipe the slate clean. Let go of old 'hauntings' and 'confusions.'

LET THESE NEWER HIGHER ENERGIES ... FILL YOUR BEING WITH FRESH BEGINNINGS. MAKE STATEMENTS TO YOURSELF REGARDING HOW JOYOUS YOUR LIFE IS TO BE FROM THIS MOMENT ON, AND ALLOW NOTHING LESS.

You see, Blossom ... as many of you are now aware ... Each One who volunteered to be upon Planet Earth at this Heightened time ... came here in order to CHANGE THE VIBRATION ... IN ORDER TO CHANGE THE WAY IN WHICH IT HAS BEEN RUN.

Those, who have for so long conducted matters for purely selfish gain and indulgence, have abused the LOVE THAT IS.

They have taken away the right of Each One of you to be Happy.

That's pretty full on. Yet, I know what you are saying.

Blossom, TO BE HAPPY IS YOUR BIRTHRIGHT.

Do you think that 'Life' on your Planet was designed to be of misery and neglect and a thousand other

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

negative 'productions and scenarios' that one has had to endure?

Free will took mankind down a pathway that expanded itself on a trajectory that has not served.

Yet, one may look upon that as 'Life's story' ... and perhaps, if this 'evil' had not presented itself, there would not now be the 'drive' to do ... not 'something', yet, 'EVERYTHING' about it.

To feel this good ... is a good thing!

To experience this way of feeling so Good, means that you are following your Heart's desires, and without question, your Heart's desires need to be followed!

For in doing so, one is led to the Higher pathways wherein lie so much more of that which the Soul has been searching for.

I am seeing an elevator. Presuming this means we have all gone up a level?

The level in which each individual has risen to, depends greatly upon the attitude and determination to 'Ride the wave'.

Interesting, as although I am feeling so good I have also been aware of thoughts trying to drag me down due to circumstances, and yet, they last but a few seconds before I say 'Nope, begone!' There seems to be 'hope' in the air.

We once said that it is useful to exchange the word 'Hope' for 'Know.' To 'Hope' for something will keep you on the 'Hope conveyor belt' ... round and round you go, continuing to keep hopeful that something will change.

YET, TO KNOW SOMETHING ... IS A DONE DEAL!

It is simply a matter of all Being in alignment for that KNOWING to show up in the perfect Divine timing of all that is ... within this Game.

We understand that many have found it difficult to accept that one is living within a Game. They wonder how it can so 'trivially' be called a Game when so much suffering is endured.

Let us assure Each One ... **YOU ARE IN A GAME!**

You may think it is not the type of Game that you are used to playing and yet, you have been playing it for thousands of years ...

AND ... you have chosen many times, once playing your 'Get out of jail' card, to return. For you, having left, are so eager to get back in it. Each time you return, you come in with renewed determination to 'Get it right'. To overcome the obstacles.

It is a bit like games you play upon your Planet ... when it doesn't work out, or, you see how you can make it work by using different tactics, it gives one the impetus to give it another go ... to try this way instead of that ... You are so keen to return to 'Give it another go.'

In this case ... in these times ... you have given so much of yourself in past lives, to gain the experience

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

necessary to be ready for that which is to come.

THAT IS WHY YOU WERE CHOSEN.

Something that maybe you could answer for me. When you say 'We were chosen' ... does that mean everyone on the Planet that is here, now ... was chosen to be here ... now?

YES.

That came through very strongly.

YES. YES. YES.

Yet, so many remain unawakened and it would really help if their alarm went off, in order to assist those already awakened.

Yet, Blossom, do you not see? They are assisting.

An explanation of that statement wouldn't go amiss.

Everyone upon your Planet at this time has agreed to be here in the capacity they are presenting, in order for the PLAN to play out exactly as planned.

Do not be of concern ... their alarms are set.

Look at it this way, perhaps. In your world, computer video games are written, designed and programmed for many different scenarios to be acted out, depending on the choices of the player and which buttons they press. Each scenario has many different outcomes programmed, so that the game doesn't become boring. Yet, there HAS TO BE a way, or many ways, where the Game ends.

Does our game end?

No.

Well then ...

Is it not that when a computer game has been completed, it would not be long before the follow up game is on sale? Presenting more complex scenarios and a definite step up in graphics and technical happenings.

THE GAME OF LIFE CANNOT END, BLOSSOM.

LIFE CANNOT END.

LIFE IS ALWAYS ALIVE.

EVEN WHEN YOU ARE, WHAT YOU CALL 'DEAD' ... YOU ARE STILL ALIVE ... JUST EXPERIENCING 'LIFE' IN A DIFFERENT WAY AND SOMEWHERE ELSE.

So, would you say that Life is a game that is played everywhere or, is it just our Planet that plays out this game?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Are we not in a hologram? (which I don't understand) Are other Planets in a hologram?

You have entered into a complex subject here, Blossom.

Let's do it!

LIFE IS A GAME CREATED BY LIFE ITSELF.

LIFE IS LOVE. LOVE CREATED LIFE.

Dare I go for it and ask how?

BECAUSE LOVE IS EVERYTHING ... NOTHING ELSE EXISTS.

And of course, one would say ... who/what created LOVE?

IT ALWAYS HAS BEEN AND ALWAYS WILL BE ... IT IS.

There is no answer to that, Blossom.

YOU HAVE TO ACCEPT THAT LOVE IS THE 'ISNESS' OF ALL THAT IS. It cannot be explained in any other form.

So ... Life, in order to be lived, has to become.

LOVE cannot know itself if it has no expression of itself other than its 'Isness'.

Therefore ... Love ... created Life ... the biggest ongoing Game that ever was and ever will be.

A Game to find out more about itself, by creating creators to create.

How can this ever end? You cannot blow up, or exterminate LOVE.

By Love, allowing 'Life' to be in existence, it can continually expand upon itself and shall always do so. 'Life' can never go backward ... it can not shrink!

So, this hologram you are playing within upon Earth, was created to be the playing field in which to experiment with ... in the case of your Planet ... free will.

Do other Planets have free will?

There are far too many Planets and life 'spaces' to categorise each one and how they exist.

Some 'spaces' work within a collective consciousness. They have evolved enough to BE ONE mind ... in/ as/of/through ... Love, and therefore, all are in agreement with the conduct of 'Life', and one's behaviour matches this.

Others work in ways that do not have the thinking mind as you know it ... and purposes of fulfillment have a very different lilt compared to that which you know.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Dearest Blossom ... and All, even if we were able ... it would take eons of your time to introduce you to all that is 'out and in' there.

For everything that has been thought of that is in existence ... IS ... and everything that has not yet been thought of, is also in existence, awaiting to be recognised into the thought that shall allow it to become ... even though it already exists.

Pass the pills!

You jest with us ... and yet, deep inside ... Your Being ... Your Truth ... knows exactly what we are speaking of.

Well, whether it does or it doesn't, it makes no difference. For here I am in this moment of now on Planet Earth, playing this game, and this is where 'this aspect of me' has its focus. As for the other many, many, aspects of me playing a game elsewhere, in many, many, different places, I will leave them to focus on that!

A very wise decision Blossom.

I know! Thanks for joining us once again. It is always a pleasure to be in your company.

We believe you say 'Ditto'.

Don't believe ... 'KNOW!' I'll be levitating before long!

Mind over matter is all it takes.

Very well answered. Makes total sense. In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 11

5 May 2024

Every now and then I feel the urge to moan. This is one of those 'now and then's!' Thank you for your understanding. Good afternoon! I don't wish to start on a downer ... yet, I am going to. Too many folk are having a really, really hard time. Either through sickness, or relationship failure, or housing and financial issues. You name it, everyone I know has something quite huge going on. Here we all are, us Lightworkers, doing our very best to keep Light, yet, Truly, you say the Energies coming in are much Lighter, which we have been able to feel, yet, at the same time ... it sometimes feels like the darker energies swamp the Lighter ones, and we have no fight left in us. Try it down here for a few months ... you will soon know what I mean.

Welcome, Dearest Blossom. Welcome, indeed, to Each One joining this conversation.

We cannot join you on your Planet, yet, we can take your word for it and we do.

Hence why only 'THE STRONGEST OF THE STRONG' made the journey to Earth at this time.

Just one glimpse into your future days, the Joy that lies ahead when it is done ... would give you the wherewithal to carry on.

Yet, that glimpse eludes us! Sometimes we are just too done in to look on the bright side.

Then instead of feeling done in ... go within. That glimpse can be felt if you ask to feel the Peace and Love that you KNOW yourselves to be.

I want to be really rude and say 'Yea, yea, yea, whatever!' Looking out my window the rain is ridiculous ... I mean ridiculous! So strong, so full, you cannot even see ... on and on, day after day, containing within it all the nasties that make us feel even worse. THE WORLD IS MAD! Am I having a moan? Indeed, I am! We carry on doing our best, telling everyone we have to Trust because it is all going to come good yet, here we are ... and it doesn't look anything like it is coming good. We need a break. We need a breakthrough!

Blossom Goodchild.

What! Please don't say 'You volunteered!' Surely there is a clause saying we can have a moan now and then?

Blossom, you can have a moan, you can have a meltdown, you can have whatever you please because YOU are in control of your thoughts. If you chose, in this very moment, you could dance and laugh.

No thanks. Rather be miserable, if it's all the same to you! Gotta admit, I'm causing myself to at least smirk with my stubbornness. Yet, seriously Guys ... throw us a bone, as the saying goes.

Pause for a moment and close your eyes.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You are showing me a dead tree struck by lightning and then, another tree full of juicy apples. The thing is, with all respect ... And?! We don't need any more symbols or metaphoric pictures showing us what is to come. WE KNOW! And how wonderful it will be! It is the 'WHEN!' The darkness that surrounds us and our Planet is so in your face, at times ... to think that a smile from the heart can change all that, seems rather optimistic.

Do you believe it can?

We have no other weapon.

LOVE CONQUERS ALL.

It would be nice to see the evidence of that. I know! I know! Change your mood to Gratitude, Blossom!

Then do so.

I am Grateful for this moan. Thank you!

Don't thank us, thank yourself.

Blossom, thank you for this glorious moan. Thank you for the smile my Moaning Minnie attitude is presenting. How pathetic can one get! Thank you for my patheticness! Thank you for this bigger smile occurring due to my patheticness! Now I giggle a bit. How childish can one become! I know better! I am Grateful for knowing better! Changing my mood to Gratitude has, of course, lifted my spirit a little, just in this last paragraph. How Blessed am I? Shall we begin?

Let's.

YOU ... Each and Every One of you KNOW that no matter what takes place on the outer and the inner part of your BEING ... YOU WILL CONTINUE ON.

YOU will have your down moments and your exceedingly High moments.

YOU will have your tears. YOU will have your Laughter.

YOU will have friendships and relationships that last forever or cease to be.

YOU will feel Abundance. YOU will feel scarcity.

YOU will feel whatever you choose to feel in any given moment

Yet, within it all ... YOU KNOW ... YOU KNOW ... YOU KNOW ...

YOU ARE A WARRIOR OF LIGHT!

YOU WILL NEVER GIVE IN

YOU WILL NEVER GIVE UP.

Sometimes we feel we want to just curl up in a ball and let someone else do it.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Which is often the case ... and they do ... and then when they have had enough and curl into a ball, you will have gained renewed strength and can take up your position once again, and so it continues.

You each have each other's backs. You are allowed to 'LET GO' for a little while and recoup. You are allowed to question the madness, the insanity of that which your Planet is presenting.

Are we? For when I do ... even down to messages YOU give us, wondering at times if any of it will ever come to pass, I ask myself, what if it is all a load of baloney? How do we really know?

How do you, Blossom?

I know, because when I am not in this pathetic frame of mind ... I can practice what ... I/you ... preach and it feels so right. Definitely better than when I am wallowing in the mud, like this. I am wondering if I shall even post this. I have always posted all conversations with you, yet, do I really want to reveal this depth of 'piteous' indulgence?

We offer that which we feel will assist. Throughout all these years, Blossom, we have many times repeated ourselves because we desire our message to be absorbed into the core of your Beings.

That which you choose to do with these messages, we cannot help you with.

We know they assist. You know they assist.

Oh! They do! They do! They do!

It seems the greatest dilemma is the time factor and this we cannot do anything about.

Can anyone?

No. For there is no timing in this Divine Plan ... for there is no time. There is only movement forward.

Or backward.

No, Blossom, not backward. It may seem this way, yet, this is not the case.

I know we have to just TRUST, TRUST, TRUST. I know! Trust that it will all turn out just fine and dandy and that everything is working for the Highest Good of all.

Trusting what, Blossom? Trusting who?

Well, I have to Trust you. Even when I question sometimes, otherwise what would be the point of bringing your messages through, if I didn't agree with them? It's not that I disagree. I just don't know if all this that you speak of will take place next week or next century ... or next lifetime!

So, then you do Trust it WILL take place?

Inside ... deep inside.

And this place deep inside ... where is that?

My Truth.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And where is your Truth?

In the core of my Being

Are you saying the core of your Being knows all this as Truth?

Yes.

We rest our case.

Yes, Well done. We just get tired now and then, that's all!

It was never said that you wouldn't.

Yet ...

We still wanted to be here right in the thick of it!

YES. YOU DID ... AND YOU ARE!

RIGHT IN THE THICK OF IT!

WHERE EVERYTHING SEEMS SO UNCLEAR ... AND YET, YOU, EACH ONE ...

YOU PICK YOURSELVES UP ... EACH AND EVERY TIME,

BECAUSE YOU SAID YOU WOULD ... NO MATTER WHAT!

Yes. You are right! We do.

And you will continue to ... as you move on through this space into the next one ...

And throughout it all ...

KNOW ...

That ... ALL THE TIME ...

ALL OF THIS ...

IS MAKING YOU STRONGER ... LIGHTER ... AND MORE IN ALIGNMENT WITH, NOT ONLY WHO YOU ARE, YET ...

THE DIVINE PLAN!

YOU ARE CARRYING OUT THE DIVINE PLAN ...

11 May 2024

Good morning! It seems there are many, many, Moaning Minnies on the Planet at this time ... yet, for every negative, there is a positive. So that means there are many, many, Happy Harries counteracting the misery one indulges in now and then! Not so this week you will be pleased to hear. Let's get this show on the road with a blast of uplifting sentiment, if we may.

Welcome Blossom, welcome All. We are very aware of conditions upon your Planet that can bring one's Vibration into a lower frequency, yet, we would also like to commend you all for the GOODNESS and LOVE you inject into those lower frequencies ... dispersing and releasing them so that they have no place to belong.

Remember too, Dearest Souls, that no matter what ... YOUR LIGHT IS ALWAYS DOING SOMETHING. Even if you are not aware of it.

For Light Shines ... it cannot not ... and the level of Light that you have reached within the SoulSelf is far greater now than it ever was. Which means ... even when you feel you are doing nothing to assist ... your Higher Light is doing it for you.

THIS LIGHT, THIS LOVE ... IS YOUR TRUE SELF.

It came to your Planet to bring it back into the Glory of that which your Planet is. Therefore, your TRUE SELF is always Shining even when the ego, which is NOT your TRUE SELF ... is trying to tell you otherwise.

So many of you now, are falling in line with the recognition of that which SERVES THE SOUL and that which does not. Even Moaning Minnies are aware of that!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Upon this recognition, one removes as best they can, the thoughts that drag one under. For basking in the lower frequencies of self, although indulging for a while is acceptable ... the desire to Shine one's Light once again, quickly kicks in and Gratitude, as you know, is the key to the shift in frequency.

IT NEVER FAILS!

Thank you. Of course, you are right.

You know, Blossom, sometime soon ... all that we have been speaking of regarding Phase Two will happen and we are Trusting that instead of going into panic or misery mode, you will all feel elated because it means that the whistle has been blown. There will be a short time span for all that needs to take place in Phase Two to do so ... and for the dust to settle. For indeed, it will feel as if a hurricane in a desert has arrived in each of your Hearts.

Got to interrupt ... That is full-on!

Yes. Yet, we have never told you otherwise. That which is to take place will indeed be 'full-on', as you say. It has to be ... for the Truth that is to be exposed IS full on.

I do hope the majority of us have the strength and wherewithal to keep Moaning Minnie in the closet at this time.

We know you will. For we have prepared you.

So, even though the shock value will be off the charts, one must follow through with the confidence, that what is to occur after this period of 'security', there will be much to do, with no room to moan and complain.

For you will be in the swing of it. You will be astonished at the changes that are to be put in place.

You have an expression, 'Rome was not built in a day'. It is not that Rome will need the time to be rebuilt, for that is already taking place behind the scenes. Yet, there will be much patience required as all plans for Phase Three are locked into place.

From what you are saying ... Phase Two is going to be a real quickie, compared to Phase One?

This is so.

Doubting Dorothy popping in for a moment ... We have heard about this for so long. This Phase Two also seems a little farfetched.

As did Phase One ... before it took place.

I know!

Blossom and Each Soul who can contemplate that which we have to say ... contemplate away ... and yet, we say to you ... THIS WILL TAKE PLACE.

Yet, know ... THERE IS NOTHING TO FEAR.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

FOR PHASE TWO WILL BRING ABOUT THE GREATEST CHANGES ON THE PLANET THAT HAVE EVER BEEN.

Again ... full-on!

Again, agreed. Again ... part of the Divine Plan.

When we emerge from Phase Two ... can you give us a hint of what to expect?

CHANGE!

GREAT CHANGE.

A NEW SYSTEM.

A NEW WAY OF CONDUCTING THAT WHICH SERVES THE WHOLE.

I am sort of sensing like in a movie, when a massive bomb or something has gone off and people come outside for the first time, looking around at the damage.

Yet, there will not be the devastation of your buildings etc. We gave you that scenario, Blossom, in order to let you feel, that when the curfew is complete ... it will feel very much like you are entering into a different LIGHT.

Literally. There will be such a shift ... that the very atmosphere will appear Lighter.

MAY WE SAY CATEGORICALLY, THAT THE GREATEST SHIFT OF ALL, WILL BE WITHIN THE SELF.

For the Truths that are to be told within Phase Two ... will have a huge impact on the SoulSelf and the processing of such news will indeed require great Inner Strength, in order for the Soul to come out of it unscathed.

It all sounds a bit daunting, to be honest.

Yet, we need to be honest with you. The canvas that we are portraying is necessary, we do not wish to pull the wool over your eyes. Yet, it is so, is it not, that the same canvas can be painted over?

YOU HAVE TO KNOW WITHIN THE CORE OF YOUR BEING THAT WHEN YOU HAVE COME THROUGH ALL THAT YOU ARE ABOUT TO FACE, THE PAINTING WILL BE OF SUCH A BEAUTIFUL ENERGY OF LIGHT ... SHINING DOWN UPON YOUR MOTHER EARTH.

In a sense it could be said that it is like your world is to begin again.

The darkness shall no longer be present.

The new system that shall be in place will be one of fairness to all.

You see, Blossom ... the darkness that has governed your Planet for so long, is the same darkness that has created all wars ... all conflict ... all drug trafficking... all human and child trafficking ... all financial greed ... it is the ONE darkness that has taken over all freedoms and rights.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

The same darkness that has enjoyed abuse in/of all forms.

Yet, as Phase Two approaches ... one must prepare the Soul to encounter the Truths of this darkness on a scale that many may not have braced themselves for.

This in itself will cause much upheaval ... for one cannot control how the human species will react and behave.

THOSE IN CHARGE HAVE DONE THEIR UPMOST TO TAKE EVERY POSSIBLE SCENARIO INTO ACCOUNT, YET, ONE, AT THE SAME TIME, CANNOT PREDICT FULLY.

However, what this does mean ... is that during Phase Two ... it will be apparent that the darkness has had its day. The darkness can and will no longer be allowed to exist on your Glorious Earth.

LOVE CONQUERS ALL.

... and we have told you many times ...

THE LIGHT HAS WON.

We do not say ... The Light WILL win.

We say, THE LIGHT HAS WON.

So much, as you will discover, has had to be put in place before the Grand Finale. Not one Soul will not be surprised at the scale of this mission and all that has been 'handled' in years previous.

If I were to ask WHO is conducting this Divine Plan, would you answer?

You will find out soon enough. We will go as far as to say that it has been a 'Top secret mission' from both on and off-world superintelligences. There was no chance of this mission failing. Yet, if one were to understand just a fraction of what this has and will continue to involve ... one would definitely fall to the ground in awe.

So then ... this 'soon' word, you slipped in earlier ... you do understand, that to us folk down here it is known as a sort of joke? Yet, the way you have been speaking today does make me feel as if Phase Two is a little closer. Yet, again ... how close is close?

BLOSSOM ... KNOW ... THE DIVINE PLAN IS ALREADY IN FULL FLOW AND WHEN THE SIGNAL IS GIVEN FOR PHASE TWO TO GET UNDERWAY ... IT SHALL TAKE PLACE.

Mm. It is sort of dauntingly exciting! In the meantime, we keep on keeping on.

Indeed. Understand too, as we mentioned earlier ... we are not in control of the human mind and therefore, how each individual is to react to what is to come, maybe as we expected ... or not.

However, we KNOW that Each One of you ... Each One who has so diligently shone their Light in the darkest of times ... will be there ... for all those who have no understanding of what is taking place.

You will be there ... to lead them to THE BRIDGE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

SUCH WARRIORS OF LIGHT ARE YOU.

You have prepared and you are ready to do this.

We have every confidence in your successful endeavor.

WE LOVE YOU ... FEEL THE DEPTH OF THIS LOVE FOR YOU as you listen to these words.

<https://www.youtube.com/watch?v=CffgxXmFIPI> In Gratitude. In Loving Service. I AM. I just wish to add that a good few years ago The FOL said that there would be a time when change was coming, whereupon the skies would appear in many colours. It seems this is happening in many countries at the moment. Bring it on. Bring it on!!

Hello there! You are probably aware of the video I made last week and a new Energy coming through. I was unable to pick up on ... who/they/it ... was. Yet, certainly, the Energy felt very High and very strong. I wondered if you had anything to add about that particular channelling?

Welcome to you, Blossom. Welcome to Each One present at any given time of receiving this transmission.

We are aware, Blossom, that you and others may be keen to 'give name' to this Energy. Yet, as White Cloud mentioned, did he not, that 'name' is not of consequence? The message given, however, indeed ... was/is.

Yet, interestingly, that which was shared was no different from what you and White Cloud have been saying all along. It just seemed to come through on a Higher/Lighter yet, at the same time, intense level.

THIS IS BECAUSE, BLOSSOM, YOU YOURSELF, ALONG WITH SO MANY, HAVE UPGRADED TO A HIGHER LEVEL OF BEING WITHIN THE SELF.

Therefore ... were /are ... able to receive the same message, yet, it resonated on a Higher Frequency ... allowing the Knowledge and Understanding given to go deeper within. To 'hit home', shall we say, on a Lighter Energetic.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, are you able to enlighten us on where it came from? Or, are we simply not meant to know?

How important is it that you know, Blossom, to you, for you?

Not at all, really. Yet, more so for convenience sake, should they 'show up' again.

You have found an appropriate 'label' have you not, and are wanting to check it out with us?

Yes. It came to me quite strongly and it resonated, to call the Energy ... 'The Messenger.' I think there are probably many out there who already go by this name. Yet, it just feels right.

The Messenger is indeed, fitting.

How come though, they/it said, 'we', and then another time said 'I'? Some felt it more of a female Energy ... I felt, if I were to give it gender at all, the Energy was more male, even though the voice leaned towards the feminine side. It has just come to me it was both. With the greatest of respect, this is sounding more and more in keeping with how we are to address folk on our Planet these days!

Again, Blossom, we ask, how much does it matter to you?

Again, not much. Just really for clarification for next time.

What if next time, the same 'Energy' comes through and yet, speaks differently than the last time?

Then I would politely ask to stop confusing me and stick with the same voice, so we know what's what!

Blossom ...

Yes ...

The Messenger, as we shall from now on ... address/label ... this Energy, IS ...

YOU are ... IS!

What IS ... IS!

Consciousness ... IS.

YOU ARE CONSCIOUSNESS.

Sometimes you are living a lifetime in a female body. Another time in a male ...

When not in either ...

Or, in these days ... both ...

When not in body ... where are you?

In Consciousness.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Who is consciousness?

Everyone.

Everyone, indeed. Yet, also no one ... for Consciousness simply IS.

So, when The Messenger was speaking and saying 'we/I/me' ... WHO was it 'BEING'?

It ... was/is ... BEING ... EVERYONE, yet, identifying as 'Someone'.

Why could 'it' not just identify as Consciousness?

IT WAS!

I think I see. In that ... it was just picking up on 'anyone' ... acting on behalf of everyone. If that makes any sense at all!

Indeed, And are you not feeling this very thought about the sentence you have just written?

Yes ... It seemed rather profound coming from just little old me.

And yet, as you are so very aware, Blossom, you are not just 'little old me'.

YOU ARE CONSCIOUSNESS ...

PLAYING OUT AS 'YOU' AT THIS TIME ...

AS A HUMAN BEING ...

BEING HUMAN AT THIS TIME.

You are also aware of the fact, that many aspects of your Soul are conducting many other life forms on other Planets at the same time. Even to the fact that there are at least 4 or 5 of you coming from the same Soul Energy as the one you are experiencing now ... here on Earth.

To clarify, meaning 4 or 5 on the Earth plane right now, who are from my same Soul Self.

Yes.

Do I, will I, ever meet them?

No. For the other 'you's' are experiencing life in its many ... forms ...

I am struggling with the word 'forms'. Are you meaning that the other 4 or 5 aspects of my Soul down here on Planet Earth right now, may not be human form? WOW! I can pick up on you saying 'yes'. Never thought that! I had accepted there may be more of me as a human ... yet, not in different form.

Yet, as you think about it now, Blossom, does it not make sense for this to be so?

Well, on the understanding 'We are all One' ... As in 'ALL LIFE IS ONE ENERGY' ... Yep. I get that. Yet, I hadn't

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

thought that a part of 'my' Soul Self may be here experiencing Being a tree, or an elephant, or ... whatever!

And now you CAN think that way!

Yep! I guess so. It does make sense. Yet, there are other 'human me's' here also at this time, right?

Right. And to answer your earlier question ... No. You do not meet up with them.

You are giving me the feeling that the Energy exchange of meeting would be too much. Yet, you are having trouble putting it into words.

This is correct. You are aware of White Cloud speaking often of a ROSE being one's Soul group ... one's Soul Family. Each petal meeting up in particular lifetimes and recognised as being a petal from the same Rose. Some are aware of Being of the same petal, the recognition and closeness being so strong.

Is this what you call a twin flame?

No.

To be honest ... twin flames for me is dodgy territory. Some believe it is their other half and meeting with their twin flame makes them whole. Would you care to comment?

No.

So, you also think this is dodgy territory?

Not at all. The reason we chose not to comment is because we feel in this particular matter ... on this particular subject ... it is best left for Each One to have their own experience and to feel what they feel.

Interesting that you choose not to comment though!

Blossom ... there are some experiences that are befitting for certain Souls and not for others. Therefore, it does not mean there is or isn't a particular Truth ...

Hold on! I need to get my head round that! So ... in this instance ... you can't say there is or isn't such a thing as twin flames?

We say there is and there isn't ... depending on the experience of it.

Ooh! This is going into 'blowing my head off' territory ... because ... if you go by that premise ... couldn't you say that about everything? It is either a Truth or it is not, depending on whether you experience it?

To a certain level of understanding.

Which I don't understand because I know some things are a Truth even though I haven't actually experienced them myself. I haven't experienced the twin flame thing ... although, the minute I clapped eyes on Goody it was Love at first sight. Be that from past lives ... whatever ... and I certainly felt, and still do, that having him with me made me complete. Yet, I don't consider him to be my twin flame.

Why not?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Because personally, I don't resonate with the twin flame thing.

Why not?

I don't know ... I cannot imagine Loving anyone more than I did Goody, yet, I don't know ... I just don't go with the whole twin flame thing. Simple as that! I don't know why ... and yet, I am aware I may be offending those who feel and KNOW they have met theirs. Oh Lord ... this is going to be material for a barrage of emails, I can tell that right now. Are you able to put this straight, please? I feel we have wandered off here and not really come to any conclusion that makes any sense.

We will do our best. Blossom, does it matter 'to you' if there is such a 'thing' as a twin flame?

No.

Does it matter to someone who feels they have experienced this?

Yes.

Then there is great lessons and understanding in the confusion of this that we have spoken of.

Each experience to a Soul is there because they have chosen to experience it.

It is not there for one who has chosen not to.

Does it mean that the experience is TRUE or untrue?

The fact is ... it doesn't matter!

Not even to the one who says it is True and it does matter?

Not even for them.

Oh Lord ... We are entering into the 'Nothing matters' territory, which you have spoken of many times. You know ... now and then ... I just have to leave this be ... and this is one of them. Allowing each one to take from this transmission what it has to offer ... and not 'shooting the messenger!' I tried my best to follow.

Years ago, you would have got yourself in quite a pickle about today's chat.

Years ago ... I was not who I am now!

How far Each One has come ...

Yep. How far indeed. I feel we would be going round in circles trying to iron this out. Please allow me to bow out Gracefully! In Gratitude, In Loving service ... I AM

The Federation of Light Channellings

No. 14

9 June 2024

Good morning! No idea where today's chat will lead us. So, let's begin and just go with the flow, if that seems suitable?

Dearest Blossom, One and All. Naturally this is suitable to do so. When one is in the comfort of familiar friends, is that not what takes place? To go with the flow of conversation?

Yet, we would furthermore speak of THE FLOW.

For it is within the allowing of this FLOW that shall take you to a place within that exceeds all expectations.

When one concentrates on that which does not serve, there are blockages which need to be removed. They hinder and restrain, from that place where the Soul wishes to journey.

LETTING GO ... LETTING FLOW ... ALLOWING ... BEING ... will assist you in travelling so far without even trying.

Do you see? Let go of 'Trying.'

'Trying' to be Enlightened.

'Trying' to serve others.

'Trying' to serve yourself ...

'Trying' to do all sorts of things that you feel you SHOULD be doing, in order to make this world a better place.

LET GO OF THE TRYING!

When you do so ... when you KNOW you do not need to TRY ... you allow THE FLOW to take its natural course.

I know from Abraham (Esther Hicks) that one should always allow their boat to float downstream. I used to do a visual when things felt out of line, and I would see myself in my canoe, paddling like mad UP stream. Then I would visualise turning it around, lifting my paddle out of the water, and going with THE FLOW. When coming up against obstacles, I would watch myself get out and remove the rock or find another way around. It was a good tool, I had forgotten about.

Indeed, Blossom. Many times have we given expression to Visualisation being your most Powerful tool.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I know White Cloud has always said that from the start!

You have been given so many tools to assist you during these times. Use your imagination to get you out of 'lower Vibrational' thoughts. Each one of you has this gift within to pull you out of the lower frequencies. All you need do, is close your eyes and visualise.

Mm, could be a song in there somewhere, if not ... a T Shirt would do! ... 'Close your eyes and visualise! I Like it!

Blossom ... Do not limit the thoughts that can take you to other places. Places that will uplift and put your Heart back in its rightful place of Love.

Take your thoughts outside of that box that you have placed your capabilities within. Think of a treasure chest ... think of a wrapped gift ...

In your meditations ... unlock the chest ... unwrap the gift ...

See yourself inside an Ice cube and with a pickaxe break the ice away. Then you realise that is too much like hard work. So, sit within the ice cube and call in the Sun Source. How easy it is for the Sun to melt the ice away?

This is what we mean by going with THE FLOW. Find the easy way through your days ...

And you do this by ... NOT TRYING.

Yet, when we are in a low vibe ... we need to TRY and get ourselves out of it, otherwise we sink further into the lower feel of things.

Yet, if you simply become aware of how you are feeling it does not take great effort to ... breathe, close your eyes, and change the pace and the place of your mindset.

Do you need to 'try' and do this?

Yes.

No. For to do so requires no real effort.

TO DO SO IS CHANGING THE 'TRYING' TO 'ENJOYMENT.'

Your training in this field is complete, Dearest Souls.

Do not hold yourselves back.

KNOW! KNOW! KNOW ... WHO YOU ARE.

YOU ARE LIGHT-LOVE.

AND TRUTH WITHIN YOU, AS YOU CONTINUE TO ACCEPT AND ALLOW YOURSELVES TO BE LIGHT-LOVE, ENABLES YOUR POWER TO PROVE TO YOU THAT THIS IS WHAT YOU ARE.

WITHOUT EVEN TRYING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU ARE LIGHT-LOVE.

YOU EXUDE LIGHT-LOVE ... if you only would allow yourself to do so ...

WITHOUT EVEN TRYING!

Many of you are of a Vibration now, that allows LOVE-LIGHT TO FLOW from your Being

WITHOUT EVEN TRYING.

LET IT BE.

LET IT HAPPEN.

LET IT FLOW.

Let LIGHT LOVE FLOW through your Beings ... Out, out, out ... to where it is destined to arrive.

You do not need to know where you are sending that Light-Love to, necessarily ... unless it is desired to be directed to a particular Soul or situation.

You just allow THE FLOW of this stream to find its own way.

LOVE-LIGHT KNOWS AT ALL TIMES WHAT IT IS DOING AND WHERE IT NEEDS TO GO.

I notice you say Light-Love and then switch to Love-Light. Is there a reason for this, as folk often inquire as to whether The Mantra should be said with I AM THE LIGHT first, or, I AM THE LOVE. You say it matters not.

This is correct, for they are One and the same.

The coding within the two are of the same Vibration. Would we put it as simply as the fact, that when both are used together, they amplify to create a Higher Vibrational code, rather like multiplication.

Ok. Thanks for clearing that up.

One should allow whichever word flows forth first at any given time, to BE.

I feel Blessed to have reached a place within me and I know many others have too ... whereby sending Love from my Heart, wherever I may be, whatever I am doing ... is just so automatic these days. So, you are saying, we don't even need to think about it in order for it to happen? My Heart is just doing it all by itself?

This is correct ... That KNOWING OF FLOWING.

Another song ... another T shirt!

That KNOWING OF FLOWING allows so much more than you realise to reach out and touch that which needs your Love the most.

Could you explain the 'so much more'?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Have a go at answering this for yourself, Blossom, if you wouldn't mind.

Well, I am assuming that as it is LOVE that is Flowing, it is uplifting all that is life.

What else?

Dispersing negative Energy.

What else?

Now I am having to 'try' and think.

Then let go of 'trying' and allow the next thought to FLOW.

CHANGING THE VIBRATION OF THE ENTIRE PLANET.

And you came up with the jackpot by putting aside the 'trying' to think, and simply GOING WITH THE KNOWING OF THE FLOWING.

Oh! funny funny! Now we're rapping!

Can you see, Blossom? How it is ... not just for you, yet, for Each and Everyone. Are you cottoning on to the point we have just made?

Yes. Yet, it sounds better coming from you.

Yet, that IS the point! You were able to answer the questions that you were asking US to answer.

Why would it be better coming from US?

I want to reply ... because you are the wiser ones. Yet, I already know you are going to correct me on that.

Indeed, we are.

BECAUSE ...

YOU, DEAREST BLOSSOM, DEAREST SOULS ... YOU KNOW IT ALL.

You, at this time Blossom, are tuned into our Vibration. We are chatting on the same wavelength.

The Vibration that we reside within, is one that YOU ... Each One, are able to tap into at anytime to receive the KNOWING that you require.

Yet, we cannot get all the answers.

This depends, Blossom, on what questions you are asking.

There are a lot of questions that those of you residing on the Earth plane at this time desire to know. Yet, it is not in keeping with the Divine Plan to know certain things from the position that you are in, IN THIS MOMENT OF TIME.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

As we have said before ... If you were to know certain things ... If you were to become aware of certain things before the planned timing ... you would change the course simply by KNOWING things too soon.

This would create change that would disrupt THE FLOW.

May we simply simplify all the unanswered questions that you long to know ... by saying once again

LET GO AND LET FLOW ...

ALL YOU NEED TO KNOW ... TO BE AWARE OF ... IS THAT BY BEING LOVE ... BY BEING LIGHT ... YOU ARE DOING EXACTLY WHAT YOU ARE MEANT TO BE DOING.

ENJOY EACH AND EVERY MOMENT OF THAT UNDERSTANDING.

That which is necessary for you to become aware of will be given to you in the Divine timing of the Divine plan ... Each answer is within ... and like the bud of the Rose ... it shall 'Blossom' when it is designed to do so.

Made me think of the song by Eric Clapton ... Let it grow, let it grow ... let it Blossom let it flow!

And that thought involved no trying whatsoever.

Thanks Guys ... Food for thought ... in Gratitude. In Loving service. I AM.

Good morning to you. The floor is yours.

Good morning, Blossom, and we welcome Each and every One that chooses to engage in this conversation this day.

You would like to know how 'we' choose to conduct The Flow this day?

Yes please.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We would desire then, to speak of only that which will serve. There are topics you would care to engage upon, Blossom, that would not be appropriate at this time to discuss. You can feel the nudge from us as to whether a question will be of benefit to The Whole or not.

Yes. I just seem to know when you are not keen to discuss certain matters.

There are many reasons for this regarding appropriate timing, confusion, and basically 'sticking to The Plan'. Therefore, today we care to uplift your Beingness by speaking to you of progress.

To many, it may seem that your world is going backward. With all its madness and inappropriate behaviour by many. Especially by those who 'appear' to be running your countries, supposedly for the betterment of mankind. It is quite laughable if it was not so tragically True.

Nonetheless, how it appears, is not how it actually is. As our dear confidant, White Cloud always says 'All is not as it seems'.

How different each country would be in all aspects of itself if greed was exchanged for Love. If those who were given the position to 'watch over', did so ... coming only from their Heart, instead of ruling from a position of 'taking orders' from those in Higher status, who do not have one's best interest at Heart.

One wonders when this will change.

It is changing, Blossom, and changing rapidly. There will be a downfall of these so-called leaders, more or less en masse, and in their place shall be a 'Group of Souls' who have been assigned to lead the people into a Brighter World. These things are already in place and awaiting the signals for it all to begin.

That sounds exciting.

It is. It is also genuinely expressed by such Souls, that they adhere and abide by the needs of the people. They are not governors. They are not dictators. They are a group who have been chosen for particular skills which will assist a new understanding of sharing and exchanging to come about.

There will not be rallies and competition as to which 'party' gets elected. This shall be a thing of the past. For it was never a Truthful display of the ordinary folk and what they knew to be the best for them. Yet, would we say, all that came into 'play' was already designated long before any expressions of opinions were considered.

As you know, I am about as interested in politics as I am making choux pastry! It just doesn't compute in my brain. However, I feel this is because it is so corrupt that I can't engage my precious time on such drivel, when one has no idea as to what is True and what is not.

At this time, however, Blossom, it is to play quite a large role in the future of your Planet regarding that which we have spoken of, as to the Truths that have been hidden and will come out into the open when changes have been made.

For when we say the downfall of leaders ... we mean it.

The future that you speak of is so hard to imagine when we don't really know what is actually going to take place. For instance, you are saying the downfall of all leaders ... well, like, hello? That's big!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes, it is, Blossom. This is a Divine Plan that is designed to change your World back into one that it was destined to Be.

What I don't quite get is ... if it is a Divine Plan ... why has there got to be so much taking place that seems far from Divine?

Divine ... meaning 'Of God'. If that word 'God' feels comfortable for you?

Is it comfortable for you?

Indeed. As are many words that describe LOVE. It Truly matters not how one chooses to 'voice' that which is Divine. However, to KNOW of Divine Truth makes all the difference as to how one feels about Being on the Planet, wouldn't you say?

Far out! I couldn't agree more. I cannot imagine living my Life without KNOWING that LOVE is what makes us all tick. Back to the Divine Plan that doesn't always seem so Divine.

Blossom, as you know ... this Planet, the Souls upon it, were given free will, to see where Love would take them.

It seems it took us into a cesspit, if I am honest.

The greed and want from those who chose to need and have everything for themselves, took the Energy of that which was, into a downward spiral. Creating a world of pain and suffering beyond that which one would have thought possible. As this Energy grounded itself into the minds of the easily led ... it became so powerful that it dimmed the Light that was, into that which could barely be seen or felt. Yet ...

KNOW ... THE LIGHT CAN NEVER GO OUT!

It became apparent that this had to be stopped. Many, many times has man's downfall come about. The experiment of free will has shown itself in its True colours and so it was decreed that upon PLANET EARTH this was to continue no more.

The darkness was so convinced that it could/would remain governing your Planet for all time. It did not realise that LOVE ... PURE LOVE could not allow this to continue.

SO ... THE DIVINE PLAN WAS DERIVED AND EXECUTED IN ORDER TO REGAIN TRUTH.

COMPLETE TRUTH OF THAT WHICH LOVE IS.

To go down a path that is going to confuse me ... yet, I will try. Isn't it complete Truth that Love ... vibrating in its lowest frequency is the darkness?

Correct, Blossom. The darkness is also Love. For there is nothing else in existence. And yet, we speak of a TRUTH that is different from that which you term as Truth. In that ... You say, is such and such a 'story' for instance, true or not true?

The TRUTH that we speak of, regarding TRUTH in your Heart is ...

A FEELING ... A KNOWING ... THAT LOVE ... IN ITS HIGHEST VIBRATION ... IS YOU.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE TRUTH IS ... THAT YOU ARE EVERYTHING THAT IS.

That cannot be an 'Is it True or not, that this is so?'

IT IS.

TRUTH IS!

IS what?

LOVE ... THERE IS NOTHING ELSE.

The FEELING OF LOVE IN ITS HIGHEST PUREST FORM ... IS TRUTH.

So, are you saying that TRUTH is another word for LOVE?

Yes.

This is why when your Heart KNOWS something... experiences something as Truth ... the body reacts with a shiver, or a tingle, or responds in goosebumps. This cannot be 'It's possible that' ...

IT IS!

Every part of your Being is letting you KNOW that this is TRUTH ... Because it is LOVE.

We seem to have veered so far off track. Can we get back on it? If I can remember what it was!

You asked how such a catastrophic decline in Love Energy could possibly be part of a Divine Plan.

Ah, yes! Pray continue.

The Divine Plan was put into place to change the Vibration of the Planet. This 'intervention' was decided upon in order to bring this about.

Yet, the darkness when becoming aware of this, was not going to give up without a fight. The ones involved in wanting to keep the Planet dark, did not believe that the dark could be destroyed, for they had managed to get away with such atrocities for so long. As the Divine Plan was set in motion, it very quickly became apparent that they had something to be concerned about.

NOW ... in these days ... IT IS KNOWN THAT THE LIGHT HAS WON.

We have said many, many, times ...

THE GAME IS OVER. T

The last throws of the darkness's attempts to survive have no grounding. They know this. Yet, remnants of these energies are still in play.

And, as far as I am aware ... there is still child trafficking and horrors of this nature. I would hardly call those 'remnants.'

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, it is coming to an end. The plans are in place. Such things ... and the Energy they hold, will no longer be able to reside within these new Energies that are taking over. It will simply not be possible.

To ease your feelings on this matter a little, if we may? These children and adults alike, that have undergone extreme trauma ... are taken under the wings of Angels when returning home.

It is known that we choose to come to our particular parents to learn and evolve and to teach those around us of many things. Who ... I mean, who ... would choose to come to earth KNOWING they would have to endure so much?

Highly Enlightened Beings.

A hard Truth to accept.

Dearest Blossom ... We understand. For you are unable to see the bigger picture from where you reside. Yet, many would be surprised at the 'role' Highly Enlightened Beings have chosen to endure in order to bring about change.

Keeping in mind, that such Souls are aware that in order to carry out such roles, they will have to sacrifice much of the Light they are when entering into your world, in order to complete their tasks.

It is only those of Great Strength that would even consider such sacrifices to their own Light. Yet, they do so in order to serve The Whole.

SUCH SERVICE OF THE HIGHEST ORDER.

You know, sometimes, the Grand Scheme of things is simply far too much to comprehend. I look forward to a time when I get the entire picture in One Divine moment. That probably won't happen until I leave this mortal coil. I can wait.

Blossom, more and more acceptance of 'WHAT IS'... shall come to Each One as their Vibration moves into Higher frequencies. Little by little ... bit by bit ...

So, with this in mind ... KNOW ... that although we speak of the turmoil that is still to take place ... unavoidable turmoil as Truths are revealed ... KNOW, Dearest Souls ... that your understanding of more of yourself and 'WHAT IS' shall unfold at a pace that is so pleasing and uplifting.

SO THAT ALL THE INCREASED MADNESS THAT IS GOING ON ALL AROUND YOU WILL BE COUNTERACTED BY YOUR LIGHT SHOWING YOU THE WAY ... LEADING YOU THROUGH THESE TIMES ... COMING FROM THE POWER WITHIN YOU THAT IS TRUTH ... THAT IS LOVE ... THAT IS YOU.

Remember, Dearest Ones, ALL IS NOT AS IT SEEMS.

YET, YOU ... EACH ONE ... will KNOW that you are carrying out that which you came to accomplish.

THAT FEELING WITHIN ... THAT KNOWING THAT YOU ARE DOING SO ... WILL ALLOW LOVE TO CONQUER ALL THAT NO LONGER SERVES UPON YOUR BEAUTIFUL MOTHER GAIA. AS YOU ... YES YOU ... EACH ONE ... CONTRIBUTE THROUGH EVERY THOUGHT, WORD, AND DEED, IN LIFTING HER INTO HER RIGHTFUL PLACE, ONCE AGAIN.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

FEEL THIS TRUTH.

KNOW THIS TRUTH.

BE THIS TRUTH.

AND SO IT IS.

Mm! Looking forward to reading this back. It seemed to flow down many rivulets! In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 16

23 June 2024

Hello! Hello! Well, no worries about what I'd like to talk about today! The new Monolith, that has appeared in Nevada, of course. Go! ... Go! Go! Go! Go!

Greetings to you, Blossom and Each One attending this conversation, be it by word or sound. We can feel your excitement, Blossom, and this is most pleasing.

Well, it is exciting. In my mind, without having to search back, did you not say that there were five more to come, after the last one, in the sort of 'soonish' future! If that isn't leaving things open, I don't know what is!

This is correct, Blossom. The next one to 'arrive' is to be in yet, an even more obscure positioning. For no other reason than that is its designated placement, in order for it to align with the Grid markings that it is set within.

They do indeed 'land' in 'out of nowhere' places!

They, indeed, land 'out of nowhere.'

Forgive me, I cannot remember if you have explained to us how they 'land' ... would you mind going over it again?

These 'tubes' ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Tubes ... are they tubes?

We choose to call them this for today's purpose of explanation are 'created' Off World. Their integrity ... their intelligence ... their system ... their conduct ... making them what they are ... is 'captured' in a program that can be condensed into the size of a dice.

Mm. This feels new info ... maybe we haven't discussed this before.

Yet, you understand that Energy is not something that can remain still. It has to BE moving. All that is Life is Energy ... it has to Flow. Therefore, Energy can be manipulated into any size or shape that is desired. Yet, in this case ... we would say 'that is useful.'

So, I feel you are about to say that this dice could be 'dropped' on to the Planet and from the place it was created, buttons can be pressed and 'poof' ... a full-size monolith blows up like an inflatable castle! This is in layman's terms of course.

This is more or less correct ... yet, certainly will suffice.

It is not a button though, is it? What is it?

It is a device that is activated involving it being placed on a particular crystal formation.

How does it communicate with the dice?

The dice ... is already programmed to connect and communicate with the device. This is not new technology when you think of how much similarity this presents in devices already present upon your Planet that communicate with each other.

Can I also pick up on me saying it is 'dropped'. Clearly, one doesn't simply open the hatch on a ship and one wishes it luck as you wave it goodbye?

Indeed, Blossom, it is more 'precisely directed' as to its 'landing pad', would we say.

It is programmed to do so via teleportation.

Keep in mind ... we are speaking to you as if this is an everyday run of the mill procedure. This is not so.

The delicacy of these pillars plays a huge role in how they are handled.

They are considered of High intelligence and High importance.

Just inquiring ... are they constructed to their original size? I.E. Are they originally made to the size in which we see them on Earth.

This is correct.

You are putting into my mind the movie 'Honey, I shrunk the kids'.

For obvious reasons.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So ... and here's an out-there question. IF ... they were to open up ... what would be seen inside?

Particles!

What! No mother board or levers and flashing red and green Lights? No little blue people awaiting to be awakened and set to work? No 1812 overtures? No fireworks? Just particles?! Well, I never. So, now if we may, we need to talk about these particles.

Particles of Energy that remain, not dormant, yet, almost to the point of sleep ... that await their DIVINE MOMENT of activation, that we have spoken about in the past.

These particles 'speak' to each other, and to those particles in other such Monolith's that have arrived and lie in wait.

Have I heard that the ones here from earlier have been removed?

Some ... not all. Do you recall us showing you an image of them being in an enclosed sealed room and yet, unable to be dissected? For want of a better term.

Their blueprint remains in their situated original landing hold.

Could it not be that those who work in the Monolith department 'off-world', could use the same device to shrink them again, and get Scotty to beam them up?

This is not necessary.

They are perfectly safe where they are ... and ...

And this is a big 'and' ... I can feel it ...

They were not designed to do so.

So, you mean they cannot be shrunk once they have expanded to their full size.

Correct.

Why?

It is not needed. They are safe where they are, for they cannot be penetrated and they have no purpose 'back on board'.

Can I just clarify if memory serves ... that you who choose to be known as THE FEDERATION OF LIGHT ... THE OVERSEERS OF THE OVERSEERS ... do not reside on a ship ... you just reside in a level of Vibration out there ... somewhere.

Correct again, Blossom. We like your play on words in order to keep it simple.

Yet ... you can manifest a ship should it be appropriate for you to say 'visit' and then, you would also take form that is fitting for that particular situation or circumstance?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Indeed.

I just wanted to make it clear that it is not you ... or, perhaps, not 'your department' that is involved in the creation of that which we speak. A thought ... if Energy can be manipulated ... what is it that would prevent the Monoliths from suddenly disappearing?

Curiosity.

Eh ... please explain.

They create much curiosity as they stand.

The mystery is evoking unawakened possibilities to become possible.

For whom?

ALL.

Are they not seeming to match that of images that are already present in certain movies? Movies that are futuristic?

I believe so.

So along with their many purposes which we have spoken of before ... they are assisting souls to recognise the future that is coming. That which many signed up to attend.

I Love that. The fact that we signed up to attend the future!(Another t shirt Joe!) I guess that is what is so exciting about them. Here they are ... in our reality and they are so 'futuristic' to us ... which, as you say ... helps us to know that it is actually happening.

What is actually happening, Blossom?

The future. That which you have spoken to us about. That which is to bring the new and HONEST world into fruition. The one that we are all here to manifest. I Love it. It fills one's Being with such encouragement.

The reason you are feeling so encouraged and of Joy regarding this matter at hand, Blossom, is because your Soul is recognising it as Truth.

YOU ARE REMEMBERING.

This is why the Monoliths are so intriguing ... they trigger 'Memories of your future.'

An interesting concept ... 'Memories of our future.'

Not really, Blossom. For you have been shown it ... in a past that is the present ... and lived it in a future that will one day be the past ...

Hold the phone a minute ... let me digest that little gem. So, I assume we were shown it before we came back down to Earth ... the past ... shown it as in a presentation of the future that we are now in ... the present ... and then ... it will be in the past because one day it will have happened. Plus the fact, everything is happening at

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

once! Nope ... not ready to go down that rabbit hole today ... that 'everything is happening at once' stuff always blows my brains out.

Yet, you are everything ... all at once.

Apparently so! I accept it ... yet ... well, you know ... it is difficult to get one's head around ...

From where your perspective is at this space in your current supposed reality.

Of course. Guys ... I feel this is a good space to finish today's chat. Loved it.

As we always do. We LOVE all that derives from these conversations, and we Love too, how they spark the Soul's interest ... creating many new pathways to explore.

Indeed. WOW ... There we go. In Gratitude. In Loving Service. I AM!

PS. Apparently the Monolith has now been removed.

The Federation of Light Channellings

No. 17

31 August 2024

Well hello! It's been quite a while since we communicated in this way. Down here the world is getting crazier with each passing moment. What say you?

Welcome back to these conversations, Blossom. The break taken was greatly needed by your Energy and for you to recoup and revitalize.

Perhaps. Yet, with respect, is anything going to be any different? Do we not now know how to continue? What could you say that is new?

We could say that your Energy is new. We could say that you KNOW within you the certainty that what you are doing is not in vain.

Not sure many would agree there, as much of what is presented feels like we are up the creek without a paddle!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

It may seem like this ... if you choose to look at it this way, or indeed, take on board that which you are fed through all manner of infiltration.

However ... should you choose to KNOW that YOU ... YOU YOURSELF as the Soul that you are ... as the Soul you came down here to be ... to express ... chooses ... no matter what ... to turn your canoe around and go with the flow ... in your TRUTH ... in your STRENGTH ... do you not feel differently? You say the world has gone mad ... and it certainly appears that way ... yet, you have not.

YOU HAVE WALKED INTO A HIGHER 'SENSE' OF YOURSELF.

YOU KNOW THAT THE KNOWINGNESS OF KNOWING INSIDE OF YOU HAS BECOME AND WILL CONTINUE TO BECOME SO SOLID ... THAT ... YOU ... ARE MAKING ALL THE DIFFERENCE.

YOU are making the changes that although, may not seem to be 'out there' ... behind the scenes ... the cogs are turning and the wheel is set in motion to move your Planet into its new desired position.

Yep. We have to hold on to that, yet, sometimes I feel that the change/changes you speak of are such a long, long, way down the track ... and we are going to have to put up with so much more madness as time moves on ... that most of us won't be around to see it happen. Very nice to leave our mark for future generations etc ... yet, WE ... DOWN HERE ... could easily feel that we are done and simply surrender to what is.

Let us look at that, Blossom.

SURRENDER TO WHAT IS.

That ... in fact ... is what is needed to be done.

Surrender ... Let go! What is happening ... is happening! Let it unfold as it is meant to do. Let all the lies and the politics live in their environment and let the Light Love that you are ... live in yours.

Many cannot do that. In so many countries ... in fact ... in all, we are deeply affected by the laws and the manipulation ... and, although those running the countries are also puppets to a degree ... WE as ONE find ourselves so entrenched in our slavery, that all we can do is sit back and shake our heads in disbelief.

There is nothing wrong in doing that! For indeed ... what madness!

THEREFORE, MORE SO ... IS IT NOT A WISE DECISION TO STOP BEING INVOLVED?

How can one do that when so much has changed and is affecting people in such detrimental ways?

The answer to that Blossom is ...?

Yes, I know! I wonder how many times we ask questions and the answer is the same.

Keep your Vibration as High as you are able in any given moment.

THE HIGHER YOU ALLOW YOUR VIBRATION TO BE ... THE GREATER EFFECT IT HAS ON THE WHOLE.

The more that KNOW this ... the more Souls that apply this ... the Higher the frequency rises. When the frequency rises it has an effect on Everything ... EVERYTHING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THIS IS WHY IT IS IMPORTANT to not let yourself get sucked in by the 'waves of negativity' that constantly ... through many, many, methods, seep into your mindset... and the downward spiral once again spins into action.

THIS ... THIS, DEAREST ONES ... IS WHEN YOU MUST STAND STRONG.

Do not give in to this mind control. Be aware of it. Be on your guard at all times. Be vigilant and recognise these patterns ... and IMMEDIATELY CHANGE THEM.

Change your thoughts to the Brighter Feel. INSTANTLY. It is not hard. It is necessary and only YOU can do it for yourself.

The thing is, sometimes I do find it hard. I question as to why it all has to be so difficult. Why it has to be that so many are in pain, alone, sad ...just don't get me started. The world wasn't designed this way, and look at the state of it. It is hard, when living on the Planet to accept this is what has happened.

Yet again, we remind you. YOU ... Each One reading or hearing these words ... were chosen out of many, many, many, Souls ... because it was recognized that you could rise above such issues.

YOU WERE CHOSEN BECAUSE YOU HAD THE REQUIREMENTS TO OVERCOME THE DARKNESS AND NOT SUCCUMB TO IT.

Have we though? So much of the darkness is in such a clever disguise that we didn't even know we have fallen under its spell.

BLOSSOM ... AND EACH ONE. LISTEN UP!

THE POWER THAT YOU ARE ... THE POWER THAT IS YOU ... WITHIN ... RESIDING WITHIN YOU ... IS SO VERY STRONG ... BEYOND THAT WHICH YOU ARE CAPABLE OF ACCEPTING AT THIS TIME ...

TRY, TRY, TRY, TO TAP INTO THE KNOWING OF THIS TRUTH AND WHEN YOU DO ... THE POWER WILL THANK YOU AND PRESENT MORE OF ITSELF TO YOU.

WHEN YOU LOCK INTO THIS POWER ... YOU WILL REMEMBER WHY YOU HAVE IT.

YOUR POWER IS YOUR LIGHT LOVE ... YOUR POWER DWELLS WITHIN THAT LIGHT LOVE.

So the more you feel the Truth of that Light Love ... the more the power is opened up to you and ready to offer its gifts to you. Yet, you have to let it know that you know in Truth of its existence.

Open yourselves up to this POWER ... for the Highest Good of all.

Imagine yourselves sending this Power out into the darkest places and instantly Light shall be there.

This is not a fiction novel we speak of. This is FACT!

KNOW. KNOW. KNOW THESE SUGGESTIONS ARE REAL. THEY WORK. THEY HAVE AN EFFECT.

Yet, if you only 'half' believe ... if you only 'half' think you are worthy ... 'half' think you are capable of such Miracles ... then such thoughts have little effect.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU CAN MANIFEST MIRACLES.

YOU YOURSELF ARE A MIRACLE.

FEEL IT! FEEL IT! FEEL IT!

MAKE MIRACLES HAPPEN BY KNOWING YOU CAN!

That is all that is required to make them happen.

Yet, where does that KNOWING enter in? We can say it over and over and every bit of our heart wants to KNOW it as TRUTH yet ... nup ... no miracles today. What are we missing?

THE TRUTH OF KNOWING.

How do we find that? It is all very well to say 'inside'. Tried that too ... Nup! No miracles there, either.

Because you have been so exposed to the indoctrination of your unworthiness. How could you conduct such wonders when you are a mere nothing? How? You have been trained and programmed to accept yourself as not good enough. For the dark knows that if you were to know your Truth and that which lies within it ... 'they' would be wiped out ... just like that.

That IS the TRUTH.

LOVE CONQUERS ALL.

Yet ... if you continue to undermine, and underestimate your very Soulself ... how can it ever show to you ... what it is ... what it is capable of?

TURN YOUR THOUGHTS AROUND.

DRUM INTO YOUR BEINGNESS THE KNOWING THAT THE POWER OF LIGHT IS WITHIN YOU.

Dearest Souls ... such imaginings ... will eventually become your reality. Yet, only if you continue to persevere throughout all the blockages and obstacles that are designed to STOP you.

YOU ARE MORE ... SO MUCH MORE THAN A PROGRAM ... THAN A MINDSET.

YOU ARE LIGHT OF THE HIGHEST ORDER ... KNOW IT!

For when you do ... YOUR world changes and through that change within YOU ... YOU transform your world.

Stand steadfast in the SELF TRUST.

Close your eyes for a few moments when needed and breathe in Life's Strength. As you do so ... knowingly connect up with other Light Souls on this Planet ... who came down here ... like you ... to accomplish this mission.

TO BLOW THE DARKNESS INTO OBLIVION!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WHEN YOU KNOW THE POWER OF YOUR POWER ... YOU WILL LOOK UPON ALL THAT YOU ARE PRESENTED WITH SO VERY DIFFERENTLY.

YOU WILL LOOK UPON HOW TO GET THROUGH 'THIS' VERY DIFFERENTLY.

YOU WILL APPROACH EACH WAKING MORN SO VERY DIFFERENTLY.

'I'VE GOT THIS NOW' ... YOU WILL SAY.

'LET'S DO THIS' ... YOU WILL SAY ...

AND YOU WILL DO IT!

You already are doing it, Yet, the more you choose to accept and step into your POWERHOUSE ... the more understanding will come to you of how to complete this task from a Higher practice.

IT IS THE POWER OF THE LIGHT THAT IS YOU, THAT WORKS ITS MAGIC ON /IN/ AS/ THROUGH ALL THINGS.

Let it do what it has to do ... all you need to do is know it is there within you. Trust it ... and then BE ... YOU.

The Power that lives within you ... knows what it is here to do. Let it guide you through the feeling it gives you ... follow that feeling in your Heart and TRUST it.

More and more of you are recognizing the difference in self.

Gatherings of the Tribe are adding to this Power ... which NOTHING ... NOTHING CAN STOP.

Thanks, Guys. Your pep talks give us much encouragement and strength to carry on ... amidst the madness so that we shall continue shining through ... no matter what. To have each other and know that we are not alone is one of the greatest gifts we have been given. Thank you. In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 18

8 September 2024

Ok. Good morning to you!

Good morning to you, Blossom, and all who choose to tune in to the Vibration we offer during these conversations. We believe you are struggling a little to get started, Blossom?

Yes. Only in that ... I'm looking for something new and different, uplifting and encouraging! Do you have something like this?

Blossom, we have information that cannot be introduced yet. Your systems of the world and your systems within self are not ready to adapt nor absorb.

It is only as your Souself awakens more into the Truth of itself, that one can take on board the Vibration of particular incites. Therefore, we 'trickle' information through at a rate that is acceptable for the understanding of what is taking place, at this time.

As time moves on through each moment of NOW, as world views and circumstances develop and unfold, we shall be able to 'match it' with that which we feel necessary to divulge.

Naturally, you understand that we cannot tell you outcomes of future days. I.e. leading up to your named 'Yule tide' ... not in the direct sense that many are keen to hear.

This is not our place, nor do we wish to discuss it.

We choose to keep away from the politics of your world, for it does not resonate with the Truth that we choose to bring through.

However, we will say that whatever decisions are made and however these decisions may or may not resonate with your particular beliefs ... that which we offer remains the same.

CHOOSING LOVE IS THE ANSWER TO ALL QUESTIONS.

PLEASE REMEMBER THAT.

CHOOSING LOVE IS THE ANSWER TO ALL QUESTIONS.

We are aware, of course, of the upheaval that is conducted all over your Planet ... and the 'core' of these uprisings are cleverly introduced to cause mayhem and heaviness of the Soul. The 'goings on' are derived from sources that present themselves as one thing, yet, are actually the opposite.

Do not be fooled by what you are purposely led to believe ... about anything of this nature.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You will find as Truth unfolds, such lies beyond that which you think you already know.

WE SUGGEST YOU REMOVE YOUR ENERGY FROM SUCH AND CONCENTRATE ON YOURSELVES AND CHANGING THE PLANET ... IN A MANNER THAT YOU KNOW WORKS.

LOVE YOURSELVES.

LOVE EVERYTHING!

TO SERVE IN THIS WAY IS WHAT YOU CAME TO DO.

TRY, Dearest Souls, to release yourselves from the trappings in place.

RISE ABOVE THE MANIPULATION.

As situations of madness and despair increase ... and they will, we have told you this ...

STAND IN YOUR STRENGTH.

Do not allow yourselves to have your Vibrational Frequency lowered by all the news, that is not really news ... It is a story being played out.

Keep your heads High. Keep your minds free from the propaganda. This is your task. This is your purpose, as you know.

Many are asking about Phase Two! Phase Two! Ridiculous, right? We all thought we would at least be in Phase Four (of Five, as you have said) by now. You have said there is to be another lockdown. Still waiting ... AND ... everyone is saying, that if this was to be the case ... people just wouldn't stand for it. They wouldn't do it. They would revolt.

We are aware that this may be the case. Humanity has awakened a great deal due to all the suffering that has taken place over the last few years in particular. However, if there is to be an end in sight ... certain 'plans' are necessary, in order to carry out that which has been put in place to occur.

You have said the Military will be involved due to no-one being willing to be ordered to stay indoors. Is this so? You know, even as I write this, it still all seems like 'that won't happen'. Yet, look at the past 4 years. Who would have thought THAT would be taking place?

Blossom, Dearest Souls, who are so diligently hanging on and bringing Light to the situation. An issue that many of you find most frustrating is the time factor. For indeed, when we said there are Five Phases ... we do not give you and cannot give you a time frame on them. So, within the waiting, doubts creep in and many questions as to Truth, in all fields, arise.

That is so True. The thing is, there are so many possible scenarios being channeled through now, and this really doesn't help!

Blossom, have we not said many times, many many times ... that the situation upon your Planet will get a lot worse?

Yep ... Such a Joyous prospect.

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, you are all still hanging on. Let go of time frames and create your own paradise within your personal space.

Behave as if you are in a NEW TIME FRAME.

ACT AS IF!

Conduct your lives in the KNOWING that JOY and LAUGHTER are the ingredients to CHANGE THE WORLD. THE KEY TO UNLOCKING THE CLOSED DOORS.

This we understand is easier said than done.

You got that right, chaps. Yet, we know you are right ... and many of us are changing our attitudes and doing just that. Getting on with enjoying passions and creating ways through our individual talents to raise the Vibration. We then, at least feel we are doing something productive.

Exactly, Blossom. Then, when Phase Two does take place, you will be in a much more suitable 'state', to deal with the ordeal.

During my recent break, people reread old channellings and said much of what you said 'Way back when' is now taking place. So, we keep on Trusting and moving forward. It is so heartwarming to be part of the Tribe of Light calls we are doing, as we can FEEL that we are all in this same place. This same KNOWING and it is so very encouraging.

It is indeed. Groups of Light all around your Planet are gathering together more and more. The Energy created by groups is so Powerful. Each gathering leaves a blueprint of Love-Light that then reaches out to places untouched by such, and a new spark is ignited and on and on it grows.

YOU HAVE TO KNOW THAT WHAT YOU ARE DOING ... IS ... MAKING ALL THE DIFFERENCE.

YOU HAVE TO KNOW THIS!

WITHIN THAT KNOWING THE 'CHARGE OF LIGHT' MULTIPLIES ... FOR THAT WHICH YOU DO IS BEING CARRIED OUT WITH CONVICTION AND TRUTH.

YOU HAVE TO KNOW THAT THE LIGHT HAS WON.

YOU HAVE TO KNOW THAT ALL YOU FEEL INSIDE OF YOU, WHEN IT FEELS SO RIGHT ... IS THE LOVE THAT YOU ARE ... TELLING YOU THAT THIS IS SO!

THE FEELINGS THAT FILL YOUR BEINGS WHEN YOU ARE ON TRACK ARE A SURE SIGN THAT YOU ARE WALKING IN YOUR TRUTH.

THAT YOU ARE ALL IN THIS TOGETHER.

When you meet another, who speaks the same language of Love ... you KNOW that THE TRIBE is reconnecting.

THERE IS AN UNSPOKEN KNOWING ... AND THAT ... SAYS EVERYTHING ... WITHIN THAT SILENCE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

That unspoken recognition of/from each other is the pointer that guides the way.

THAT IS THE KNOWING WE SPEAK OF.

THE KNOWING THAT YOU ARE NOT MAD!

THE KNOWING THAT AS MORE AWAKEN AND THE TRIBE GROWS IN NUMBER AND STRENGTH ... THE PLAN IS WORKING. THE PLAN IS BEING CARRIED OUT.

TOGETHER YOU ARE PART OF THE BIGGEST GATHERING HERE ON EARTH.

LIGHTING IT UP.

CHANGING IT.

MOVING IT INTO A NEW HIGHER VIBRATION.

YOU ... YOU who volunteered, can now at least make sense of this! Even if it be so, that so much does not make any sense at all.

LOVE MAKES SENSE.

LOVE ... BEING IN THAT SPACE OF LOVE ... brings you back into alignment and when Being in alignment with all things of Goodness ... it allows more of the same to flow forth.

YOU KNOW ALL THAT WE SAY TO YOU.

We are here, just to remind you. Over and over again ...

YOU HAVE GOT THIS.

When you are in Phase Five ... mark these words. For you will feel so differently from that of your present moment.

So much change on your Planet and within self will have occurred

You will look back and be so full of Joy that you kept on keeping on. That you had the TRUST to carry on ... that you had the Strength to see it through ...

That you believed in yourselves and listened to your Heart's call.

YOU ... EXCEPTIONAL WARRIORS OF LIGHT!

We cannot express the Joy that you will feel 'down the track'. Having been through so much, surviving and making it through the toughest of times ... when many did not have the wherewithal to do so ... you kept marching onward because YOU KNEW ...

YOU KNEW YOU WERE HERE TO FULFILL YOUR MISSION ... AND FULLFILL YOUR MISSION YOU DID.

That certainly feels like something to look forward to. Putting no time frame on it, of course. Thanks Guys. Good

Hello again! My, My! How the days fly by. There were a few 'off' comments last week. One saying you treat us like we are in spiritual kindergarten. Another, how bored they are of you saying the same thing. I am not dismissing the lovely uplifting comments ... just wondered how YOU felt about the above?

Dearest Blossom and All ... to include those who are bored of these conversations. That which we choose to say, is that which we feel will encourage and uplift you. Indeed, it is repetitive. One only has to look back on all these years of conversations and yet ... for us ... the purpose in doing so, is to assist you in understanding ... in as many ways as we are able ... WHO YOU ARE.

We do not have the intention to speak 'down' to you or to treat you as newbies to the matter of remembering your TRUE SOUL SELF. We simply are here to encourage you to 'Keep on track'. For one can be so easily led down pathways that do not serve.

THERE IS NOTHING NEW TO SAY AT THIS POINT.

So, if you find these conversations tedious then, as we have always said ... we ask you to move along to conversations with others that are more suited to your needs. Those who find upliftment here ... then we so enjoy continuing on ... in the KNOWING that the more we speak of 'same' ... the more you are receiving it on a Higher Level of understanding ... which so many of you understand!

We do not take offence.

Nor do I. For I, too, can understand both points of view. However, so many, like me, find within these conversations, the strength to keep going. None of us know the outcome of all of this, in detail. We just FEEL that we are on track when we FEEL IN ALIGNMENT with that which you have to say.

This is why we continue, Blossom. This is why YOU continue, because you know that this Service we offer makes a vast difference to so many.

Correct. Sometimes I wonder why we keep going, saying the same thing, and then I might get the most poignant

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

email saying your words have kept them on the Planet, and as White Cloud says ... if you can turn but one head around towards the Light then you have done well. So ... onward we go.

Let not the voices of ego bring you into a place of misunderstanding the Self. You are so wise. Each One of you. You hold within you ALL KNOWLEDGE ... ALL WISDOM. It is the programming that has relentlessly bombarded your minds with everything that does not serve, in order for those whose desires are to manipulate and pull you down to the level of unworthiness.

IN THIS WAY ... THE MIND REMAINS IN A STATE OF UNDERESTIMATING THE POWER OF TRUE LOVE.

This is why we repeat over and over...

FIND YOUR POWER.

RECOGNISE IT.

Those who think we are condescending have misunderstood our message. For we are aware that even though so many are awake and have indeed, been waking for many years ... there is still not the KNOWING of just exactly HOW POWERFUL YOU ARE.

IT HAS BEEN REMOVED FROM YOUR ACKNOWLEDGEMENT OF SELF.

This is a time when one realizes the necessity to tune in to that Power and allow it to come forth from within.

It is so very easy for us to say 'Keep shining your Light'. Yet, these are simply words. You may think you do ... and you do ... to the best of that which you know yourselves capable of.

YET, WE WISH YOU TO UNDERSTAND AND ACCEPT THAT THIS LIGHT THAT YOU ARE IS WAY MORE POWERFUL AND EFFECTIVE THAN YOU CONSIDER IT TO BE.

That is why we keep reminding you. In the Trusting that with each reminder, another layer of 'screening' breaks away to reveal another layer of your POWERFUL LIGHT.

I get what you are saying. I am sure we all do. Yet, we can only do the best we can from the place where we understand ourselves to be. WE KNOW we can perform miracles. WE KNOW we are capable of so much, yet, the only way to put it is ... not yet! Because we would be doing so right now if we were 'of that level and Power of understanding'. So obviously we are not there yet. I am aware I am not putting this across very well and that I have said all this before. It is just the way these conversations flow.

Like us, Blossom. You are doing your best! You are currently residing in a Vibration that keeps the Light at bay, would we say.

IT IS BY A CONSTANT STATE OF BEING ... A CONSTANT KNOWING THAT DOES NOT FALTER, THAT ALLOWS THE LIGHT THAT YOU ARE ... TO DO WHAT IT MUST DO.

When we say 'Do not underestimate your Power' ... we mean it in various ways.

Do not think that when you consciously send out your Love to the world, or a person, or a circumstance, that it has little to no effect. You know this is not so. Perhaps what you are unaware of is the AMAZING

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

CHANGE that takes place by you doing so.

This is what we mean. Be aware of the POWER of yourself and the difference this inner POWER when focused upon can make.

One has to leave behind the undervaluing of the Living Soul that you are. Take into account, for instance, the Miracle of the human body and the world that it is within itself. The mastery of this design is indescribable. Then ... take into account, that YOU ... the SOUL ... the Essence of YOU ... THE MAGNIFICENT LIGHT THAT YOU ARE ... was able to enter into this miraculous world of the physical body and bring it into Being so that it may serve you ... IN A MILLION AND MORE WAYS.

YOU SERVE EACH OTHER.

Yet, let it be known that the more you become ONE with this 'housing of choice' ... the more 'it' recognizes the way YOU CAN USE IT TO SERVE THE WHOLE.

As you align with each other ... the body and Soul ... the blending of such ... brings about a teamwork like no other.

As you LOVE the body and its great workings, the body in turn Loves you back. It recognizes the great workings of Light that can be brought forth by the two merging together to manifest ...

A GREATER POWER ENTERING IN FROM THE SOUL'S HIGHER PERSPECTIVE.

Mm! Let me read that back. Ok! As you were!

We would liken it to a plug going into a socket. All is in place. The switch just needs to be turned on ... and low and behold ... the Light ... that was there all along ... can be seen.

So, your point being?

LIGHT!

THE LIGHT THAT YOU ARE IN FULLNESS ... THE FULL AND COMPLETE LIGHT OF YOU, IS ALWAYS THERE WITHIN YOU. IT CANNOT NOT BE. FOR YOU ARE THAT LIGHT.

However, when you CONSCIOUSLY merge YOUR SOUL-SELF and the miraculous world of your body into a complete unit ... the body is able to bring forth your Light through itself, and allowing that Energy of the Light you are ... to radiate out from you.

I know this is making sense, yet, difficult to put into words. So, basically, are you saying that by being aware of this integration, it has a greater effect than if we were not?

Yes. Your Light Shines out anyway. For your Light comes from your Spiritual Heart. Yet, to allow the body and Soul to work together as one ... can bring about a HIGHER POWER.

You want to say 'from your very finger tips.'

We do.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, do we just chat to the inner workings ... tell them the plan?

You thought we would say otherwise, Blossom. Yet, you are correct. However, the chatting does not come through words. It comes through FEELING THE KNOWING OF THIS TRUTH.

When this FEELING feels the TRUTH of the words we have said in ways of trying to explain ... and just allows the acceptance by both parties to fall into place ... there shall occur a noticeable difference in the way one feels. Both in body and Soul.

I have to go now, as this seems to be taking longer than the usual hour. Hopefully, I will pick up again tomorrow. Thanks Guys. An interesting chat.

Good morning once again. I have just reread yesterday's chat. Is it that we need to work on this 'Blending of body and Soul' or, just KNOW it?

Good morning, once again, Blossom. You are correct in a sense. We would say, you need to work on the KNOWING!

How do we do that?

We would suggest that when you say The Mantra

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

... you incorporate THE FEELING OF THE TRUTH OF THE KNOWING.

And how do we do that?

BY FULLY, TOTALLY, TRUSTING THAT WHO YOU ARE COMES FROM ELSEWHERE

You are not 'from' this Planet. You are visiting. You are here on a mission.

That which YOU ARE when not within the human form is PURE LIGHT.

WITHIN THAT LIGHT IS THE GIFT OF UNLIMITED POWER ... THAT WHEN USED FOR THE GREATER GOOD OF ALL ... WORKS THE MIRACLES WE HAVE BEEN SPEAKING OF.

When you fully grasp this and allow it to work in your favour ... you will find yourself ... Your Being ... Your Truth ... Your You ... FEELING THE KNOWING we have been speaking of.

This understanding will take your lives to a different level. A different Frequency. You will be able to feel yourselves Vibrate ... as if one could almost see the Energy field that is emanating from within.

It is a matter of talking to your inner workings, that create the entire existence of every cell that allows

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

you to BE.

As if perhaps ... you recognise the agreement you made to merge into one and the same Light, in order to profoundly change the way you conduct your every moment.

Can I ask, how come this has never been mentioned before?

You can ask, Blossom, and we shall answer.

As we have said, as you yourselves are aware ... the change within your understanding of YOU has reached heights that further back along your journey, were not fully understood. As one integrates wisdom into the KNOWING and TRUTH ... the Soul recognizes each 'phase' it enters ... as it progresses into a Higher Version of what it already knows itself to be, and yet, has had to patiently allow acceptance of each phase to know itself fully.

If you were to suddenly wake one morning and all your 'growth' had occurred overnight ... your body and mind and Soul would not be able to function normally. For, everything would be one mass of 'All that is' and one would not know how to function in the normality of what one knew to be normal.

When we say 'growth' ... understand that we use this as a term to explain your 'coming into Being of the fullness of KNOWING WHO YOU TRULY ARE.'

A seed when planted ... KNOWS it is going to shoot roots from its essence. These roots, in turn, allow the stems to grow. From there, a bud forms, and from there, when ready ... it 'Blossoms' into the flower it knew it was always going to Be.

It is the same for you. A process ... in order to have your roots planted deep within. From there, although always Knowing who you are to become ... because you are already it ... it is simply a matter of letting the 'growing into the self' take place.

Nice analogy. My mind can totally get what you mean by merging the soul and Body into the one Light. To me, it seems as if the body, when working with the Soul Light, acts as a Booster pack!

Indeed, Blossom. Therefore, we encourage ... as many are doing ... to treat your body with the respect it deserves. Give Gratitude for all its accomplishments. Look after it. Feed it well ... and here we would say ... the greatest food you can offer it ... is your LOVE.

How often ... the minute one has an ache or pain or malfunction ... does one moan and groan and 'blame'!

REMEMBER THE MAGNIFICENCE of this creation of the human body. We do not need to tell you this. It speaks for itself.

So, serve it the best way you can. The more you look after it in all ways ... the more you can feel Lighter Energy flowing through you. You were not designed to grow old and for all your bits and pieces to fall apart! This is programming. The deterioration of the physical body does not happen because it was designed that way! Deep down inside you know of this.

So ... with Love ... we finish this transmission for today.

Indeed. YOU ARE!

Hello, my friends. Yesterday, I tried to communicate and chat with you about Light Language. Yet, it just wasn't happening. Was that because of energies yesterday, or is it that Light Language is not something you would care to discuss? Oh ... Good morning, by the way.

Welcome, Blossom and to Each and Every Soul that arrives here to join in these conversations. You are correct, we do not care to discuss Light Language ... in all its diversity. We chose not to even begin, as we knew it would lead you into a confused frenzy, due to the complexity therein that particular subject. However, we would say that it has its uses and its Healing properties. We would care to leave it there.

Interesting. What would you care to discuss? You don't do politics and things of that nature. There is a big election coming up in the US ... which many are a buzz about. Any comment?

No and yes! We do not care to divulge that which is to occur.

So, you know?

We know the flow of it and yet, so much could change to draw things out. Is it not that Souls find 'the waiting' for something big to occur frustrating enough as it is ... let alone us give you more 'insights' that you then have to hang on by a thread to occur?

True. At the same time much is being opened up regarding child trafficking and the abuse by those 'at the top'. It seems more than coincidence that much is being spoken about now, in the lead-up to the elections.

We have said all along that Truths have to come out and they are. Yet, slowly. For to reveal it all in one

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

hit would be too much ... way too much for the unawakened and even the awakened to handle.

WE KNOW THE LIGHT HAS WON.

Yet, in order for the darkness to leave, there has to be much exposure, so that the energies of such atrocities can be brought to the surface and dispersed.

We have spoken many times of Phase Two ... as all these Truths come to the surface there will be the need for control of the masses. Not by those that appear to be in control now ... yet, by what you would call the 'Good Guys'.

Who are?

The ones who have been working vigilantly behind the scenes for years in order to bring about this Grand Transformation.

So, you are still saying there will be another lockdown to take us into Phase Two?

Yes, we are.

And it will be in the guise of some form of 'spreading virus'?

Yes, it will.

I feel if we continue with this topic, we will merely be going over old ground. Yet, thanks for the heads up.

We very rarely speak in a time frame and yet, things, as we speak to you this day, are really 'hotting up'. The changes are to be dominant in many countries.

Not all?

No. For, not all countries shall be as deeply affected.

By what exactly?

By the downfall. By the breakdown of communication. By so many things that shall 'fall apart' in the months to come ... needing a system in place to rebuild 'living qualities' that so many are used to.

You see, Blossom ... it is difficult to determine the reactions of the 'average, normal person'. By this, we mean Souls who have absolutely no idea about what is to come. Souls who have blindly been led by those that control the media and have had their minds programmed to such a degree that ... all that is to take place and be revealed ... will leave them in such a place of confusion that they will not know which way to turn.

OF COURSE, THIS IS WHERE YOU, EACH ONE THAT KNEW THIS WAS COMING, STEP INTO PLACE. TO GENTLY ENCOURAGE THEM IN HOPE OF A BRIGHTER FUTURE THAT IS TO COME.

Their minds have been so warped by continual lies that it shall be very difficult to convince them of the tyranny that has conducted their lives since birth.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Be gentle with these Souls that do not understand. Assist them in ways of Loving explanations. For to bombard them with all information that you already have, and have had time to absorb, will not be suitable.

White Cloud's metaphor of the bar of chocolate springs to mind. If one eats the whole bar ... the body goes into overload and feels so out of sorts. Yet, to digest one square at a time and allow it to be absorbed will serve well. Then when ready for the next square one can take it in and not be affected by the content. I'm trying to put it in a nutshell. Hopefully one can get the gist here.

This is correct, Blossom. We ask you to keep in mind also, to those who, with respect, 'think they are in the know.' You really are not. That which is to come is so 'out of this world' that many, even those who consider themselves sturdy in these matters, will have trouble digesting the revelations that are to occur.

Far out, Brussel Sprout. The mind Truly boggles. Yet, no point in getting wound up about it. We just have to stay headstrong in our Truth and Light and go with the flow.

This is so, Blossom. This is what you have prepared for. This is what you have been working toward. This is what you have been waiting for.

Well, many will be happy to get the ball rolling at last. Although, you know me. We shall wait and see on all these matters, as time has no meaning for you guys.

Dearest Blossom and all our friends of Earth ... if these times ahead were not to be occurring ... if it was that your world was to just continue on and it was a world of Great Love and Joy and Laughter, without hatred, without war, without poverty and starvation ... and most of all, a world that was not 'headed' by the darkness ... we would have no need to come through. You would not need reminders of the Loving Beings that you are ... of the Power that you have within you to change things ... for it would not be necessary. We would be superfluous.

However, this is not the case ... and that is why we come.

As much as the scenarios we speak of seem far-fetched and unimaginable ... it is a fact that what is taking place upon your Planet ... HAS TO CHANGE.

A PLAN WAS PUT IN PLACE TO DO SO.

AND YOU ... EACH ONE ... ARE PART OF THAT PLAN AND YOU ARE HERE TO CARRY IT OUT. TO SEE IT THROUGH.

It does seem unimaginable and yet, I am aware of the darkness and their game and it is abhorrent and WRONG! Therefore, if all that is to take place is to STOP any child from being harmed ... to STOP the LIES ... then indeed it is an honour to be here and to play our part.

THE FEELING OF FREEDOM IS UNKNOWN TO YOU.

TRUE FREEDOM.

YOU ARE HERE TO SET YOURSELVES FREE FROM THE SLAVERY THAT YOU HAVE BEEN IMPRISONED WITHIN FOR EONS OF YOUR TIME.

The walls are crumbling now at a fast rate, for the structures are collapsing from the core from the root of evil.

TO HOLD YOUR LIGHT MORE STRONGLY THAN EVER WILL BE NECESSARY.

NEVER FORGET WHO YOU ARE.

THE STRONGEST OF THE STRONG.

NEVER FORGET THE POWER OF THE MANTRA.

You consider your world to be of madness and it is to get more so.

Yet know ... it is necessary.

The madness is because of the Truths coming out ... more and more of them and although, as we have said, not all at once ... they will be opened up to you at quite a fast pace and the impact that these reveals shall have will cause much unrest.

HOLD ON TO YOUR HATS!

Hmm. That's been a while! I'll have to get mine out the cupboard and dust it down.

Yet ... remember within all this ...

YOU KNEW IT WOULD TAKE PLACE.

THERE IS ABSOLUTELY NOTHING TO FEAR.

HOW CAN YOU FEAR WHEN YOU KNOW YOURSELVES TO BE OF SUCH LOVE?

LOVE CONQUERS ALL.

Be 'sensible' about unsensible matters.

What do you mean?

Much that will take place will derive from the darkness trying to cover their tracks ... trying to convince many that the Light is actually the dark. Be aware of this at all times and remain in YOUR TRUTH. Check in with YOUR TRUTH.

This is not new for you. For a long while, lies have been mixed with Truths in order to confuse.

Should there be times when you know not what to think, or to make sense of that which is being told ... tap into your heart ... breathe ... say the Mantra over and over and let thoughts pass through you.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Do not become attached to anything.

Remain steadfast in the KNOWING that ...

No matter what is taking place ...

No matter what you are being told ...

No matter how differently Souls all around you are behaving

YOU ...

YOU ...

YOU ... ARE THE LIGHT LOVE AND TRUTH ,,, AND NOTHING CAN TAKE THAT AWAY FROM YOU.

NOTHING.

It's a weird feeling ... Not knowing what lies ahead and yet, knowing something big is going to go down. Much, much, much bigger than Ben Hur!

The enormity of such ... is beyond your comprehension.

Yet, we reiterate ...

STAND IN YOUR LIGHT.

STAND IN YOUR STRENGTH.

YOU HAVE BEEN BUILDING UP TO THIS FOR SO LONG.

You are making it sound as if 'whatever' it is, is imminent, yet, remembering the 'no time factor' with you. So, as always ... we shall keep vigilant and carry on shining our Light and bring forth Laughter wherever possible. The best weapon of all! Well, a very interesting chat, indeed! Thanks, chaps. We are with you throughout.

Hello there. I had an appointment earlier and planned to come back and do this channeling. When going into the appointment, I noticed a young girl sitting on a bench near the bus station, just staring into space. A few bags around her. When I came out an hour later, she was still there. I walked past yet, my heart needed to go back and check in with her. Such a beautiful Soul who had been homeless for about a year. We hugged and I simply couldn't let her go. I wonder when either of us had last had such a long, long, Loving hug. So, we kept on hugging. The only words I spoke were 'From this moment on, let it be that your life changes for the better'. I handed her some money and left. I cried all the way home. Surely ... I COULD have picked up her bags and brought her home. I COULD have offered her a shower and to do some washing. I COULD have given her a bed for the night. I COULD have given her so much more than money, yet, I chose not to. Making excuses because it WOULD have been inconvenient. My Heart is so torn. I feel so selfish. Yes, I gave her all the Love I had. yet, I COULD have done more. How could I welcome her in and then spit her out onto the streets again? Please offer some advice. She is haunting me. This is not the initial vibe I had in mind for today's channeling yet, here we are. Thank you.

Dearest Blossom and all Souls here in this moment of connection. We shall speak to you of KNOWING. KNOWING that the offering of Kindness changed her Heart. It changed her Energy. Her Heart was warmed by your Love to a complete stranger. A change of Heart took place within her and indeed, from now on, as you asked it to be ... her circumstances shall change.

That would be so wonderful. Yet, I am battling with my 'giving' only going as far as it suited me. It would have been too inconvenient for her to stay with me. I feel I have let the side down.

Blossom ... KNOW that the act of kindness and the Loving hug was exactly what she needed, to go on her journey. You have set the wheels in motion. You flipped the coin, so to speak. You could have just walked on by, yet, you did so much more. You have to Trust that if it was meant to be for her to come to your home ... she would be with you now. Yet, the Universe has a different journey in store for her.

I have to Trust that all my thoughts of asking White Cloud to change things for her ...will come about.

Is this not that which we have been speaking of, Blossom?

TO KNOW THE POWER WITHIN AND THE MIRACLES IT CAN PRODUCE?

To KNOW that the Love you exchanged was creating a Miracle for her life to change and that is why you needed to hold each other for that length of time, in order for the transformation to take hold.

I am choosing to take your words as Truth ... and not just trying to make me feel better. Thank you. I wonder if I shall see her again?

It matters not. The timely meeting took place ... as arranged.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Funny though, through my tears when I got home ... I was trying to make myself feel better, in that, perhaps I was an Angel to her just for that brief encounter ... and then realized... that in fact, SHE was the Angel for me. The Love she gave back to me was so Truthful and that is why no words were needed. I know not her name, yet, I encountered the most profound exchange today for which I am deeply grateful. I will leave this there, yet, thank you. I needed to voice this to release it ... before moving on to the question I had planned to ask.

Somebody wrote in to ask this ... I thought it may help many.

As someone who has been into « this » for decades. The hope (sometimes the « knowing ») that huge (and ultimately positive) changes are on the near horizon, has given me strength and joy many times, but also many disappointments, and bouts of doubts and depression. At other times, I just released my expectations and was able to live in the « now » moment, as joyfully and lovingly as possible, and I felt well, but this state is difficult to maintain through the highs and lows of life. How would you suggest we navigate this dilemma? Is it counter-productive to « hope » for something to happen « soon ». While it can give strength, it can also lead to a lower « low ». But living without expectation can either be empowering and blissful, but at times, a bit depressing as well. Over to you guys ... Thank you. **We are grateful for this question being asked. Those of you upon this Planet at this time, are experiencing so much confusion, disappointment and disbelief at that which is being revealed and presented.**

There is nothing wrong with 'HOPING' for a better world to live in. There is however an easier way to 'navigate this dilemma' ... by KNOWING that there is a better world coming ... and it is BEING created by you.

That which we speak of and many others, we agree, can leave one feeling out of sorts as to the 'How' and 'When' and indeed 'Why.' Yet, at the same time, we feel it necessary to speak of the matters that we have, to prepare you for the possibilities that lie ahead.

One's greatest desire we assume is to be Happy. Who could ask for anything more? If one is Happy, not one other requirement is needed.

Happiness lies within ...

It comes from within ...

IT IS WITHIN.

Therefore, we suggest one chooses to focus on finding and Being that Happiness.

Easier said than done on a full-time basis, as the lady mentioned.

Yet, this does not stop you from 'working on it'. We hear you saying 'Should it have to be worked on? Should it not be our natural state?

Yes, indeed, it is innately your natural state of BEING ... for when ONLY LOVING THOUGHTS about All and Everything consume your very breathing ... there you shall find Happiness.

Mm. Trouble is, when that blue bird of happiness sits on your shoulder for too long... inevitably, it seems to poop on you!

Do you not have a saying that this brings good luck?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes, yet, I have no idea why. Do you?

We do not. Yet, whoever came up with that KNOWING was indeed a Positive Soul. To master Positive Wellness, to sit within your Highest Positive Vibration at all times does not come easily due to programming and presentation all around that is designed to make you feel otherwise.

As we have pointed out ...

YOUR POWER CAN RISE ABOVE ALL OF THAT.

Your diligent attitude toward making this so, is the key to bringing this continued High Vibe about.

Not easy though, amongst the 'opposition' and their continued energy that is being sent out to bring us down.

MOVE THROUGH IT.

If you know this is so ... MOVE THROUGH IT.

It is an ENERGY ...

Everything is an Energy ...

Change your Feeling. Use the tools you have been given.

I am sure you know how POWERFUL the Mantra is. People use it all the time. It is wonderful to hear how much it is spreading and helping folk. So, a general thank you from us all for this.

Because of the Power within it. The coding which is 'attached' to your etheric, Spiritual Heart.

It ignites it with LOVE and STRENGTH. It is your fuel, if we would put it that way.

So, to continue with suggestion to the question. Perhaps think not of what you 'think' is to take place yet, FEEL how you wish your life to BE.

FEEL the Happiness that you wish to wake up to every day.

Again, easier said than done. Sometimes easy, sometimes ... I am just not up for it!!

Then, allow yourself to FEEL that when necessary. You KNOW you will come back up. That is all that is required from/of you ... by you.

TO DO THE BEST YOU CAN IN ANY GIVEN MOMENT IS ALL THAT YOU NEED TO ASK OF YOURSELF.

Less of the beating up for not Being ... A LIVING BREATHING ... OBVIOUS ANGEL!

And more of KNOWING that the Truth of who you are IS A LIVING BREATHING ... not so obvious Angel.

In this, we mean that it is not necessary to be OBVIOUS!

YOU JUST ARE.

Were you not an Angel this morning in your encounter, Blossom? Was not the young girl an Angel?

Was this not OBVIOUS? Yet, in such a discreet way that ONLY LOVE ITSELF can KNOW the exchange between the two that took place.

LOVE ... LOVE ... LOVE.

The wonders that LOVE in/of/as/through itself can reach out and touch ... go far beyond that which one 'assumes' it to.

YOU ... EACH ONE ... ARE THE LOVERS OF/FOR THIS WORLD

That which you are told in these times can be very depressing. Yet, KNOW ... that all we have said is from our Truth ... it is the timing of it that brings about disappointment.

Let go of time frames.

Wake up each morning knowing you ... as you ... the Soul residing on Earth in these most important times ... are going to make the very best of this life you have been given.

KNOW you are fulfilling the task you came to complete.

KNOW that by bringing Joy to others and indeed, yourself, is the greatest most powerful tool you have to rid the darkness from this beautiful Mother Gaia and restore PEACE once again.

KNOW YOU CAME TO DO THIS.

KNOW YOU ARE DOING IT.

KNOW IT IS DONE.

Just you wait and see, Dearest Souls. Just you wait and see,

Well, we have waited this long, I guess we can wait for as long as it takes. We just will. What choice do we have?

Your choices of attitude are what assists most.

You KNOW how to manoeuvre through the trials.

The longer it takes ... the more you master these skills.

YOU HAVE GOT THIS.

YOU ARE WARRIORS OF THE GREATEST LIGHT.

THAT LIGHT NEVER STOPS SHINING AND BEING THAT WHICH IT IS ...

YOU!

Thanks so much. I am feeling much stronger and Brighter than when I began.

13 October 2024

Hello there. So many, once again, are homeless. Their homes and all belongings gone ... and yet, here many of us sit, carrying on in our everyday lives, unscathed, unharmed, untouched. How can we help those less fortunate? It would be good to have some input from you. Of course, we know to send Love, yet, is there more we can do?

Welcome, Blossom and Each One. Each One residing upon this Planet, some with roofs over their heads, some not. Some with food, some not. Some with someone to hold them, some not.

Dearest Souls ... on the understanding that we are all ONE ... then let it be so, in the KNOWING that, that which you do ... you do unto another.

Therefore, when you lay your head to rest at night, in a warm cosy bed ... KNOW you are doing it on behalf of another.

When you partake of a nourishing meal, do it in the KNOWING that the food you intake is benefiting another.

When you cuddle up close to a Loved One ... KNOW the warmth felt, is warming the Heart of one who does not have this Loving tenderness in their life.

You Understand what we are saying?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You can apply this to absolutely everything that you are Grateful for.

TO KNOW THAT YOUR HEART IS ALSO ANOTHER'S HEART.

SO THAT IN ALL THAT YOU DO, YOU DO IT IN THE KNOWING THAT IS FOR THE HIGHEST GOOD OF ALL.

Thank you. I get this and have done so for many years. Yet, it takes a lot of TRUST in accepting that this is so and that another can actually feel it.

It does not take Trust Blossom ... It takes KNOWING.

That is ALL it takes.

KNOWING THAT THIS IS SO.

Yet, when getting into a warm bed ... many are freezing on the streets ... how does my 'doing this' and Being aware I am doing it for others, really help them?

Blossom, you would be surprised. So, maybe we need to go into more detail about the KNOWING.

If you wouldn't mind.

It could be ... that when you KNOW another is being warmed by your gesture ... that although they have no bed ... a Peace can come over them at that time. It is more than possible for them to FEEL your warm bed 'Energetically', for you are part of THE WHOLE.

Would we say that your 'circuitry' travels to them via the connection that Each and Every Soul has.

YOU ARE ALL CONNECTED BY IT ...

THROUGH IT.

This connection is part of you. It is how you pick up on another's thoughts. Thoughts of one that maybe far away and yet, they are aware of you at that time, because YOU are thinking of them.

So, it is to take that understanding to a much deeper level, and KNOW that the thought sent out can be created into an action, and be felt on a level of reality even though it is not. It simply is the connection reverberating through the circuitry and creating an effect.

This is how you can STRENGTHEN those who are experiencing such loss.

This is how you can BRIGHTEN one's day, even though you do not know them.

To send out Joy to places that are destroyed may seem an odd thing to consider ... and yet, if you KNOW that what we speak of is TRUTH, then would you not agree that Joy is something they are in great need of?

Each Soul who is experiencing devastation and loss and finding themselves 'surviving' under extreme conditions, is having to dig deep within to find the will to continue.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, also, with such ease, they find their willingness to assist another wherever they can. In these places there is so little of 'Woe is me' and a great deal of 'How can I help my neighbour'.

There are many Miracles that derive from such tragedy. Blessings, both large and small, that lift the Spirit under such dire conditions.

All over your Planet, Souls are suffering in one form or another.

THIS IS NOT HOW IT SHOULD BE.

Many lives are lost on a daily basis, yet, understand that there is no loss, for these Souls enter into an immediate release from the struggles they were having to endure.

Indeed, it is the ones left behind ... the ones that must recall that they are the Strongest of the Strong, in order to remain so ... and continue on in LOVELIGHT.

Sometimes I find it hard to do that and I consider myself to have a Blessed life. How Soul's manage to do so under the trials and strife they have to endure on a daily basis, I do not know.

Blossom ... many find it hard to accept that it is through choice that one is born into a particular country ... a particular family. One may ask why one would 'choose' to be born into poverty? Yet, from the Higher perspective, the Soul KNOWS that such circumstances will serve them in a way that may not seem apparent when witnessing such hardship.

I am aware of these things, also. Yet, lately, I question all of that! I mean ... really? Or, is that something that we choose to accept to make us feel better? Is it not just a convenient excuse? So much doesn't make sense to me these days.

Then here, we shall enter into the personal choices of knowing and beliefs. Of Faith and such like.

IT IS A CHOICE to accept these possibilities.

What if they are not True?

You choose. Truth or not? If you choose it to be so ... then it becomes YOUR TRUTH.

But what if it's not THE TRUTH?

Then you would be choosing it not to be.

And then what? Just be confused by the point of it all ... I mean ... ALL OF IT!

If that is what you choose to choose!

BLOSSOM AND EACH ONE ... YOU ARE YOUR OWN CREATORS ... OF THOUGHT AND OF TRUTH.

See, I don't get that ... Either someone chose to be born into poverty or they didn't.

And it is their choice, as well as yours ... to accept that as a Truth or not. Whether or not it IS TRUE is irrelevant ... IT IS THE DECISION TO KNOW IT AS TRUTH THAT WILL DETERMINE THE PATH EACH ONE

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WALKS.

This is the Game.

For many, the word 'GAME' used to sum up our existence, can be SO offensive.

Yet, when one really KNOWS how to play this Game, they feel very differently.

We understand that to keep one's self, one's thoughts ... on track is most challenging. Yet, when you understand that this is how the Game works, then you understand how Magic and Miracles occur.

IT IS YOU THAT CHOOSES TO BE KIND.

IT IS YOU THAT CHOOSES TO FLOW WITH THE TIDE OF WELL-BEING.

IT IS YOU THAT CHOOSES TO CHANGE A NEGATIVE THOUGHT TO A POSITIVE ONE.

IT IS YOU THAT CHOOSES TO FORGIVE YOURSELF AND OTHERS.

IT IS YOU THAT CHOOSES LOVE OVER HATE.

On and on we could go.

YOUR CHOICES ARE THE RULES OF THE GAME. AS SIMPLE AS THAT.

One's Heart dictates to you that which you know to be of Goodness and that which does not feel this way.

The choice is then to act upon the Loving way ...

To KNOW that all you desire can be yours ... everything you want YOUR world to Be ... will present itself to you when you KEEP ON TOP OF YOUR GAME.

WHEN ONLY LOVE FLOWS THROUGH YOU ... AS YOU.

Many of us have a long, long way to go before we could say that we are at that 'stage'.

You would be surprized, Blossom.

FOR EACH ONE ... EACH ONE OF YOU ARE NOTHING OTHER THAN LOVE.

The thoughts that you feel are negative, or, 'off', about anyone and anything ... are collective thoughts that have been programmed into you ... Your EGO mind, would we say.

For YOU as a SOUL, Being in Human form can only BE LOVE ...

FOR THAT IS WHO YOU ARE AND WHERE YOU COME FROM!

If you were to KNOW this and allow YOUR TRUTH OF THIS to flow through your every breath ... not only would you feel such a difference in your BEINGNESS, yet, you would instantly see changes all around

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

you.

KNOW YOURSELF TO BE LOVE ... ONLY LOVE.

TO FEEL THIS DEEP WITHIN IS TRANSFORMATIONAL.

Yet, somehow it seems we really need to work on this notion, as we have been so indoctrinated to believe ourselves to be otherwise.

Let us not use the word 'work'. Perhaps, exchange it for 'play'.

'Play' with the notion that any thought, word, or deed that feels as though it is not from the Loving BEING that you KNOW yourself to BE ... is not OF you. It is from the Game ... and you KNOW the rules of this Game!

The rules being what exactly? I am sure we have been down this pathway many moons ago.

The rules are ...

I know it ... I know it ... there are no rules!

Correct. Because it is you that navigates through this Game. It is not a matter of rules, Blossom. It is a matter of KNOWING HOW TO PLAY IT.

Be in tune with ALL THAT IS.

LOVE ALL THAT IS.

KNOW IN TRUTH ... THE UNIVERSE ... GOD ... CONSCIOUSNESS ... WHICHEVER NAME YOU PREFER TO GIVE 'THE ALL THAT IS' ... HAS GOT YOUR BACK.

'IT' WANTS YOU TO BE HAPPY ... IT WANTS TO GIVE YOU EVERYTHING YOU WANT.

AND IT WILL ... WHEN YOU FLOW IN ITS LOVE.

WHEN YOU CHOOSE TO RESIDE IN THE VIBRATION OF ITS JOY.

WHEN YOU ACCEPT THAT IT IS YOU THAT ARE THE CREATOR OF WHAT COMES NEXT IN YOUR LIFE.

YOU DECIDE ... YOU CHOOSE ...

AND WITHOUT FAIL ... IT SHALL BE GIVEN UNTO YOU.

Nice one! Lovely Jubbly. Thanks so much. In Gratitude. In Loving Service. I Am.

26 October 2024

Good morning. Ok. I am going to pose a question, with a little trepidation, as sometimes I feel the answer won't come. How's that to start this conversation with Trust?! Someone sent in a very good question. Here it is ... Ok, here we are, the strongest of the strong. But, what about the pedophiles, murderers, rapists, criminals, and thugs? Are they the strongest of the strong because they are here on Earth at the same time that we are? I think the FOL once told us that many, many souls wanted to be on Earth at this time, but not all could "make the cut." So, why would some of these precious "soul slots" be given to the lot I just mentioned? We all know the behaviours they typify are not what we should emulate. ... And ... the answer is?

Good morning, Blossom and to Each and Every One who receives understanding from the words we bring forth.

In reply to the worthy question. Not all that are upon this Planet at this time are part of the agreement made to change it ... to lift it ... back into its Higher Vibration.

It has taken many eons of time for your world to reach the state that it has. As many of you are aware, this is not the first time and yet, this is the first time that the upliftment ... the 'Switch across' takes place from the 'ground up'.

In times such as Atlantis and Lemuria and others ... it was decided that intervention must take place because the Souls residing on Earth at that time had 'Lost the plot', would we say ... to a degree that was taking a slippery slope downwards, and a refresher was put into place. Not all Souls had fallen for the greed of the good life ... and by this we mean succumbed to using Powers for self-attainment and pleasure, opposed to intentions for the Whole. Many escaped to new lands via ocean and teleportation to start again and bring New Light into these places.

However, much was destroyed in order to rid the negative energy and restart the programme.

Over time ... a long period of time ... Souls who found themselves in need of greed and self-satisfaction to the detriment of all others ... found this Planet to be a good base to bring about such needs.

These original Beings with 'Up to no good, in mind', came from other places and set themselves up for the long haul of bringing the Beautiful Earth that is yours ... into a place of all that it has become today.

These Souls do not come from the place of 'The Strongest of the Strong' volunteers, that we speak of.

Yet, understand ... there sadly have been Souls who do come from this place, yet, have fallen into the traps set by the darkness ... unbeknown what they would become, until it was too late.

Such Souls require your Love ... not hate.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, we would say that not all that are on your Planet at this time would come under the category of "The Strongest of the Strong."

Yet, you have often said ... Each and Every One of you ... etc ...

This is so. Each and Every One of you who find themselves in the position of having to BE the Strongest of the Strong.

The thing is, Blossom ...

EACH AND EVERY ONE OF YOU ... KNOW WHO YOU ARE!

Yet, as the gentleman asked ... why were not more of the stronger ones chosen to come down and do their thing, instead of the rapists and murders etc?

Oh, dearest Blossom, for so many reasons.

Please name a few.

Contrast. Forgiveness. Understanding.

Contrast ... a bit drastic a choice.

Your Planet is one of opposites ... night/ day ... black/white ... up/down.

Murderers/ life savers ... rapists/caregivers. That's not quite right, yet, you know what I mean.

And you know from past conversations with us, Blossom, that not all is as it seems. One finds it difficult to understand why such atrocities are 'allowed' to take place and yet, everything has its place at this time.

That, my friends, is going to trigger a lot of people, one way or another.

We are telling you how it is. Whether people agree or are offended, we can do little to appease.

So, let's recap ... not everyone down here at this time has volunteered to be part of THE TRIBE OF LIGHT. Some are and will ... remain oblivious to what is going on ... is that correct?

No. For, as your now moments move on ... more and more shall wake up. If they recognize themselves to Be 'The Strongest of the Strong' then they know their mission upon Earth.

Others will not awaken until vast changes have taken place. Would we say when the transformation is in the making. Some, not until the New Road has been laid out for them.

THE STRONGEST OF THE STRONG ARE TO LEAD MANY ACROSS THE BRIDGE.

We have spoken much of this.

I'm just thinking about all this and a BIG question came into my head ... 'When a Soul returns to the Earth plane ... surely, they don't choose to come down as any of the above mentioned? Who would do that?'

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Correct. They do not. Yet, through choices, through illness ... they find themselves on the wrong path. Yet, keep in mind ... for many ... they do not feel the path is wrong, for it feels right for them.

To hurt another can only stem from programming and sick minds. How can damaging another in any way come from a well mind?

As your World transforms into its Higher Place of Living, Giving and Blessedness ... there shall be no place for this sickness, for the darkness shall be gone. There is no place for such things in the World that is to 'take over'.

Yet, sorry to be the party pooper ... rape, murder, and child abuse has been present throughout the ages, has it not?

No. There have been times upon your Planet when this was not so.

History tells us otherwise.

It would assist you greatly if you let go of that which you are told is 'history'.

I am hearing more and more of the lies we have been told regarding times gone by.

Again, Blossom ... it is not for us to 'expand' on much that takes place, and IS to take place, upon your Planet.

Why not?

Because of The Plan taking its course as it was designed to. To reveal things ahead of their time would change the way they turned out, due to manipulation of thought and energetic control that may interfere.

You see, Blossom ... each Soul upon your Planet is here for a reason. Playing out their role as part of a Plan. In order to see this Plan emerge, the roles may not always be understood, yet, are necessary to complete the outcome.

So, people could be playing a role as part of a plan. They know this ... yet, they are not here to play the part of 'The Strongest of the Strong.'

We could put a huge spanner in the works by saying 'Maybe they would have to be 'The Strongest of the Strong' to fulfill a role that very few would volunteer for, in order to wake many up ... to the Truth.

There are so many questions one could ask. This is where my mind turns into a knotted ball of string because, from the perspective of our mind's understanding within this human form, we cannot make head nor tail of most of it. It is all such a huge conundrum.

It is indeed, Blossom ... and often we find ourselves in a position of not knowing how to explain to you certain things ... 'within a nut shell', because they are too complex and wouldn't be understood 'out of the nutshell' either.

Well, I wonder when I read this back if any of it will make any sense. I tried. As you say ... all of it ... each and every bit ... when whittled down to the core, is all too mind-blowing.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We would care to correct you there, Blossom. For this is not so.

EVERYTHING ... ALL OF IT ... WHEN WHITTLED DOWN TO THE CORE ... IS LOVE.

We may try to answer these questions to satisfy the inquisitive mind and yet,

UNDERSTANDING FULLY THAT YOU ARE LOVE ... IS ALL YOU NEED DO UPON THIS PLANET AT THIS TIME.

All that is to be revealed ... will be done so in DIVINE TIMING.

Keep the Light that you are Shining Brightly ...

Let go of much that confuses.

Easier said than done. When you are down here in the thick of it, it becomes difficult not to at least try to make sense of a lot that comes our way.

And yet, is it not so, Blossom, that when you cannot do so ... you have to resort back to that which you KNOW MAKES SENSE.

BE LOVE.

LIVE YOUR LIFE IN/ AS/ THROUGH/ OF LOVE.

There is so much that cannot and will not make sense at this time ... and therefore, it is a waste of your precious Energy to try and work something out and understand it ... that is not compatible to do so at this time ... in the position you are in.

However, when things change ... and they are doing ... many pennies will drop into place.

Meanwhile, until such time ...

KEEP ON PERSEVERING.

KEEP ON BRINGING THROUGH LOVE FROM THE TRUE PLACE YOU KNOW WITHIN YOU ... YOUR HOME.

YOUR HOME IS LOVE.

YOUR HOME IS TRUTH.

YOU ARE NOTHING OTHER THAN LOVE.

YOU ARE ALWAYS HOME ... LIVING IN YOUR TRUTH.

DEEP INSIDE OF YOU, YOU KNOW THIS ... BECAUSE YOU CAN FEEL IT.

Sometimes it gets buried by the everyday trials that Souls are faced with. Some are in much deeper situations than others.

And yet, Dearest Blossom and all Souls who come across our Energy ... is it not when times get so very

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

tough that the Strength comes to the surface?

It doesn't always have a choice.

Yes, it does.

Doesn't make it any less painful.

Yes, it does.

You're right. It does. When we recognize our own strength shining through in many circumstances presented ... it does 'ring a bell' within the Heart and helps us to remember that indeed, we are 'The Strongest of the Strong. Lordy, Lord! ... we need to be. Thanks, Peeps. In Gratitude. In Loving Service. I AM.

No. 24

2 November 2024

Hello there, Chaps. This week, I heard the devastating news that I have to get out of my beautiful Soul Soother Sanctuary Home in Feb. The landlord wants to move in! On hearing the news, I hit rock bottom ... and I mean, rock bottom. I have been so very Grateful for this home and put so much Love into it ... not to mention pennies ... and my beautiful garden, too. I felt I would be here for years. Not three! It took me straight back to three years ago when Goody passed and I had to move out of that home and set up on my own. However, the reason I mention this, is that it took me less than 24 hours to get back on board and turn it all around to being excited in the Knowing that the next perfect place will present itself in Divine timing etc and all will be well. THIS ... is what you mean by how much we have grown! Would you care to comment?

Dearest Blossom, Dearest Souls, does not your behaviour in this matter speak for itself? We understand how very much aware you were of this 'switch'. Indeed, there had to be the questioning of 'Why', and yet, you and those around you, had the answer in the KNOWING that it HAS TO BE FOR YOUR GREATER GOOD! You have all accepted that to 'Go with the flow' is the ultimate choice. For it is within doing so ... that Universal Law shows up in its Brightest colours.

Within all of this, I felt such a strength and KNOWING of how to play The Game. It is what it is. Keeping positive and excited will bring it to me. Yet, Highest of all on the list is the TRUST!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This again, Dearest Blossom, is where you can recognize how far you have come. You have always been an example to those around you, for you are proof that ...

WHEN TRUST IN ALL THAT IS GOOD IS PUT INTO PLAY ... THEN WITHOUT FAIL ... ALL GOOD THINGS COME YOUR WAY.

The expansion of you and so many, Blossom, in ways of your Soul's understanding of how this Game works, has moved forward in leaps and bounds. It is putting into practice the KNOWING!

Admittedly, I do not deny that before the switch of attitude, I was so upset and angry. I couldn't understand why I had to lose this, when I was so grateful for it in every moment. Yet, it was so good to move on, to move through it so quickly. It felt really good.

This is what you must recognise within you. Each and Every One.

YOU ARE THE STRONGEST OF THE STRONG!

DEAREST SOULS ... IN THESE DAYS AHEAD ... THIS IS THE ATTITUDE YOU ARE TO ADOPT IN ALL THAT IS PRESENTED TO YOU.

There will be so much that will TRULY shock you and time will be needed to let it flow through you and address it for what it is. Yet, then ... move on.

You have had much training on personal levels. You have all endured pain and suffering in its many forms. You have had great setbacks. Each one of them has presented the opportunity for you to put into play all that you KNOW YOURSELVES TO BE.

You now understand so much more of The Game. You do not allow yourselves to fall into the trap of despair and anguish when a situation occurs. Yes, perhaps initially for a short while ... you are human after all!

YET ... Look how your SUPERHUMANNESS Shines through so easily now.

Of course, in doing so ... in turn ... the Universe responds and presents the outcome in the Divine timing.

This is where the Trust comes in, of course. If something came up now, I couldn't take it as I cannot break my lease. So, one must let it go, in the knowing that the perfect place will show at a time when the move can fall into place without any complications. The fact my pension comes through in December is also a HUGE added bonus as prices here are ridiculous!

The TRUST you have adopted for so long now, Blossom, as we have said, is an example to many. This 'curve ball' shall make you Stronger than ever ... BECAUSE OF YOUR ATTITUDE.

WE SAY TO EACH ONE ... REMEMBER ... THAT YOU ARE INVOLVED IN A DIVINE PLAN.

THIS PLAN CAN ONLY FALL INTO PLACE WHEN YOU ... AS SOULS HERE ON THIS PLANET, NOW ... UNDERSTAND AND RECOGNISE THAT YOU ARE A HUGE PART OF THIS PLAN.

As you allow your TRUSTING and KNOWING to guide you ... you recognise how important it is to go with the flow of your stream. For it leads you to new adventures. To new circumstances. To the place that you

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

need to be at an exact time, in order for the next chapter of your life to 'run' as it should.

When you Trust in this way ... the Miracles appear almost instantaneously.

When you allow your Being to align with KNOWING THAT YOUR HIGHEST GOOD IS AT PLAY ... then not only the circumstance that needs the most Trust is turned around and presented, yet, so many other Miracles show up also ... BECAUSE YOU ... KEPT THE FLOW OF ALIGNMENT WITH ALL ... FLOWING.

YOU ARE BECOMING MASTERS OF THE GAME.

MAKE IT A FUN GAME TO PLAY.

I have to admit, I felt that way once jumping back on board. I felt quite excited as to what the Universe, once again, had in store. I know I am surrounded by people who will help in every way to bring this about smoothly.

Again ... the KNOWING ... the TRUSTING.

Dearest Souls, we know that so many of you are in agreeance with that which we speak of.

Maybe some are not quite there, yet. However, you will be!

Each of you has travelled so far in your awareness of WHAT IS!

When you make yourself your number one priority ... when you Love yourself ... every bit of you ... and treat yourself with kindness and consideration ... the self-transformation is phenomenal. You are recognising this more and more ... which in turn gives you the Strength to carry on in the same fashion.

The more you do that ... the more shows up to prove you right ... and it continues on and on in this way.

Consider for a moment how far you have come. There is not one of you reading our words, that can say they have gone backwards in their understanding.

Admittedly, so much has been put out on your social platforms to confuse and bring you down and drain your Energy. Consider that! There is a program in place to drain your Energy. To zap Life Force from you, therefore, leaving you weak and disinterested.

Yet, YOU ARE THE STRONGEST OF THE STRONG ... and you RISE ABOVE THIS!

There are many that have dropped the intensity of trying to discover what exactly is taking place. Who is playing what move next? What is Truth and what is not? It is the best thing for your mind, body, and spirit to do so.

You ... without doubt, will find out ... in Divine timing ... all that has been taking place to get you to where you are going!

Far better, as you have discovered, to serve your Soul, than to serve a social platform that can be created to appear as Truth, when in fact it could be the opposite.

We are aware that in the state of America ... we do not see it fitting these days to call it 'United' ... that a Huge Change is to present itself.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I can sense the word 'curve ball'. Is this correct?

It is more than that, Blossom.

BE PREPARED ... ONE AND ALL.

Far out! Here we go again. I feel, no matter what occurs ... there is going to be upheaval.

Your feelings serve you well. Have we not said that there is much upheaval to come?

Yet again, let us remind you of the essence of this conversation.

THIS IS A GAME.

THE LIGHT HAS WON.

WHAT IS TO TAKE PLACE ... IS THE GAME PLAYING ITSELF OUT.

YOUR BEST MANOEUVRE IS TO STAY CALM, COLLECTED ... AND IN YOUR UNIQUE POWER.

RISE ABOVE IT.

HIGH ABOVE IT ALL.

Take your KNOWING into a place of excitement for what lies ahead. In the same context as you have done with the news of vacation of your sanctuary, Blossom.

KEEP IN YOUR SIGHTS ... THE HIGHER PROSPECT.

THE HIGHER PURPOSE.

KEEP THIS IN YOUR SIGHTS AT ALL TIMES.

As happened with you, Blossom ... the initial shock will have an initial effect. It cannot not.

Yet, with your hats tied down firmly on your heads ...

YOU KNOW ... YOU TRUST ... THAT YOU ARE WALKING INTO A NEW WORLD.

A HIGHER VIBRATIONAL LOVING WORLD THAT YOU HAVE COME DOWN TO HERE TO BRING ABOUT.

The Strength you have encountered this week, Blossom ... THAT POWER WITHIN ... is just a taster for what is to come.

As with all things ... PRACTICE MAKES PERFECT.

So then, with each encounter, be it large or small, that gives you the choice to sink or swim ... naturally ... you will choose to swim.

A dear friend of mine, who has been through a lot ... as so many of us have ... commented on the fact that we

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

know we can get through it. This we DO KNOW ... it is the effort involved in the doing so! She hit the nail on the head there!

Yet, nothing really is an effort if it is done with Joy, Blossom.

Agreed!

Brace yourselves for what is to come.

Brace yourselves. You've never said that before. A sort of 'baton down the hatches' feeling.

KNOW THROUGHOUT ALL THAT HAS AND IS TO OCCUR ... IT HAS TO TAKE PLACE IN ORDER FOR THE TRUTH TO COME OUT ... AND FOR THE DARKNESS THAT HAS RULED YOUR PLANET FOR LONG ENOUGH NOW, TO BE EXPOSED.

AS THIS TAKES PLACE ... REJOICE AS YOU ENCOUNTER THE LIGHT FILLING EVERY CORNER THAT THE DARK ONCE 'POSSESSED' ... AS YOU FEEL THE LIGHTNESS OF YOUR PLANET ENTERING YOUR HEARTS AND ALLOWING YOU TO FEEL THE ABSOLUTE TRUTH OF WHO YOU ARE.

SOMETHING OF WHICH YOU ... HERE AT THIS TIME ... HAVE YET TO EXPERIENCE.

THERE ARE NO WORDS TO DESCRIBE HOW THIS WILL FEEL.

Well, Truly, that is a thought we can all hold on to ... to see us through. Go and have a cup of tea, Guys, ... We've got this from here!

This we have always KNOWN.

In Gratitude. In Loving Service. I AM.

9 November 2024

Well, Good morning. No need to tell you what folk would like to hear you speak about today. You don't do politics, I am aware of that, yet, your thoughts on the way forward?

Good morning to you, Blossom and Each one present to receive these communications between us.

The outcome of that which took place this week will very quickly prove itself to be one that assists greatly in moving your World into a better place. A much better place.

For those who do not feel in tune with this ... perhaps in time, thoughts and programming shall be changed, as one, should they choose, recognises why this result had to take place.

We are not about politics, as you have said, Blossom. We are about making absolutely sure that the battle between Light and dark is over.

THE LIGHT HAS WON.

We have said this over and over.

In the coming days, months and years, there shall be so much CHANGE that shall bring the TRUTH TO LIGHT.

Is it NOW that many Truths will come to Light?

Many. Many. However, there shall still be presentations in which the darkness will throw their last few curve balls.

Yet, there is nothing to fear.

Some are asking if we are now moving into Phase Two. You have said Phase Two will be another lockdown and I cannot really see that taking place now. Yet, who am I to say?

Blossom ... much that is to occur will seem incredible.

Which can mean 'impossible to believe'.

This is how we are referring to this word ... as in 'disbelief' ... and yet, we also use it in the sense of that which you would call 'Amazing'.

Therefore, the Plan that is in place remains. There shall be the requirement for families to stay indoors, yet, we have also said that it shall be under a guise, in order to bring about what is necessary.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

When you say 'the plan that is in place remains' ... surely, you cannot mean the actual 'Divine Plan.'

We do not. The Divine Plan cannot fail. Yet, in order to reach markers, certain phases of the Plan can be altered to suit the flow.

Adjustments may be necessary. However, we still hold with the understanding that Phase Two will be an 'internment of the people' for a short time. This must be so.

In order for Truths to be told?

Indeed.

To be honest, I am not so sure I agree with you on that. It seems so unlikely. Yet, of course, I am just the messenger and both you and I are allowed to view our opinions in these conversations. Just because I bring the message through, doesn't mean I have to necessarily agree with all you say, right?

This is absolutely correct, Blossom. This is why we Love you so!

Isn't it a bit odd though ... because isn't that basically saying I don't Trust you?

We do not view it that way.

Oh good!

Blossom ...

YOU ARE ONE OF MILLIONS OF HUMAN BEINGS WHO ARE ABOUT TO EXPERIENCE THE BIGGEST BREAKTHROUGH MANKIND HAS EVER KNOWN.

We understand why you would be sceptical, for you are unable to see things from the Higher perspective.

All that we ask from Each One of you, is to follow your Heart and stay True to yourself. This is what you are doing, Blossom and we respect you for your point of view, as much as you respect us.

As the next movement of the Plan is exposed to the public ... some will find it to be a BIG WAKE-UP CALL.

What is about to be told ... will prove to be very difficult for many to absorb. In a sense, there has to be spoon feeding, in order for 'sanity' to remain for many.

Remember, within each and every exposé ... the shock shall send many reeling in disbelief.

Yet, many of you have been preparing yourself for such things.

You have said also, that what is to come is something we cannot comprehend within our wildest imaginations. Is that so?

It is. Yet, keep in mind, this is a Divine Plan and it has to be played out in a manner that shall always serve the Highest Good of all.

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Well, bring it on! Interestingly, yesterday I was so out of sorts. I felt it must be the energies of the whole thing flying around.

There will always be energies flying around Blossom. As the changes are put into play, we ask you to remember all that you have been preparing for.

You have all waited so long for this change and now it is here.

So, although you are not political ... this result seems to definitely tie in with all that you have been speaking of.

It was necessary in order for the Plan to play out.

Little by little, for it has to be this way ... so much that is revealed will settle within the understanding of what has been taking place.

Well, I think there are so many of us who are ready to 'suit up' and do what has to be done. Say what has to be said. Our Light has been growing ever Stronger and Brighter and we have been waiting for so very long to get his show on the road, and it seems like you are saying the trucks are loaded and ready to go.

Can you not feel it in the air, Blossom?

Well, to be honest ... I think I can. I am not sure what form this shall take, yet, I KNOW we are ready. I have to say though, once again, that I am aware of those who follow your messages that will be brokenhearted at the result and perhaps will choose to walk away.

If this is the case, Blossom, then one must KNOW that they are following their Heart, and that is what we have urged you to do all along. If they choose to do so, we are Trusting in the knowledge that their souls have gained much from these conversations, and we send our Love to them in the next phase of their journey.

AGAIN WE STRESS ... THIS IS NOT ABOUT POLITICS. THIS IS ABOUT LIGHT AND DARK.

Remain steadfast, Dearest Souls.

KNOW WHAT YOU KNOW!

We have spoken of turmoil that is to increase. There shall be so much unrest as accuracy of Truth is presented and the 'general public' will find their minds in such distress. For they have been sleeping in a state of unknowing. For them, such shocks will take some of them to a state of disarray, that behaviour from many shall be completely unlike their usual status.

BE KIND ... BE GENTLE ... BE UNDERSTANDING ...

Within your Wisdom, we know you will not be of the 'I told you so' attitude.

IF EVER THERE WAS A TIME TO BE EXCITED ... LET IT BE NOW.

YET, AT THE SAME TIME ... BE PREPARED.

Stay centred and check in on YOUR Heart. In YOUR Truth.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

What games will the darkness play as their last hurrah?

Whatever they try to do now, will stand no ground. Many, many, many ... who are involved in the atrocities and lies are already feeling and knowing they have nowhere to turn.

IT IS OVER.

REMEMBER THAT.

NO MATTER WHAT, AT TIMES, MAY STILL BE PRESENTED ... KNOW ... IT IS OVER.

It feels as if so much is going to take place so quickly, I think I need to add some superglue to my hat to keep it on!

You are correct, Blossom. There will be an initial influx of surprises and once the dust has settled on them, there shall be another and then another.

One 'reveal' will, by its nature, lead to the next and the next and so on.

This was not planned overnight, Dearest Souls.

NEVER IN THE HISTORY OF YOUR TIME HAS SUCH METICULOUS PLANNING TAKEN PLACE.

The HIGHEST OF INTELLIGENCE both on and off Planet have come together to make sure that there is not one flaw in this plan.

A thing I find fascinating is the predictions of all of this, which have 'not so subtly' been woven into the cartoon series of 'The Simpsons'. It's Bizarre! How is that possible?

If you take 'time' ... 'out of' ... or ... 'into' the equation ... much can be manipulated. 'Time' being one of them.

I'll take that as a statement I choose to simply understand.

Blossom and all Souls who we have become so familiar with and know to be as family ...

We take this opportunity to THANK YOU for TRUSTING YOURSELVES.

To do what you have done in faith and Knowing is TRULY remarkable and shows to you just how valuable your TRUST is.

NOW SHALL YOU RECOGNISE SO MANY THINGS THAT DID NOT, AT ONE TIME, MAKE ANY SENSE.

SUCH TIMES WHEN YOU WANTED TO GIVE UP AND GIVE IN. YET, YOU CHOSE TO STAND STRONG AND NOW YOU WILL SEE SO MUCH OF THAT WHICH WE HAVE 'DELIVERED TO YOU IN WORDS' COME ABOUT IN YOUR REALITY.

TRUST IN THE PROCESS.

TRUST IN YOURSELVES

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

TRUST IN YOUR TRUTH.

REMEMBER TOO, TO BREATHE.

REMEMBER TOO, THE MANTRA.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

This shall assist you more than ever in these coming days.

If you were to give us a metaphor of what is to come and soon, what would it be? I feel this may help us to put things into proportion.

Immediately, we show to you of a desk toy that has metallic balls hanging in a row. When the first one is set into motion it knocks the next one, the two then gain momentum and the third one joins. You get the gist. Very quickly the momentum gathers until the entire set are in motion. Swinging in sync with each other. You understand this easily. Another one is, of course ... the Domino effect. They have all been aligned so perfectly that once the first one has been tapped (and it has) the rest follow ... IN ORDER ... until the entire line has fallen.

Keep in mind there are still pockets of places where those who do not serve the Light are continuing to scheme until the bitter end.

HOWEVER, WE KNOW ... THE END IS HERE FOR THOSE WHO HAVE CHOSEN TO SERVE THE DARK.

THE LIGHT ... SHALL SHINE SO BRIGHTLY NOW ...

REJOICE IN THE ROLE YOU HAVE CHOSEN TO PLAY ... HOW WELL YOU HAVE AND WILL CONTINUE TO ACT OUT YOUR PART IN THE GRAND DIVINE PLAN.

WE ARE JUBILANT.

Well, there we have it. I was wondering what you would have to say, as were many. In Gratitude. In Loving Service. I AM.

23 November 2024

Once again, another week has flown by! The world hasn't quite blown itself up ... yet! Many, many are intrigued concerning the Truth that is to come out. You have spoken about that which lies ahead being beyond our imaginations. Obviously, if this is the case, we cannot even assume anything. We hear of so much ... many have come across speculations of this, that, and the other, which are quite incredible ... yet, it cannot be any of those, as such things are already 'out there'. Are you able to give us a few clues? Oh Bother! As I write that, I pick up you saying 'We cannot.'

Good morning to you, Blossom and Each Lighted Soul that joins us in these conversations. Regarding your query, Blossom ... We cannot speak of this because at this time, it is out of your Planet's Vibrational Frequency to even have the correct words to express it.

That's so bizarre. Is it to do with us being free from slavery and moving into the Higher Frequency?

Yet, you know of this possibility, so it cannot be that. We say to you, it is not possible to discuss it, so it is best if we move on to a different subject matter.

Any suggestions?

May we perhaps guide you with thoughts of 'remaining in control'?

By all means. Guide away.

As more and more awareness opens one's mind to many, once unthinkable scenarios, we suggest perhaps, that you do not attach yourselves to ANYTHING. Take everything with 'a pinch of salt' we believe is the expression.

Much, at this time and the days ahead, will come to one's attention, and one's Truth radar may find itself in a bit of a fluster.

That which you hear about or indeed, witness, does not necessarily mean it is True.

You see, this is our problem. We just don't know anymore. To the point that most people are saying they simply don't know what to believe, so therefore, they don't believe anything. You have told us to be discerning, yet, that doesn't work for me either. I am like most ... I just don't know anything anymore.

This is why, Blossom we say to remain in control.

In what sense?

YOUR HEARTS, YOUR BEING, YOUR VERY ESSENCE ... KNOWS LOVE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

IT KNOWS WHAT LOVE FEELS LIKE.

IT IS LOVE.

Remain in control of this feeling of Knowing that YOU ARE LOVE ... AND ...

THE LIGHT HAS WON

It may sound too simple to say that is all you need do ... and yet, it is True.

REMAIN IN CONTROL OF YOUR FEELINGS.

So much is to be 'let out of the bag' in future days ... it will be as if your Planet throws everything up into the air, and where it lands is anybody's guess.

What on earth do you mean by that?

As the darkness is now in its last throws ... it will be using any 'tricks' left up its sleeve to deceive.

Do your best to not take any of that which you are presented with, on board.

Yet, what if we feel some of it is good?

You will know when it is and when it isn't.

But we don't ... because we don't know what is True and what is not.

If a food is 'off', Blossom, does it not leave a sour taste in your mouth? You know instantly to spit it out. It is a natural reaction.

Yes, yet, we may hear of something good that is about to happen and yet, we don't know if someone has made that up. Anybody can say anything ... and suddenly it goes viral and no one knows where or who it has come from.

There will be obvious showings of things moving in the right direction.

We choose to say that there will much that proves to be this way. Actual evidence that will not leave you wondering, for it shall be presented before your eyes.

Remember too, that which may be made known will shock many, and yet, that is not going in the wrong direction. It means that the world is waking up to what has been going on and it is being revealed. As abhorrent as this may appear, it is a Good thing that such atrocities are made known, in order for the LIGHT TO SHINE THROUGH and remove any energies attached to such things.

Many, these days, are becoming more and more aware of the lies that have been spun. Yet, again we say ... no one actually knows the extent of such.

What? No-one? Not even those who have taken excavators down rabbit holes??

Not even.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, are you saying there is no one on this Planet ... that knows the Truth, the whole Truth, and nothing but the Truth?

This is correct.

That is a full-on statement! I'm sitting here stuck as to how to follow on ... because surely, Shirley, those that are spinning the lies must be on the Planet and must know.

Not necessarily, Blossom. Perhaps those that created the lies are not on/of the Planet.

As much as I would like to continue this conversation it is already getting too complicated. I notice you often say 'perhaps'. Making it a possibility, not a fact.

Blossom ...

EVERYTHING IS POSSIBLE.

EVERYTHING.

THERE IS NOTHING THAT IS NOT.

I think you once said ... or White Cloud did, ... that faith could move mountains.

It is the KNOWING that can do this. It is the complete understanding of THE GAME, that can allow a mountain to move as easily as one may blow a feather.

I guess, we have agreed to be here and put up with all the nonsense. More and more I am coming to understand ... THIS IS A GAME ... and we, as Divine Beings, somehow got involved in it. Was The Game designed for us to be in it all along, or, have we entered into it to bring it to an end.

Correct.

(Reading back on this I notice they didn't say which one was correct. I felt at the time, it was the latter)

You see, I don't even know how to follow through with that. When we do end it ... will another one begin?

One can not give that answer. For Life itself is infinite and what lies ahead is continual expansion of WHAT IS.

And then I could totally blow my brains out and say ... yet, everything is happening at once. So, you must know if another game is programmed in 'somewhere' amongst the Allness of past, present and future ... that is happening now!?! Deary Lord! What the actual ...? I simply can't make sense of any of it sometimes.

Therefore, Blossom, go back to that which we spoke of earlier.

REMAIN IN CONTROL.

Easier said than done, when you consider the rest of the conversation.

Blossom and all, that which you do not know, you do not know.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

That which you know, you know.

WHAT YOU KNOW FOR SURE ... IS THAT YOU ARE LOVE.

YOU KNOW HOW THAT FEELS.

YOU KNOW HOW TO FIND THAT LOVE IN YOUR HEARTS AND IN YOUR MINDS.

It is always there and yet, with all that overshadows the Light upon your Planet, one can sometimes feel they are not connected to Love.

THIS IS NOT SO.

BREATHE.

SAY THE MANTRA.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

By doing this ... YOU REMAIN IN CONTROL.

NOTHING CAN TAKE THAT KNOWING ... THAT FEELING ... AWAY FROM YOU.

YOU ARE IN CONTROL OF YOU.

ALWAYS.

I take that to mean that we are in control of our Soulself. As we definitely do not have control over the manipulative forces that 'appear' to control the Planet, at the moment.

Yet ... those forces are not YOU.

YOUR LIGHT IS STRONGER THAN THESE FORCES.

As powerful as the darkness has shown itself to be ... it knows that the POWER OF LOVE is far Greater. It knows its reign has come to an end. As we have said many times, it is like a game of chess ... one knows they have won yet, there are still a few moves to be played out until the game is actually over.

So many of us are living in that KNOWING. Yet, we must still be patient. We want it over this afternoon and that just 'aint gonna happen.

Keep in mind, Blossom, there is no time, from the perspective of The Game playing itself out.

When you, within your Hearts KNOW, as you now do, that happenings are happening, and you will watch

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

much that has been said come to fruition by those that are leading the way both on and off Planet, your hearts will continue to be uplifted, even through great turmoil.

You will be able to recognize the changes of Energy ...

You will feel the Strength within you rise up ... and within that, there shall be reassurance on a deeper level that all that you have been waiting for is happening.

That is what is so intriguing. We simply cannot imagine how all this is to play out. It will be interesting too, for Truth to be revealed regarding who are the Good Guys and who aren't. There is much varied opinion on that subject. Especially regarding individual, well-known figures, that speak out. Again ... who knows!

Yet, you will, Blossom. You will.

Yep. One day we will ... and I reckon we won't just need superglue to hold our hats on, we will need it to keep our jaws from dropping to the ground and remaining there!

Each one shall find much to be discussed. That is a certainty.

Well, thanks for that. As always. In Gratitude, in Loving Service. I AM.

The Federation of Light Channellings

1 December 2024

Good morning to you. Many ask if you could share more detail regarding the 'Envelopes'* you have spoken of in the past. I won't recap for 'newbies' as I Trust you will fill us in on that which we need to know. Thank you.

Welcome, Blossom, Welcome to Each One who 'tunes in' to these conversations and also, tunes in to us during sleeping hours.

Really?

Oh yes, Blossom. We are One. We are family. We are friends. Although the body shuts down during sleeping hours, so much more takes place on other levels, and 'Being with us' is one of the 'activities' that many like to do.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Ok. We may get to go back to that, yet, for now, are you happy to talk about the Envelopes?

Yes, Indeed, we are. Although, much has already been said.

We use the word 'Envelopes' as merely a way to describe something that is not really explainable in your terms. Yet, of course, they are not actual envelopes.

We have said that within the 'given time', you will each receive your Envelopes to open and your individual instructions shall be inside.

You have also used the word 'orders' as opposed to instructions.

This is so. Yet, not in the controlling sense of 'We order you to do this'. It is for you to know that the 'download' you shall receive 'comes from you' in its origin form.

You decided the role you wish to play when the time comes, for only you know your capabilities and what would be best suited for you, in ways of 'Giving'.

Some people have written in to say they feel they have already received their Envelopes.

Perhaps it feels this way, yet, it is not the case. Would we put it as if these 'pre-envelope feelings' are more like postcards.

Meaning?

Meaning that they have received the know-how or incite to prepare for the actual Envelope.

Meaning?

Information has been 'dropped in', as to a lead-up to the actual Envelope. So, although one may feel they already 'know' what it is they are supposed to be doing ... when the actual Envelopes are opened ... the full extent of that which one is to do, will be revealed.

So for those who feel they already have opened it, they have not, yet, they are getting ready.

Why do some have this and others not?

Because some benefit from the postcards and others, either don't need them or are not quite ready.

So ... what sort of instructions are they? Surely, they must be quite profound for each of us, as opposed to something like 'Make egg sandwiches for the hungry!'. You know what I mean.

Blossom, Each One will carry out that which has already been arranged and discussed.

What if they don't like making egg sandwiches?

The role they will assume will suit the skills they have either acquired or brought with them. Therefore, there shall not be a situation where one wants to swap with another, for instance, because each role is directly assigned to each individual.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We are a bit flummoxed as to how different these instructions will be from that which we are already trying to do now. As in, help each other in any way we can ... coming from our Hearts.

Blossom, what you have not taken into consideration is that when these Envelopes arrive, much will have been exercised in your World in ways of 'Topsy Turvyness'.

I recall you mentioning that word before. So, do you mean that we will have been exposed to a great deal that will set everyone's 'life' reeling?

We do. Many of you have been preparing for this all your lives. Yet, these Envelopes are not to be revealed to you until it is time to do so. It is not appropriate for you to know, now. For, your instructions would not necessarily make sense now. Yet, when they arrive ... they will.

So, let us assume the day/time has come and 'It is time'. Do we, all receive them at the same time?

We would say within a time frame.

Do we receive them in a flash of inspiration? I mean ... is it going to be such a revelation that we keel over in awe ... or, is it an 'OK' and we carry on eating our egg sandwiches?

Blossom ... when these Envelopes arrive ...

IT IS A BIG EVENT.

Mm! Now, do you mean it is an individual personal big event? Or, do they all come floating down because a BIG GLOBAL EVENT is happening?

They both happen at the same time.

Again, many times both you and White Cloud have spoken of an Event. Yet, it hasn't popped up for a long time ... should we talk about it now?

It would be in keeping with our conversation to do so.

The trouble is, in my head, when you speak of The Event, I automatically go to a bit of a biblical happening ... when the skies open and Light shines through etc ... you get the picture. As I write that, my heart chakra took flight because I could sense your answer ... which is ...

You wouldn't be far wrong.

You see, the thing is, for me, and I can only speak for me ... the possibility of that happening is too much like a fairy tale, or a programming. Lovely as the thought is ... is it really going to happen?

Let us begin ...

At the moment ... your World is being released from the bondage it has resided within for eons of time. This darkness, as we have said cannot be cleared overnight. So, on the one hand, remember to be patient. On the other hand, be Joyous that the transformation is taking place. Even though it may appear otherwise.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Well, on the ground level, I I would imagine there is much clearing up to do. Many changes to be made etc, in order for the human race to Trust in Love, once again.

Indeed, this is so, Blossom. There is much groundwork to take place.

However, in the confines of time ...

Whatever that means.

It means that your World exists within the time frame that has been introduced to it ...

So, within that time frame ...

IT IS KNOWN THAT A 'HERALDING' WILL TAKE PLACE IN ORDER FOR EACH ONE TO KNOW THAT THE WAR IS OVER ...

THE DARKNESS IS NO MORE ... AND IN THAT SENSE, THERE SHALL BE GREAT HAPPENINGS ... WHICH WILL APPEAR TO BE COMING FROM THE SKIES.

Will the skies actually part?

We can only say 'In a sense'.

I just double-checked on 'Heralding' ... a sign that something is about to happen. So, to clarify ... how different will our envelope instructions be from what we already know to do now? **Naturally, Blossom, all that you are ... all that you all now know yourselves to Be ... will be the core essence of that which you do.**

Yes, but what I am trying to get at is ... will it be something like for instance 'Donovan ... you must fly to Egypt and there you will meet a man in a sackcloth who will lead you to an inner corridor of the great pyramid, and there you will be shown the Lightship that has been awaiting you ... You will be told when to make it once again air born' ... Or, will it be 'Donovan (Who Donovan is, I have no idea) ... walk around your local area and see who needs comforting' ... Do you see what we mean?

Blossom, we like your line of questioning. If we were to say to you again 'Both' how would you react?

I want to say 'NO! Really?'

Yes, really!

The issue is Blossom, that for so long you have been trapped within a program that prevents you from KNOWING THE TRUTH OF WHO YOU ARE.

If you were to be watching a movie and these things took place, you would be aware of it as just a movie. You have been programmed to believe that such things are not a reality.

YET ... THIS IS YOUR MOVIE ... YOU EACH HAVE YOUR ROLES TO PLAY.

Let us say you auditioned for your roles before you came.

So, seriously ... the 'Donovan thing' going to Egypt could be in someone's envelope?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes,

Far out and a bag of sprouts! So, as our instructions would be coming to us via a download ... that kind of thing would require a vast amount of TRUSTING that we 'picked it up' correctly. I mean, imagine going to Egypt and there was no man in a sackcloth to be seen. Or, even worse, 50 men in sackcloths!

What we would like you to understand ... to grasp ... is that 'when' this timeframe occurs ... your BEINGNESS will have opened up enormously to the fact that YOU ARE LIGHT.

You will not have the doubts of self that you have now ... for this is all programming.

YOU WILL KNOW WHO YOU ARE.

AND ...

THE TRUTH OF WHO YOU ARE KNOWS NOT OF DOUBT.

So ... I get the programming ... although, I don't fully understand its extent ... yet, are you saying that when this happening takes place ... we will be free and no longer within the program movie?

Yes. Yet, there will be many that do not understand AT ALL what is taking place. Those who have been so deeply asleep will be greatly confused and lost ...

Many Envelopes will have instructions that they chose to bring comfort and understanding to such souls.

It seems so far-fetched and indeed, 'out of a movie! 'And yet, the sooner we get that it is a movie ... the more able we shall be to conduct each scene as deemed necessary.

And to assist on that matter ... although it seems unreal and an impossibility of such magic and wonders taking place ... for there shall be many ... KNOW THAT THIS IS WHY YOU CAME ...

Almost all of you reading or listening to this conversation can feel within your Hearts, your very Souls, that YOU KNOW OF THIS.

IT SOMEHOW IS RINGING A BELL ... HOWEVER DISTANT THAT BELL MAY SEEM AT THIS TIME ... YET, WHEN YOU ASK TO TRULY KNOW OF THIS EVENT TAKING PLACE ... YOU KNOW IT TO BE SO.

And after the Event?

We feel that should be for our next conversation perhaps.

Phew ... I am glad you said that! I don't feel I have the brain power to start on that one. Good one Chaps. Thank you so very much for this. I guess it doesn't matter if I am 'sitting on the fence' about it all. I will just carry on as I am. We all will. We look forward to all the GREATNESS that is to emerge. How exciting. In Gratitude. In Loving service. I AM.

No. 28

14 December 2024

Hello. Last week was a no-go due to a pinched nerve in my shoulder, prompting me to be horizontal for days, as that was the only way to be pain-free. So much better now, yet, caused my birthday frolickings to be rather underpar. Obviously, my left wing is having trouble sprouting. Right Ho. Off we go.

Greetings of the Highest order to you, Blossom and Each Soul who enjoys our conversations as they are delivered.

There was a great response to the Envelope channelling. Do you have any more to add?

Not at this stage. We are aware that many are keen to know what is to happen, how it is to be after such an Event.

In my head, I am receiving the word 'flip'. As if there is a flip over?

Yes. This would be correct. We are also aware that many have heard of this for so long now that their enthusiasm for such a turnaround is waning. May it be understood, that we are aware that it seems such a long wait for you, yet, we do not engage ourselves in timing, for we are unable to do so.

Yes, many have mentioned Being in their 80's and over and want to know if they shall be around. They have waited so long and don't want to miss out.

Blossom, no one ... on or off Planet ... will miss out. For it is a Universal Event in which Everything shall be affected. It is much bigger than you can imagine.

Yet, know this.

IT IS FOR THE GREATER GOOD OF ALL MANKIND.

For indeed, has not the human race suffered enough?

I should say so, and then some.

This 'flip' shall bring such Joy, as there shall be a massive upliftment in Consciousness. In a sense, it shall be like being reborn, for All and Everything around you will have undergone the same transition.

Yet, why would it be then, that many would need the help of those who are in the know about what is going on? Why would they need help if everything in the garden is suddenly rosy?

Because, Blossom, the lives of many, many Souls on your Planet, have been undernourished in ways of Spiritual Enlightenment. A change in atmosphere ... literally ... along with a shift so big that nothing has taken place in this way before ... shall leave many reeling and not being able to comprehend what has happened.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, those who are awake will be able to comprehend, will they?

Indeed. This is the role that many are waiting for. This is when the Envelopes shall be received and understood.

So, to clarify ... not everyone gets Envelopes?

Correct. For they have chosen to remain imprisoned in their minds.

So, their envelopes get returned to sender?

For some. Yet, not many.

A way to describe it ... in the best way we can ... would be that those who received Envelopes, 'transition' into a Higher placement of themselves. As if, 'almost' literally a 'Glow of Light' will be emanating from their Beings.

That's cool. That would certainly show that we had moved into a Higher frequency of ourselves. Seeing as you cannot tell us when ... I guess it just sits nicely to know that one day this will come about. The thought of living in a world of Higher Consciousness and the darkness gone is definitely something to hold on to. ... And to know it as Truth.

This is so, Blossom.

THIS IS TO COME ...

... and shall be so very welcomed after the turmoil and upheaval that shall have been revealed to all by then.

I am a little confused. I thought we would be helping those who are asleep during these times of turmoil, not after it has all died down.

You shall be. You shall know how to behave and what to do, as more and more of how your Planet has been run is disclosed.

YOUR AWARENESS OF LOVE AND THE WAY TO THE BRIDGE SHALL SHOW MANY THE WAY TO A GREATER UNDERSTANDING.

However, ... that is in preparation for the next Phase.

Phase? You mentioned the word Phase! Hold the phone just a rootin' tootin' minute! Which number Phase would we be talking here?

FOUR.

Wow. That was loud and clear! Correct me if I am wrong. We are still in Phase One?

Correct.

You say Phase Two is another lockdown?

Correct. Yet 'managed' so differently from the original, a few of your years ago.

Phase Three would be?

Coming to terms with what took place in Phase Two.

Which is what?

The revealing of unimaginable Truths. Both Good and bad.

That's interesting, and a little less daunting.

What takes place in Phase Two will send the world spinning.

Depending on whether it is flat or round.

Depending on reactions by the Human Race ... and many other factors.

So, Phase Three will be the aftermath of Phase Two? Picking up the pieces, sort of thing?

Not just picking up the pieces, Blossom ... putting them back together. Yet, in this Phase Three, life on earth will seem very different and there will not be the waiting around for something to happen. There cannot be ... for so much will have happened in Phase Two.

So, Phase Three is coming to terms with what has been revealed ... leading into Phase Four ... which will be?

The Envelopes ... and so much more.

Leading into Phase Five which is?

GLORY.

JOY.

PEACE.

LAUGHTER.

KINDNESS.

GIVING.

LOVING.

A world in which you belong ...

A world in which you know is waiting for you ...

A world where your Soul knows what a Soul's Love, Light and Truth should feel like.

A world where you can understand why you volunteered to enter into it ... in order to exit out of it.

Eh ... Say what?? That's a statement and a half. Meaning? I know what I think it could mean, yet, let's see what your answer is.

Meaning, Blossom, that yes, indeed, you are trapped within a world where those who had the power to

control it, did so, in ways that will blow your minds.

THE LIGHT POWER THAT IS TAKING OVER AND RECOVERING HIDDEN ARTEFACTS THAT CAN MAKE SUCH A DIFFERENCE ... IN WAYS OF IMPROVING THE ENERGY THAT CAN REMAIN CENTERED AND ANCHORED ... IS SO FORCEFUL ... THAT IT WILL ... BLOW THE PLACE APART.

In a good way?

Indeed, for this is the way forward.

If I am following correctly ... this 'flip' ... this 'event' ... will allow us to break free from this trap?

Yes. This is what it is all about. This is what everything is leading up to.

I have heard about this trap, many have, many haven't. You have never really commented before.

Blossom ... we try to be discerning. Many souls find these conversations. More and more of late, Each One has reached their own particular level, of understanding that which is taking place. Some information is 'shocking' to newly awakened Beings. Therefore, we introduce possibilities when we feel it the correct timing to do so.

And yet ... even with possibilities such as these, apparently that which is to be revealed is way more out of the box than these things we have heard about. Why do you call them 'possibilities'?

In order for Each Soul to find out Truth's for themselves. Do not take our word for it. Feel within the resonance of our words. If they feel uncomfortable ... investigate and come to your own conclusion. Your own Truth.

Yet, things I heard of a few years ago, I was not ready to even entertain ... and now, I accept them as 'possible Truth!' So, Phase Five ... is it Euphoria? ... The finale?

Oh no Blossom ... Phase Five is just the beginning!

Do you know what? I am going to leave it there. A cliffhanger! Plenty for us to ponder on. May I just ask before I go? Why now, are you happy to talk about the Phases, when before they were a no-go?

Divine timing Blossom. Divine timing.

In Gratitude. In Loving Service. I AM.
